\* Daily Value not established

Other Ingredients: Dicalcium phosphate, cellulose, modified cellulose, stearic acid (vegetable source), silica, magnesium stearate (vegetable source) and natural vanilla.

THYMUNOSE has been formulated to aid recovery from stress or injury. Whole thymus provides many substances required by your thymus tissues and melatonin is a natural pineal gland hormone which positively regulates both B and T lymphocytes. Active Hexose Correlated Compound (AHCC) has been shown clinically effective in maintaining aggressive immunity against invasion. Vitamins A, C, and zinc are provided in large amounts to support recovery.

OptiZinc® is a trademark of InterHealth N.I.
