Mito-Detox III

Helps Optimize Cellular Energy Production
Supports Balanced Detoxification Pathways*

Mito-Detox III is a **Signature Series** formula offering a unique blend of herbs and nutrients that work together to enhance mitochondrial function and cellular energy production.*

Benefits of key ingredients:

- Provides a unique blend of herbal extracts and nutrients that support the Liver's efforts to remove chemicals, drugs and toxins.*
- Contains R-Alpha Lipoic Acid, which has shown greater efficacy than Alpha Lipoic Acid.*
- Combines specific herbs and nutrients to optimize cellular energy production (ATP) and combat oxidative stress.*
- Reformulated with PQQ: PQQ and CoQ10 complement each other, providing enhanced mitochondrial and antioxidant support.*
- Reformulated with NADH; recent evidence demonstrates that NAD+ repletion protects organisms from metabolic diseases induced by genetic factors, diet, or aging.
