

SUPPORTS DISC & CONNECTIVE TISSUE HEALTH

NUTRA DISC[®]

with **MERIVA[®]**
BIOAVAILABLE CURCUMIN

Nutra Disc[®] is a unique proprietary product for disc injuries and related connective tissue problems. Nutra Disc[®] contains a specialized blend of ingredients designed to support the body's natural response to maintain good joint health, promote the production of collagen, and support the rebuilding of cartilage.

NUTRA(DISC)[®]

with **MERIVA[®]**
BIOAVAILABLE CURCUMIN

DOSAGE – Do not chew. Take two capsules three times per day on an empty stomach or as directed by your health professional. Store in a cool dry place and keep out of reach of children.

Nutra Disc supports a healthy inflammatory response, provides nourishment to injured areas, and supports healing after tissue injury.

The unique Nutra Disc formulation contains:

- Meriva[®], a unique curcumin extract, is significantly better absorbed than other curcumin extracts and provides support to maintain the body's normal inflammatory response.
- A custom blend of enzymes. These enzymes collectively function as plasmin activators to reduce excessive fibrin deposition, facilitate healing, and help reduce inflammation.
- Glucosamine and chondroitin which work synergistically to stimulate the synthesis of new cartilage and strengthen the body's natural repair mechanism.

ITEM #: 3629-0090-01 90 CAPS
ITEM #: 3629-0180-01 180 CAPS
