

PRODUCT CATALOG 2024

Experience the Protocol For Life Balance® Difference.

THE PROTOCOL FOR LIFE BALANCE® ADVANTAGE

Protocol For Life Balance® is one of the fastest growing practitioner brands in the industry, and for good reason. No other brand offers our unique combination of superior quality and everyday affordability. As the practitioner arm of parent company NOW® Health Group, Protocol offers more than 50 years of natural product expertise. We're a GMP (Good Manufacturing Practices) 'A'-rated manufacturer by the Natural Products Association (NPA) and fully comply with federal CGMP regulations. We manufacture the majority of our products in-house, which affords us exceptional control over product quality and cost. As the demand for our products has grown, we are expanding our manufacturing capabilities in Illinois with the recent addition of state-of-the-art production lines for capsules and powders.

Our long-standing supplier relations give us access to the highest quality raw materials, and we extensively test every raw material for identity, potency, and purity. Our state-of-the-art in-house laboratories are equipped with advanced analytical instrumentation including a Soleris® Rapid Microbiological System, 24 HPLCs, gas chromatographs, infrared spectrometers, and multiple heavy metal detectors. Very few dietary supplement manufacturers offer the level of quality assurance and cost control that you get with Protocol.

NOW® Health Group, our parent company with which we share our manufacturing lines and laboratories, was one of the first companies to seek certification from the NPA in 2000. Since then, NOW has undergone annual re-certification. Since 2023, NOW has been audited and certified by Intertek as having met the Supplement Safety & Compliance Initiative (SSCI) benchmarks, which ensures uniformity in the manufacturing of dietary supplements consistent with CFR 111. Furthermore, in 2017 NOW achieved Underwriters Laboratories (UL) Enhanced Certifications for cosmetics (ISO 22716:2007) and natural foods [Safe Quality Food (SQF)]. In 2021, NOW received ISO/IEC 17025:2017 accreditation from the American Association for Laboratory Accreditation (A2LA) for both their analytical and microbiological laboratories.

At Protocol we strive to always improve, and that is why in 2024 we are continuing to support our sustainability efforts by transitioning more of our supplement bottles to be made from 100% post-consumer recycled (PCR) resin, or glass.

Whether you're looking for nutrition standards such as vitamins and minerals or specialized supplements for unique conditions, Protocol has you covered with consistently superior product quality at industry-best prices.

Protocol Certified Quality

- √ Exhaustive quality testing for every batch
- √ Independently audited by NPA
- √ FDA inspected & GMP assured
- √ No artificial (FD&C) colors
- √ Intertek certified GMP for dietary supplements
- √ UL third-party certified (topical products)
- √ 150+ quality department employees
- √ Informed-Sport certified
- √ No dl-alpha-tocopherol
- √ Certified Halal products
- √ RiboPrinter® strain-verified probiotics
- √ QAI and USDA certified organic ingredients
- √ Assured honest labeling
- √ Validated analytical methods for testing
- √ Retained samples for 6 years
- √ Ageless oxygen packets for freshness

CONTACT US DIRECTLY

Protocol For Life Balance® representatives are available to assist you in selecting the most popular products from our extensive line. We provide tailored solutions to ensure your product selection is the most relevant and appropriate for your practice. Call or email us today.

CUSTOMER REQUIREMENTS

As our products are high potency, condition specific, and technical in nature, Protocol For Life Balance® products are sold through licensed healthcare practitioners.

SALES TAX

As taxation varies by location, Protocol For Life Balance® may require a State resale tax certificate and/or other pertinent tax documentation where applicable. If the customer does not have a State sales tax number and/or other pertinent tax documentation Protocol For Life Balance® will charge the applicable sales tax.

PAYMENT TERMS

We accept Visa, MasterCard, AMEX and Discover credit cards at the time of ordering. Orders may also be shipped via pre-paid check or ACH Direct withdrawal. Any NSF check will include a \$25 charge.

MINIMUM ORDER / SHIPPING CHARGES

- Wholesale Minimum order is \$95.
- FREE Shipping on U.S. orders over \$195 (exceptions may apply).
- Orders below \$195 will have a \$10 shipping fee.

DISCOUNT OPPORTUNITIES

Protocol For Life Balance® periodically offers promotional discounts on select items or categories. Other performance and activity-based discounts are available on an ongoing basis. Please inquire with your sales representative for more details.

MINIMUM ADVERTISED PRICING (MAP) POLICY

Our MAP requires that no customers advertise Protocol For Life Balance® below the manufacturer-established suggested retail pricing (SRP). See next page for additional details about this policy.

PRODUCT GUARANTEE / RETURN POLICY

Protocol For Life Balance® stands behind the quality of our products and will refund the wholesale purchase price of patient returns.

Please call to our attention to any shipping or invoicing errors within 5 days. Returns are accepted only with prior authorization, within 30 days of invoice, and subject to a 25% restocking fee. No expired product returns accepted.

MINIMUM ADVERTISED PRICING (MAP) POLICY

AFFECTED PRACTITIONER CUSTOMERS

- U.S. Customers
- Customers with Websites selling to U.S. end-users

MINIMUM ADVERTISED PRICE

Protocol For Life Balance® ("Protocol") has implemented a Minimum Advertised Pricing Policy ("Policy") which prohibits advertising any Protocol For Life Balance® product at less than suggested retail pricing. Protocol has unilaterally adopted this Policy to ensure protection of its brand equity and to preserve its intellectual property in its Protocol For Life Balance® name, and to maximize the effectiveness and efficiency of Protocol's distribution channels and its Customers' investment in Protocol For Life Balance® products.

Under this Policy, "advertising" includes internet, print, radio, television, direct mail and catalogs. This Policy does not apply to advertising within a practitioner's office and e-mail advertising to a private patient base. "Patient" is defined as an individual who is treated and monitored in the practitioner's office.

All Customers remain free to determine and establish, in their sole and absolute discretion, their own retail or resale price for Protocol For Life Balance® products. This Policy also does not apply to any promotional values that do not affect the suggested retail price such as "free shipping" or including a free or discounted product bundled with the Protocol For Life Balance® product, provided the discounted product is not a Protocol For Life Balance® product covered under this Policy.

VIOLATIONS OF POLICY

All Customers who violate this Policy will be so notified by Protocol via phone, e-mail or standard mail, and will be given ten (10) days' notice to become compliant. After the end of the ten (10)-day notice period, if the problem is not rectified, Protocol reserves the right to discontinue fulfilling orders. If a Customer violates the above conditions on more than one occasion, Protocol reserves the right to immediately revoke the Customer's wholesale price privileges without any liability to Protocol. Protocol may, without notice, take such other and additional action as it deems appropriate and necessary against Customers that violate the above conditions without any liability to Protocol. Protocol reserves the right not to sell any products to any Customer that is affiliated with a website or sells to a third-party website that violates this Policy, or in Protocol's sole opinion, disparages Protocol or its Protocol For Life Balance® products or diminishes the brand. Each Customer is free to independently decide whether or not to follow this Policy; however, violations of this Policy may result in the above-mentioned actions.

NON-NEGOTIABLE

Protocol will not discuss any conditions of acceptance related to this Policy as it is non-negotiable and will not be altered for any Customer. No employee or sales representative of Protocol is authorized to discuss this Policy nor does any employee or sales representative have the authority to modify or alter this Policy. Nothing in this Policy is intended to constitute an Agreement between Protocol and any of its Customers. Protocol may modify this Policy or any of its suggested retail prices, or discontinue this Policy at any time, for any reason, in the sole discretion of Protocol.

All our products are manufactured in a GMP facility that processes ingredients that may contain any of the 9 major allergens: wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients. See individual product labels for allergen disclosure. Some of our products are bottled in 100% (post-consumer recycled) resin. See individual product labels to see if products are in recycled bottles. The catalog will not display that information as we are progressively introducing new recycled bottles.

ACETYL-L-CARNITINE

Amino Acids/Neurological Health*

CODE: P0076
100 VEG CAPSULES

TRANSPORTS FATTY ACIDS & BOOSTS CELLULAR ENERGY*

BRAIN AND NERVE CELL FUNCTION*

VEGETARIAN-VEGAN

Acetyl-L-carnitine (ALC) is a naturally occurring component of fat metabolism and cellular energy production.* ALC readily crosses the blood-brain barrier and promotes healthy nerve cell function by maintaining normal mitochondrial bioenergetics, stabilizing cell membranes, and contributing to the production of acetylcholine, an important neurotransmitter that plays a role in learning and memory.* ALC also supports the brain's natural free radical neutralizing defenses.*

Supplement Facts

Serving Size 2 Veg Capsules
Servings Per Container 50

Amount Per Serving

Acetyl-L-Carnitine 1 g (1,000 mg)**
(from 1,205 mg Acetyl-L-Carnitine HCl)

** Daily Value not established.

Other ingredients: Hypromellose (cellulose capsule), Rice Flour, Stearic Acid (vegetable source) and Silicon Dioxide.

Not manufactured with yeast, wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

L-ARGININE 1,000 MG

Amino Acids/Cardiovascular Health*

CODE: P0035
120 TABLETS

CONDITIONALLY ESSENTIAL AMINO ACID
NITRIC OXIDE PRECURSOR*

Arginine is a conditionally essential basic amino acid involved primarily in urea metabolism and excretion, as well as in DNA synthesis and protein production.* It is an important precursor of nitric oxide (NO) and thus plays a role in the dilation of blood vessels.*

Supplement Facts

Serving Size 1 Tablet

Amount Per Serving

L-Arginine (from 1,250 mg L-Arginine HCl) 1 g (1,000 mg)**

**Daily Value not established.

Other ingredients: Microcrystalline Cellulose, Hydroxypropyl Cellulose, Stearic Acid (vegetable source), Croscarmellose Sodium, Silicon Dioxide and Vegetarian Coating [hypromellose (cellulose), calcium carbonate, glycerin].

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients.

The L-Arginine used in this product is pharmaceutical grade.

L-CARNITINE 500 MG

Amino Acids/Healthy Aging*

CODE: P0072
60 VEG CAPSULES

TRANSPORTS FATTY ACIDS*
BOOSTS CELLULAR ENERGY*
VEGETARIAN-VEGAN

L-Carnitine is a non-essential amino acid that is abundant in heart, muscle and liver tissues. It helps to maintain metabolic health by facilitating the transfer of long-chain fatty acids across the mitochondrial membrane for cellular energy production.* In addition, it assists the body in using fat for energy.* It naturally occurs in red meat and other animal source foods, but some people may have an increased need for dietary carnitine due to high fat and vegetarian diets. Clinical studies indicate that carnitine may promote exercise performance and recovery.*

Supplement Facts

Serving Size 1 Veg Capsule

Amount Per Serving

L-Carnitine (Carnipure™) 500 mg*
(from 746 mg L-Carnitine Tartrate)

* Daily Value not established.

Other ingredients: Cellulose (capsule), Cellulose Powder, Magnesium Stearate (vegetable source) and Silica.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or tree nut ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

Carnipure™ offers purest L-Carnitine and is a trademark of Lonza Ltd, Switzerland.

GABA 750 MG

Amino Acids/Mood*/Sleep*

CODE: P0089
120 VEG CAPSULES

CALMING NEUROTRANSMITTER*
VEGETARIAN-VEGAN

GABA (gamma-aminobutyric acid) is a non-protein amino acid that is naturally produced in the body.* GABA is the brain's main inhibitory neurotransmitter and healthy levels are associated with a relaxed mood.* GABA also plays a central role in regulating intercellular communication and normal cognition.*

Supplement Facts

Serving Size 1 Veg Capsule

Amount Per Serving	
GABA (Gamma-Aminobutyric Acid)	750 mg**

** Daily Value not established.

Other ingredients: Hypromellose (cellulose capsule), Ascorbyl Palmitate, Stearic Acid (vegetable source) and Silicon Dioxide.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients.

L-GLUTAMINE

1,000 / 5,000 MG

Amino Acids

CODE: P0094 / 120 VEG CAPSULES / 1,000 MG
CODE: P0221 / NET WT. 1 LB. (454 G) / 5,000 MG

SUPPORTS HEALTHY IMMUNE FUNCTION*
PROMOTES GASTROINTESTINAL HEALTH*
POWDER: 5,000 MG PER SERVING
VEG CAPS: 1,000 MG PER SERVING

Glutamine, the most abundant amino acid in the body, is an important constituent of proteins and participates in many key metabolic processes.* Glutamine helps to regulate acid/base balance, maintains nitrogen balance, and acts as a nitrogen reservoir for the production of other amino acids.* It also serves as an important energy source for certain cell types, such as gut, immune, and kidney cells.* Glutamine is known to support gastrointestinal integrity, normal immune system function, and the preservation of muscle tissue.*

1,000 MG / 120 VEG CAPS / P0094

Supplement Facts

Serving Size 1 Veg Capsule

Amount Per Serving	
L-Glutamine (Free-Form)	1 g (1,000 mg)**

** Daily Value not established.

Other ingredients: Hypromellose (cellulose capsule), Hydroxypropyl Cellulose, Stearic Acid (vegetable source), Magnesium Stearate (vegetable source) and Silicon Dioxide.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients.

5,000 MG / 1 LB. / P0221

Supplement Facts

Serving Size 1 Rounded Teaspoon (approx. 5 g)
Servings Per Container about 91

Amount Per Serving	
L-Glutamine (Free-Form)	5 g (5,000 mg)*

* Daily Value not established.

Other ingredients: None.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or tree nut ingredients.

Protocol For Life Balance® L-Glutamine Powder is a pure, free-form, non-essential amino acid.

This product is sold by weight not volume.

N-ACETYL-CYSTEINE (NAC)

600 / 1,000 MG

Amino Acids/Healthy Aging*

CODE: P0085 / 100 VEG CAPSULES / 600 MG
CODE: P0185 / 120 TABLETS / 1,000 MG

SUPPORTS GLUTATHIONE PRODUCTION*
HEALTHY RESPIRATORY FUNCTION*
MAINTAINS CELLULAR HEALTH*

N-acetyl-cysteine (NAC) is a stable form of the non-essential amino acid cysteine. Cysteine is a sulfur-containing amino acid that acts as a stabilizer for the formation of protein structures.* Although NAC possesses its own free radical scavenging activity, its primary function in the body is to supply cysteine necessary for glutathione synthesis and replenishment.*

600 MG / 100 VEG CAPS / P0085

Supplement Facts

Serving Size 1 Veg Capsule

	Amount Per Serving	% Daily Value
Selenium (from 5 mg L-Selenomethionine)	25 mcg	45%
N-Acetyl-Cysteine (NAC)	600 mg	†

† Daily Value not established.

Other ingredients: Hypromellose (cellulose capsule), Stearic Acid (vegetable source), Citric Acid and Microcrystalline Cellulose.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients.

1,000 MG / 120 TABLETS / P0185

Supplement Facts

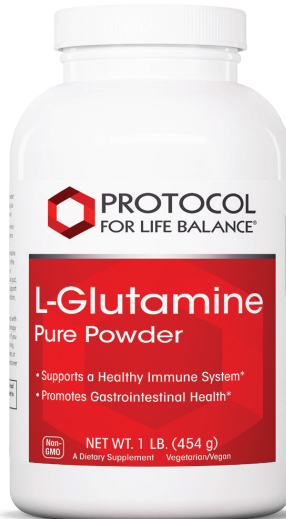

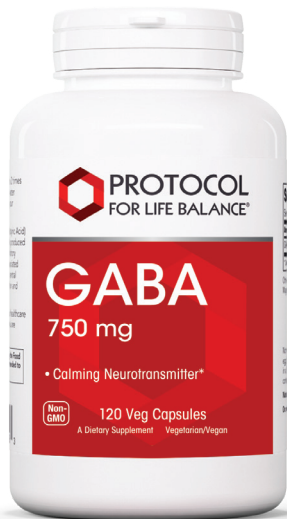

Serving Size 1 Tablet

Amount Per Serving	
N-Acetyl-Cysteine (NAC)	1 g (1,000 mg)**

**Daily Value not established.

Other ingredients: Microcrystalline Cellulose, Hydroxypropyl Cellulose, Stearic Acid (vegetable source), Croscarmellose Sodium, Vegetarian Coating (hypromellose (cellulose), stearic acid (vegetable source), sunflower lecithin, triethyl citrate, sunflower oil) and Silicon Dioxide.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients.

TAURINE 1,000 MG

Amino Acids/Ocular & Neurological Health*

CODE: P0142

100 VEG CAPSULES

NERVOUS SYSTEM HEALTH*

HEALTHY VISUAL FUNCTION*

Taurine is a conditionally essential amino acid-like compound that is found in most tissues, but is especially abundant in the retina, heart, and nervous system. Taurine is involved in a number of physiological processes, including bile acid formation for fat digestion, maintenance of fluid balance, and regulation of cellular calcium concentration.* Taurine crosses the blood-brain barrier and is necessary for proper neurotransmission.* It is also critical for healthy muscular and cardiovascular function and is essential for normal vision.*

Supplement Facts

Serving Size 1 Veg Capsule

Amount Per Serving

Taurine (Free-Form) 1 g (1,000 mg)*

* Daily Value not established.

Other ingredients: Cellulose (capsule) and Stearic Acid (vegetable source).

Not manufactured with wheat, gluten, soy, corn, milk, egg, fish, shellfish or tree nut ingredients.

L-THEANINE 200 MG

Amino Acids/Mood & Neurological Health*

CODE: P0147

60 VEG CAPSULES

RELAXED BUT ALERT MENTAL STATE*

COGNITIVE SUPPORT*

VEGETARIAN-VEGAN

Theanine is an amino acid shown to be the constituent responsible for the calming properties of green tea.* Theanine can cross the blood-brain barrier and enhances healthy alpha brain-wave activity, which is associated with a relaxed, but alert state.* At the same time, theanine helps to support the health of brain cells exposed to typical stimulation from excitatory neurotransmitters and promotes normal dopamine and GABA release.* Clinical studies have shown that theanine can support relaxation without drowsiness and promotes healthy cognitive function.*

Supplement Facts

Serving Size 1 Veg Capsule

Amount Per Serving

L-Theanine 200 mg**

Inositol 100 mg**

**Daily Value not established.

Other ingredients: Hypromellose (cellulose capsule), Stearic Acid (vegetable source) and Silicon Dioxide.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or tree nut ingredients.

L-TRYPTOPHAN

500 / 1,000 MG

Amino Acids/Mood*/Sleep*

CODE: P0166 / 60 VEG CAPSULES / 500 MG

CODE: P0167 / 120 VEG CAPSULES / 500 MG

CODE: P0169 / 60 TABLETS / 1,000 MG

PREMIUM GRADE

SUPPORTS RELAXATION*

ENCOURAGES POSITIVE MOOD*

PROMOTES RESTFUL SLEEP*

Tryptophan is an essential amino acid; therefore, it is not synthesized by the body and must be obtained from the diet. In the brain, Tryptophan is converted into serotonin, a neurotransmitter involved in feelings of well-being, calmness, personal security, and relaxation. It also plays a role in the regulation of appetite and synchronization of sleep patterns.*

Not manufactured with yeast, wheat, gluten, soy, corn, milk, egg, fish, shellfish or sesame ingredients.

K₂ MK-7 & D₃

Vitamin D & K Blend

CODE: P0384

60 VEG CAPSULES

VASCULAR HEALTH*

STRUCTURAL SUPPORT*

180 MCG K₂ / 5,000 IU D₃

Vitamins D₃ and K₂ have been extensively studied regarding their roles in calcium metabolism.* Research indicates that a synergistic relationship exists between vitamin K₂ and vitamin D₃, especially in terms of bone strength and cardiovascular health.* While vitamin D₃ is recognized for its role in calcium absorption and metabolism, it is vitamin K₂ that directs calcium to bones rather than joint spaces and arteries.* This product is formulated with a clinically relevant dose of MK-7, a unique, soy-free form of vitamin K₂ that has been shown to promote healthy vascular structures.*

Supplement Facts

Serving Size 1 Veg Capsule

	Amount Per Serving	% Daily Value
Vitamin D (as D ₃ Cholecalciferol) (from Lanolin)	125 mcg (5,000 IU)	625%
Vitamin K ₂ (as Menaquinone-7) (MK-7) (MenaQ7®) (from chickpea)	180 mcg	†

† Daily Value not established.

Other ingredients: Microcrystalline Cellulose, Hypromellose (cellulose capsule) and Silicon Dioxide. Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or sesame ingredients.

MenaQ7® is a registered trademark of NattoPharma ASA, Norway. Patents granted and pending.

LIQUID D₃ & MK-7

Vitamin D & K Blend

CODE: P0379

NET VOL. 1 FL. OZ.

BONE & CARDIOVASCULAR SUPPORT*

NON-GMO

2,500 IU VITAMIN D₃ & 100 MCG VITAMIN K₂ PER SERVING

Liquid D₃ & MK-7 combines vitamins D₃ and K₂, two nutrients extensively researched for their roles in the health of bones, teeth and the cardiovascular system.* Vitamin D₃ works with calcium to support bone health, and more recent studies indicate it's important for immune system health as well.* MenaQ7® MK-7 is a unique soy-free, bioavailable form of vitamin K₂ that plays a critical role in arterial health through its ability to support proper calcium metabolism in blood vessels and arteries.* Vitamin K₂ is also important for the formation of strong, healthy bones.*

Supplement Facts

Serving Size 5 Drops (approx. 0.184 mL)
Servings Per Container about 163

	Amount Per Serving	% Daily Value

5-METHYL FOLATE 1,000 / 5,000 MCG

Neurological Health*

CODE: P0491 / 90 TABLETS / 1,000 MCG
CODE: P0492 / 50 VEG CAPSULES / 5,000 MCG

METABOLICALLY ACTIVE FOLATE*
SUPERIOR BIOAVAILABILITY

Folate consumed in the diet or from supplements must be converted to its active form, 5-methyltetrahydrofolate (5-MTHF) to be used by the body. This is a multi-step biochemical process that, in some circumstances, may not be efficient enough to meet the body's needs. In addition, unlike folic acid, 5-MTHF can penetrate the blood-brain barrier. This product utilizes a patented form of 5-MTHF with superior bioavailability.

1,000 MCG / 90 TABLETS / P0491

LIQUID B-12 5,000 MCG

Neurological & Cardiovascular Health*/Energy Production*

CODE: P0452
NET VOL. 4 FL. OZ. (118 ML)

THREE FORMS OF B-12 FOR MAXIMUM UTILIZATION
COMPLETE LIQUID B-COMPLEX
HIGH IN FOLIC ACID-800 MCG
VEGETARIAN-VEGAN
NERVE HEALTH*

Vitamin B-12 is a water-soluble vitamin necessary for the maintenance of a healthy nervous system and for the metabolic utilization of fats and proteins.* Vitamin B-12 is also essential for the synthesis of DNA during cell division and therefore is especially important for rapidly multiplying cells, such as blood cells.* In addition, adequate intake of vitamin B-12, along with folic acid and vitamin B-6, encourages healthy serum homocysteine levels, thereby supporting cardiovascular health.*

Because vitamin B-12 is found predominantly in animal products, strict vegetarians are at risk of developing vitamin B-12 deficiency and may benefit from supplementation.

This product is also formulated with the entire B-complex family of vitamins, which work together to support cellular energy production.*

Supplement Facts

Serving Size 1 Teaspoon (5 mL)

Servings Per Container about 24

	Amount Per Serving	% Daily Value
Calories	10	
Total Carbohydrate	3 g	1%**
Thiamin (Vitamin B-1) (from Thiamin HCl)	3 mg	250%

BIOTIN 5,000 MCG

Glucose Metabolism Support*

CODE: P0471
90 VEG CAPSULES

NORMAL GLUCOSE METABOLISM*
HEALTHY HAIR, SKIN & NAILS*

Biotin is a water-soluble vitamin necessary for cell growth, the production of fatty acids, and the metabolism of fats and amino acids.* It also plays key roles in gluconeogenesis and fatty acid synthesis, and is therefore critical for maintaining proper glucose and lipid metabolism.* Biotin is also known to be important for healthy skin, hair, and nails.*

Supplement Facts

Serving Size 1 Veg Capsule

	Amount Per Serving	% Daily Value
Biotin	5 mg (5,000 mcg)	16,667%

Other ingredients: Rice Flour, Hypromellose (cellulose capsule), Stearic Acid (vegetable source) and Silicon Dioxide.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients.

FLUSH-FREE NIACIN

Energy Production*

CODE: P0498
90 VEG CAPSULES

500 MG
HEXANICOTINATE FORM / FLUSH-FREE
VEGETARIAN FORMULA

Niacin is a water-soluble B vitamin whose main role is to serve as a precursor for two essential biochemical coenzymes, NAD and NADP.* These two co-factors participate in virtually every aspect of energy production and metabolic processes.* NAD helps break down carbohydrates, fats, and proteins to produce energy.* Niacin is critical for DNA replication and repair.* Inositol hexanicotinate is a stable, non-flushing source of niacin. This superior source of niacin works to reduce the common "niacin flush" associated with high dose niacin supplements.

Serving Size 1 Veg Capsule

	Amount Per Serving	% Daily Value
Niacin (Vitamin B-3) (from 640 mg of Inositol Hexanicotinate)	500 mg	3125%
Inositol (from 640 mg of Inositol Hexanicotinate)	135 mg	†

† Daily Value not established.

Other ingredients: Hypromellose (cellulose capsule), Stearic Acid (vegetable source), Rice Flour and Silicon Dioxide.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or tree nut ingredients.

Inositol hexanicotinate is a stable, non-flushing source of niacin. This superior source of niacin works to reduce the common "niacin-flush" problems associated with high doses of niacin supplements.

METHYL-ACTION

Healthy Aging*

NEW
UNIQUE
FORMULA!

CODE: P0499
90 VEG CAPSULES

B COMPLEX WITH TRIMETHYLGLYCINE
METHYLATION SUPPORT*
HELPS MAINTAIN HOMOCYSTEINE LEVELS ALREADY
WITHIN THE NORMAL RANGE*

Methyl-Action is formulated to support essential methylation with B-vitamins in their active forms.* Healthy methylation is vital for normal homocysteine metabolism.* Maintaining normal homocysteine levels promotes neurological, cardiovascular, eye, and bone health.*

Supplement Facts

Serving Size 2 Veg Capsules
Servings Per Container 45

	Amount Per Serving	% Daily Value
Riboflavin (Vitamin B-2) (from Riboflavin-5-Phosphate Sodium)	25 mg	1923%
Vitamin B-6 (from Pyridoxal-5-Phosphate Monohydrate)	25 mg	1471%
Folate [from Quatrefolic® (6S)-5-MTHF** 588 mcg (6S)-5-MTHF**] [from Quatrefolic® (6S)-5-MTHF** Glucosamine Salt]	1,000 mcg DFE	250%
Vitamin B-12 (as Methylcobalamin)	1,000 mcg	41,667%
Trimethylglycine (TMG) (Betaine Anhydrous)	1,000 mg	†

† Daily Value not established.

Other ingredients: Hypromellose (cellulose capsule), Microcrystalline Cellulose, Stearic Acid (vegetable source) and Silicon Dioxide.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients.

**MTHF = Methyltetrahydrofolate

METHYL B₁₂

Neurological & Cardiovascular Health*/Energy Production*

CODE: P0495 / 100 LOZENGES / 1,000 MCG
 CODE: P0496 / 60 LOZENGES / 5,000 MCG
 CODE: P0497 / 60 LOZENGES / 10,000 MCG

HEALTHY HOMOCYSTEINE METABOLISM*
 SUPPORTS HEALTHY NERVOUS SYSTEM*
 CELLULAR ENERGY PRODUCTION*
 NERVE HEALTH*

Vitamin B₁₂ has the largest and most complex chemical structure of all the vitamins. Most of its functions are related to its coenzyme activity, such as enzymes required for the production of DNA during cell division, as well as for the proper disposal of homocysteine.* B₁₂ is also necessary for the maintenance of a healthy nervous system.*

Protocol For Life Balance® offers three different potencies of this essential vitamin – 1,000, 5,000 and 10,000 mcg – in a highly absorbable lozenge form.

1,000 MCG / 100 LOZENGES / P0495

Supplement Facts

Serving Size 1 Lozenge

	Amount Per Serving	% Daily Value
Vitamin B ₁₂ (as Methylcobalamin)	1 mg (1,000 mcg)	41,667%

Other ingredients: Fructose, Sorbitol, Hydroxypropyl Cellulose, Stearic Acid (vegetable source), Microcrystalline Cellulose, Citric Acid, Natural Flavors and Magnesium Stearate (vegetable source).

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or tree nut ingredients.

5,000 MCG + 400 MCG FOLIC ACID
 60 LOZENGES / P0496

Supplement Facts

Serving Size 1 Lozenge

	Amount Per Serving	% Daily Value
Folate (400 mcg (6S)-5-MTHF** [from Quatrefolic® (6S)-5-MTHF** Glucosamine Salt])	680 mcg DFE	170%
Vitamin B-12 (as Methylcobalamin)	5 mg (5,000 mcg)	208,333%

Other ingredients: Fructose, Sorbitol, Hydroxypropyl Cellulose, Microcrystalline Cellulose, Citric Acid, Stearic Acid (vegetable source), Natural Flavors and Magnesium Stearate (vegetable source).

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or tree nut ingredients.

Quatrefolic® is a registered trademark of Gnosis S.p.A. and protected by U.S. Patent 7,947,662.

**MTHF = Methyltetrahydrofolate

10,000 MCG / 60 LOZENGES / P0497

Supplement Facts

Serving Size 1 Lozenge

	Amount Per Serving	% Daily Value
Vitamin B ₁₂ (as Methylcobalamin)	10 mg (10,000 mcg)	416,667%

Other ingredients: Xylitol, Sorbitol, Cellulose, Citric Acid, Stearic Acid (vegetable source) and Natural Flavors.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or tree nut ingredients.

NUTRI-DOSE™ B-12 10,000 MCG PORTABLE LIQUID VIALS

Energy*

CODE: P0453 (BOX OF 12)
 12 : 15 ML (0.5 FL. OZ.) VIALS

10,000 MCG OF VITAMIN B-12 & COMPLETE LIQUID B-COMPLEX

NO ADDED SUGARS - SWEETENED WITH XYLITOL & ERYTHRITOL

NO ARTIFICIAL COLORS

NATURAL FLAVOR BLEND OF RASPBERRY, STRAWBERRY & CHERRY

VIAL DELIVERY SYSTEM

VEGETARIAN-VEGAN

These convenient liquid vials are perfect for an on-the-go, high potency source of B-12.* Nutri-Dose™ B-12 10,000 mcg is a convenient and palatable formula quickly absorbed by the body, delivering rapid, energizing nutrition.*

B vitamins are essential components in many major metabolic reactions as they play an important role in energy production, including the metabolism of lipids, carbohydrates, and proteins.*

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or sesame ingredients.

PANTETHINE 300 MG

Healthy Lipid Metabolism*

CODE: P0487
 60 SOFTGELS

SUPPORTS HEALTHY SERUM LIPIDS ALREADY WITHIN HEALTHY RANGE*
 BIOLOGICALLY ACTIVE FORM OF VITAMIN B₅*

Pantethine, a biologically active form of pantothenic acid (Vitamin B₅), is the precursor of coenzyme A (CoA) and acyl-carrier protein (ACP), which are both essential cofactors in the metabolism of carbohydrates, lipids, and amino acids.*

Pantethine has been shown to promote liver and vascular health through its ability to support healthy lipid metabolism in these tissues.* Clinical and non-clinical studies suggest that pantethine can support healthy serum lipid levels that are already within the normal range.*

Supplement Facts

Serving Size 1 Softgel

Amount Per Serving	
Pantethine (Coenzyme A Precursor)	300 mg**

** Daily Value not established.

Other ingredients: Softgel Capsule [bovine gelatin (BSE-free), glycerin, water, carob], Rice Bran Oil, Sunflower Lecithin and Beeswax.

Not manufactured with yeast, wheat, gluten, soy, milk, egg, fish or shellfish ingredients.

C-1000 CAPS

Vitamin C / Immune Support*

CODE: P0690

120 VEG CAPSULES

WITH BIOFLAVONOIDS & RUTIN
ANTIOXIDANT POWER OF VITAMIN C*

Vitamin C is an essential nutrient well known for its support of healthy immune system function.* As a powerful antioxidant, it can protect the body's structures from oxidative damage generated by cellular metabolism.* Vitamin C plays an important role in a number of metabolic functions, including the regeneration of vitamin E and the activation of folic acid.* Because vitamin C is a critical cofactor in the formation of collagen, it helps maintain the connective tissue that supports skin, bones, teeth, and arterial walls.*

Supplement Facts

Serving Size 1 Veg Capsule

	Amount Per Serving	% Daily Value
Vitamin C (as Ascorbic Acid)	1 g (1,000 mg)	1111%
Citrus Bioflavonoid Complex	100 mg	†
Rutin Powder (from <i>Sophora japonica</i> Flower Bud)	25 mg	†

† Daily Value not established.

Other ingredients: Hypromellose (cellulose capsule), Stearic Acid (vegetable source), Magnesium Stearate (vegetable source) and Silicon Dioxide.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients.

C-1000 + ZINC-15

Vitamin C / Immune Support*

CODE: P1120

120 VEG CAPSULES

SEASONAL SUPPORT FORMULA*
ANTIOXIDANT PROTECTION*

C-1000 + Zinc-15 combines vitamin C with zinc for powerful immune system support.* This product utilizes TRAACS™ Zinc Bisglycinate, a form of zinc that has been shown in clinical studies to have superior bioavailability compared to other forms of supplemental zinc.

Supplement Facts

Serving Size 1 Veg Capsule

	Amount Per Serving	% Daily Value
Vitamin C (as Ascorbic Acid)	1 g (1,000 mg)	1111%
Zinc (from 75 mg Zinc Bisglycinate) (Albion™)	15 mg	136%

Other ingredients: Hypromellose (cellulose capsule), Hydroxypropyl Cellulose, Stearic Acid (vegetable source) and Silicon Dioxide.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients.

Albion™ is a trademark of Balchem Corporation or its subsidiaries.

PROTOSORB™ C 500

Vitamin C / Immune Support*

CODE: P0716

100 VEG CAPSULES

ANTIOXIDANT PROTECTION OF VITAMIN C*
BUFFERED, NON-ACIDIC / ENHANCED CELLULAR ABSORPTION*

ProtoSorb™ C is a unique formulation featuring Transport C-PLUS® Threonic Acid, which has been shown to enhance uptake of vitamin C.* This buffered, non-acidic vitamin C supplement also contributes alpha-lipoic acid, a free radical scavenger known to help regenerate both vitamin C and glutathione in the body.* Studies suggest that alpha-lipoic acid may further promote the body's utilization of vitamin C, by activating uptake into cells via the glucose transport pathways.* Bioflavonoids also participate at the cellular level to create a well-absorbed, highly biologically available vitamin C supplement.* Vitamin C is required for the synthesis of collagen, a structural component of blood vessels, tendons, ligaments, and bone.*

Supplement Facts

Serving Size 1 Veg Capsule

	Amount Per Serving	% Daily Value
Vitamin C (from Threonic Acid Enhanced Buffered Calcium Ascorbate)	500 mg	556%
Calcium (from Buffered Calcium Ascorbate)	60 mg	5%
Transport C-PLUS® (Trademarked blend of Threonic Acid Enhanced Buffered Calcium Ascorbate and Alpha Lipoic Acid)	650 mg	†
Alpha Lipoic Acid	40 mg	†
Citrus Bioflavonoid Complex	100 mg	†
Acerola Powder (<i>Malpighia punicifolia</i>) (Fruit)	25 mg	†
Rose Hips Powder (<i>Rosa canina</i>) (Fruit)	25 mg	†
Rutin Powder (<i>Sophora japonica</i>) (Flower Bud)	25 mg	†

† Daily Value not established.

Other ingredients: Hypromellose (cellulose capsule), Microcrystalline Cellulose, Stearic Acid (vegetable source), Magnesium Stearate (vegetable source) and Silica.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or tree nut ingredients.

GLUCOSE BALANCE™

Blood Sugar Support*

CODE: P3318

90 VEG CAPSULES

SPECIALIZED FORMULA FOR GLUCOSE MANAGEMENT*
WITH CHROMEMATE® & GLUCOFIT®

Glucose Balance™ has GlucoFit®, a dietary ingredient extracted from the herb banaba (*Lagerstroemia speciosa*). GlucoFit®'s active component, corosolic acid, has been scientifically shown to support healthy glucose levels already within the normal range.* Glucose Balance™ also features the clinically validated ingredient ChromeMate® (biologically active niacin-bound chromium), which enhances chromium utilization and has been shown to support healthy glucose metabolism.* This product also includes magnesium, thiamin, pantothenic acid, and biotin, as well as the herb *Gymnema sylvestre*, for their well-known roles in the support of glucose metabolism.*

Supplement Facts

Serving Size 1 Veg Capsule

	Amount Per Serving	% Daily Value
Thiamin (from Thiamin HCl) (Vitamin B-1)	8 mg	667%
Biotin	1 mg (1,000 mcg)	3,333%
Pantothenic Acid (from Calcium Pantothenate)	8 mg	160%
Magnesium (from Magnesium Oxide and Citrate)	67 mg	16%
Chromium (ChromeMate®) (from Chromium Polynicotinate)	133 mcg	380%
GlucoFit® (from <i>Lagerstroemia speciosa</i> Extract) (Banaba) (Leaf) (min. 18% Corosolic Acid)	1.5 mg	†
<i>Gymnema sylvestre</i> Extract (Leaf) (GS4 PLUS®) (min. 25% Gymnemic Acid)	67 mg	†
L-Glutamine (Free-Form)	167 mg	†
Alpha Lipoic Acid	15 mg	†
Vanadium (from Vanadium Amino Acid Chelate)	167 mcg	†

† Daily Value not established.

Other ingredients: Hypromellose (cellulose capsule), Rice Flour and Stearic Acid (vegetable source).

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients.

GLUCOSE MANAGEMENT WITH BERBERINE HCL

Blood Sugar Support*

CODE: P4600
90 SOFTGELS

SUPPORTS GLUCOSE AND LIPID LEVELS ALREADY WITHIN THE NORMAL RANGE*

OPTIMAL BERBERINE ABSORPTION AND GI TOLERABILITY

Berberine is a natural constituent of herbs such as goldenseal, Oregon grape, and barberry. Clinical studies have demonstrated that berberine helps to support already normal glucose and lipid metabolism.* Berberine is, however, known for its limited bioavailability; therefore, this product includes caprate (C10, a medium-chain triglyceride) to promote optimal absorption and maintenance of gastrointestinal comfort during berberine supplementation.*

Supplement Facts

Serving Size 1 Softgel

	Amount Per Serving	% Daily Value
Calories	5	
Total Fat	0.5 g	< 1%*
Saturated Fat	0.5 g	3%*
Berberine HCl (from <i>Berberis aristata</i> bark)	400 mg	†
MCT (Medium Chain Triglycerides) Oil	700 mg	†
Capric Acid (C10) (from MCT Oil)	238 mg	†

* Percent Daily Values are based on a 2,000 calorie diet.
† Daily Value not established.

Other ingredients: Softgel Capsule (bovine gelatin, glycerin, water, caramel color), Beeswax and Sunflower Lecithin.

Not manufactured with yeast, wheat, gluten, soy, milk, egg, fish or shellfish ingredients.

NATUROKINETICS®(NK) is a compilation of scientific data that details how nutrients and natural substances are absorbed, distributed, metabolized by and eliminated from the body. Protocol For Life Balance® products are fully tested in our cGMP inspected facilities to meet or exceed label claims.

7-KETO® LEANGELS™

Body Composition*

CODE: P3022
60 SOFTGELS

HEALTHY WEIGHT MANAGEMENT* WITH CLA, GREEN TEA EXTRACT & RHODIOLA

7-Keto-DHEA is a natural metabolite of dehydroepiandrosterone (DHEA) that peaks in early adulthood and declines with age.* 7-KETO® has been clinically shown to support healthy fat distribution and assist in the maintenance of a healthy weight when used alongside a healthy diet and exercise regimen.* In addition, 7-KETO® LeanGels™ combines 7-KETO® with green tea extract, acetyl-L-carnitine, and rhodiola extract to support cellular fat transport.*

 CODE: P2235 / NET VOL. 16 FL. OZ. (473 ML) (ORGANIC)

WEIGHT MANAGEMENT*
 METABOLIC SUPPORT*
 VEGETARIAN-VEGAN

MCTs (medium-chain triglycerides) are fats that are metabolized differently than most dietary fats.* Unlike longer-chain triglycerides, MCTs require little or no enzymatic breakdown and are easily absorbed across the wall of the small intestine and delivered straight to the liver where they can be used directly for energy production (instead of being stored as fat).* In essence, they act similarly to carbohydrates, but without the requirement of insulin and with no effect on blood sugar.*

Studies have demonstrated that MCT oil consumption along with a healthy diet can help to maintain a healthy body weight, while sparing lean tissue.*

CARDIO TRI-PLEX™

Cardiovascular Health*

CODE: P1675
 120 SOFTGELS

RED YEAST RICE / CoQ10 / OMEGA-3 FISH OIL
 CARDIOVASCULAR SUPPORT*

Red yeast rice (RYR) is a natural product that has been used by Asian traditional herbalists for centuries. It is produced by fermenting red yeast (*Monascus purpureus*) with rice. The red yeast rice in Protocol For Life Balance® Cardio Tri-Plex™ is carefully produced to avoid the presence of citrinin, an unwanted by-product of RYR fermentation process. This product is further enhanced with the addition of CoQ10 and omega-3 fish oil to support healthy cardiovascular function.*

SUPPORTS HEALTHY HEART MUSCLE*
PROMOTES CELLULAR ENERGY PRODUCTION*

Coenzyme Q10, also called ubiquinone, is present in almost all cells, where it is necessary for mitochondrial energy production.* The body's highest concentrations of coenzyme Q10 (CoQ10) are found in the heart, where constant chemical energy availability is imperative.*

In addition to its benefits for cardiac function through energy production, CoQ10 also functions as a powerful fat soluble free radical scavenger, providing protection against free radical attack for vascular structures, as well as for other tissues.*

Protocol For Life Balance® CoQ10 is a Pharmaceutical Grade natural, all-trans form produced by fermentation.

GARLIC 5000

CODE: P1814
90 TABLETS

5,000 MCG OF ALLICIN
ODOR CONTROLLED
ENTERIC COATED
VEGETARIAN-VEGAN

This garlic product is standardized to yield alliin and alliin precursors, which convert to alliin when ingested. It is enteric coated so that this conversion occurs in the upper intestine for optimal absorption, while it avoids the release of garlic's pungent odor in the stomach. Alliin precursor levels are achieved through a special process that keeps garlic's moisture low. This process maintains alliin precursors while preserving all of the natural goodness of whole fresh garlic. Enjoy the benefits of this odor-controlled garlic tablet!

Odor-Controlled Garlic (<i>Allium sativum</i>) (Bulb) (min. 5,000 mcg Alliin potential per tablet)	500 mg*

* Daily Value not established.

Other ingredients: Microcrystalline Cellulose, Enteric Coating, Croscarmellose Sodium, Stearic Acid (vegetable source), Magnesium Stearate (vegetable source) and Silicon Dioxide.

Not manufactured with yeast, wheat, gluten, soy, milk, egg, fish, shellfish or tree nut ingredients.

NATTOKINASE

Cardiovascular Health*

CODE: P3140
60 VEG CAPSULES

2,000 FUs OF ACTIVITY
CARDIOVASCULAR HEALTH*
HELPS MAINTAIN NORMAL BLOOD FLOW*
VEGETARIAN-VEGAN

Nattokinase is an enzyme isolated from natto, a traditional Japanese fermented soy food that has been consumed for thousands of years for its numerous health promoting properties.* More recently, both clinical and non-clinical studies have demonstrated that nattokinase can promote heart and circulatory health by helping to maintain normal blood fluidity.* Each serving of Protocol For Life Balance® non-GMO nattokinase has 2,000 FU (Fibrinolytic Units) for the maintenance of proper blood flow.*

Supplement Facts

Serving Size 1 Veg Capsule

Amount Per Serving

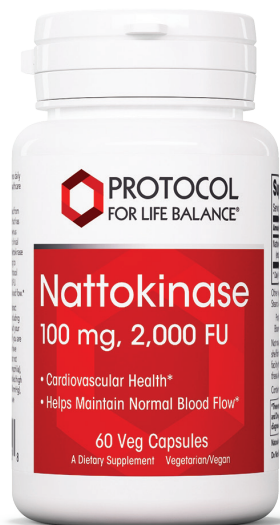

Nattokinase (2,000 FU) 100 mg*
(enzyme from Natto Extract) (Non-GMO soy derived)

* Daily Value not established.

Other ingredients: Cellulose Powder, Cellulose (capsule), Stearic Acid (vegetable source) and Silica. Contains soy.

Not manufactured with wheat, gluten, milk, egg, fish, shellfish or tree nut ingredients.

Contains no Vitamin K.

RED YEAST RICE EXTRACT

Cardiovascular Health*

CODE: P3500
90 VEG CAPSULES

MADE WITH CERTIFIED ORGANIC RED YEAST RICE
600 MG
VEGETARIAN FORMULA

Red yeast rice is a natural product that has been used by Asian traditional herbalists since approximately 800 A.D. Produced by fermenting red yeast (*Monascus purpureus*) with white rice, red yeast rice is commonly used in cooking applications to enhance the color and flavor of foods.

Protocol For Life Balance® Red Yeast Rice Extract is carefully produced to avoid the presence of citrinin, an unwanted by-product of the fermentation process.

Supplement Facts

Serving Size 2 Veg Capsules
Servings Per Container 45

Amount Per Serving

Organic Red Yeast Rice 1.2 g (1,200 mg)*
(*Monascus purpureus*)

* Daily Value not established.

Other ingredient: Vegetable Polysaccharide (capsule).

Certified Organic by QAI.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or tree nut ingredients.

RED YEAST RICE PLUS

Cardiovascular Health*

CODE: P3321
90 VEG CAPSULES

WITH CoQ10, MILK THISTLE & ALPHA-LIPOIC ACID
CARDIOVASCULAR SUPPORT*
SUPPORTS LIVER FUNCTION*

Red yeast rice (RYR) is a natural product that has been used by Asian traditional herbalists for centuries and is produced by fermenting red yeast (*Monascus purpureus*) with rice. It is commonly used in cooking to enhance the color and flavor of foods. Red Yeast Rice Plus includes alpha-lipoic acid and CoQ10 for free radical protection, as well as silymarin to support healthy liver function.* CoQ10 is also known for its cardiovascular supporting properties.*

This product is carefully produced to avoid the presence of citrinin, an unwanted byproduct of RYR fermentation process.

Supplement Facts

Serving Size 2 Veg Capsules Servings Per Container 45

Amount Per Serving

Organic Red Yeast Rice 1.2 g (1,200 mg)*
(*Monascus purpureus*)
Milk Thistle Extract 210 mg*
(*Silybum marianum*) (Fruit/Seeds) (Standardized to
168 mg Silymarin Flavonoids - equivalent 80%)
Alpha-Lipoic Acid 100 mg*
CoQ10 (Coenzyme Q10) (as Ubiquinone) 60 mg*

* Daily Value not established.

Other ingredients: Cellulose (capsule), Stearic Acid (vegetable source) and Silica.

Not manufactured with wheat, gluten, soy, corn, milk, egg, fish, shellfish or tree nut ingredients.

Natural *trans*-form of CoQ10.

D-RIBOSE POWDER

Cardiovascular Health*

CODE: P2147
NET WT. 8 OZ. (227 G)

ENERGY PRODUCTION AND STORAGE*
SUPPORTS HEALTHY HEART FUNCTION*
PURE POWDER

Ribose is a pentose sugar found in all living cells and is a structural component of nucleotides such as DNA, RNA, and ATP.* ATP is the ultimate source of energy for all cells and is necessary for all muscle movement.* Ribose has been clinically researched for its role in the support of adenosine triphosphate (ATP) production within skeletal muscle and for the maintenance of healthy cardiac energy metabolism.* These studies indicate that ribose can help to sustain ATP production in these vital tissues.*

D-GLUCARATE 500 MG**

Detoxification Support*

CODE: P3097
90 VEG CAPSULES

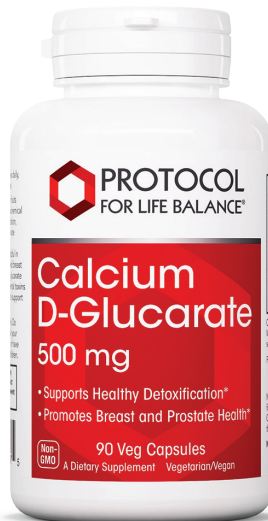

SUPPORTS HEALTHY DETOXIFICATION*
PROMOTES BREAST AND PROSTATE HEALTH*

Naturally found in certain fruits and vegetables, calcium-d-glucarate is a biochemical compound that supports healthy glucuronidation, a natural process in which normal cells eliminate microscopic waste and the by-products of detoxification.* In this way it is especially helpful in promoting cellular health in liver, prostate and breast tissues.* Taken as a supplement, calcium-d-glucarate encourages elimination of typical environmental toxins and normal hormone metabolites through its support of healthy detoxification mechanisms.*

Supplement Facts		
Serving Size 1 Veg Capsule		
	Amount Per Serving	% Daily Value

WITH ARTICHOKE & DANDELION

LIVER SUPPORT FORMULA*

Studies abroad and in the U.S. have indicated that the constituents in silymarin may help to support healthy liver function.*

Milk thistle (*Silybum marianum*) has been used by traditional herbalists for centuries. Silymarin, an extract of milk thistle, is composed of a family of flavonoids, including silybin, with smaller amounts of silydianin and silychristin. Milk thistle has been shown to support the production of glutathione by the liver.* Studies indicate that the constituents in silymarin may help to support healthy liver function.* This vegetarian formula also includes extracts of artichoke & dandelion for additional support.

EYE HEALTH SUPPORT*
MOLECULARLY DISTILLED & ENTERIC COATED

DHA (docosahexaenoic acid) is recognized as a physiologically essential nutrient in the brain where it is required in high concentrations for facilitating optimal mental performance (neuronal functioning) and in the retina where it is critical for visual acuity.* DHA exerts its most crucial functions at the level of the cell membrane, where it is known to significantly affect many of its basic properties including fluidity, permeability, and interactions with key signaling and regulatory molecules.* The natural fish oil concentrate used in this softgel is tested to be free of potentially harmful levels of contaminants (i.e., mercury and other heavy metals, PCBs, dioxins, and other contaminants). Those who experience nausea or reflux from other fish oils should find this enteric-coated, odor-controlled softgel easier to tolerate.

Supplement Facts

Serving Size 1 Softgel

	Amount Per Serving	% Daily Value
Calories	10	
Total Fat	1 g	1%**
Polyunsaturated Fat	1 g	†
Natural Fish Oil Concentrate	1 g (1,000 mg)	†
Omega-3 Fatty Acids:		
Docosahexaenoic Acid (DHA)	500 mg	†

FLAX SEED OIL 1,000 MG

Fatty Acids

CODE: P1770
120 SOFTGELS

CARDIOVASCULAR SUPPORT*
MADE WITH CERTIFIED ORGANIC FLAX OIL
COLD PRESSED & UNREFINED / 1,000 MG

Flax seed oil has an abundance of alpha-linolenic acid an omega-3 fatty acid that can be converted into eicosapentaenoic acid (EPA). Omega-3 fatty acids are essential nutrients that are poorly represented in the modern diet. These important fatty acids help to support a healthy and balanced immune system, are important for cardiovascular health, and promote the maintenance of healthy skin.* This flax seed oil has been cold processed to be as close to the original seed oil composition as possible. Care has been taken to bring this product to market in softgels, a delivery form that hermetically seals the oil and protects it from oxidation and contamination. No preservatives, additives, bleaches, or fillers are used with this oil.

Supplement Facts

PHOSPHOLIPID-BOUND OMEGA-3
SUPPORTS JOINT HEALTH*

Krill oil is known for its unique fatty acid (FA) profile, which includes EPA and DHA, plus phospholipids. In addition, krill oil naturally has astaxanthin, a powerful free radical scavenger and immune-supporting carotenoid.* Clinical studies have shown that NKO® krill oil can help to support joint comfort, healthy blood lipid levels already within normal range, and may help to maintain healthy feminine balance.* The phospholipid-bound forms of EPA and DHA from krill oil have also demonstrated exceptionally high bioavailability.*

OMEGA 3-6-9 1,000 MG

Fatty Acids

CODE: P1835
100 SOFTGELS

ESSENTIAL FATTY ACIDS
BLEND OF FIVE NUTRITIONAL OILS
HEXANE FREE

Omega 3-6-9 is a blend of flax seed, evening primrose, canola, black currant and pumpkin seed oils. This product combines these well-known nutritional oils with balanced proportions of omega-3, omega-6 and omega-9 fatty acids. The omega-3, alpha-linolenic acid (ALA), and the omega-6, GLA, play important roles in the maintenance of healthy skin and immune system function.* Dietary oleic acid, a monounsaturated omega-9 fatty acid, has been associated with healthy cardiovascular function.*

Fish oil is product of Peru, Morocco, Mauritania, South Africa.

Not manufactured with yeast, wheat, gluten, soy, corn, milk, egg, shellfish or sesame ingredients.

ALPHA-LIPOIC ACID

250 / 600 MG

Healthy Aging*

CODE: P3042 / 90 VEG CAPSULES / 250 MG
CODE: P3046 / 90 VEG CAPSULES / 600 MG

SUPPORTS GLUTATHIONE PRODUCTION*
UNIVERSAL FREE RADICAL QUENCHER*
VEGETARIAN-VEGAN

Alpha-lipoic acid (ALA) is naturally produced in the human body in very small amounts, but is also available in some foods. ALA is unique in that it can function in both aqueous (water) and lipid (fat) environments, which allows it to easily cross biological membranes to exert its actions.* ALA is known to recycle vitamins C and E and some other free radical quenchers, extending their activities.* ALA also supports glutathione production, participates in healthy glucose metabolism, helps to support healthy neural tissues, and promotes healthy vascular function.*

ALA 250 MG / 90 VEG CAPSULES / P3042

Supplement Facts

Serving Size 1 Veg Capsule

Amount Per Serving	
Alpha-Lipoic Acid	250 mg**

** Daily Value not established.

Other ingredients: Rice Flour, Hypromellose (cellulose capsule), Stearic Acid (vegetable source) and Silicon Dioxide.

Not manufactured with wheat, gluten, soy, corn, milk, egg, fish, shellfish or tree nut ingredients.

Serving Size 1 Softgel		
	Amount Per Serving	% Daily Value
Calories	5	
Natural Astaxanthin (from <i>Haematococcus pluvialis</i> Extract) (AstaReal®)	10 mg	†

† Daily Value not established.

Other ingredients: Organic Extra Virgin Olive Oil, Softgel Capsule [bovine gelatin (BSE-free), glycerin, water] and Mixed Tocopherols (from sunflower/rapeseed oil).

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or sesame ingredients.

AstaReal® is a registered trademark of Fuji Chemical Industries Co., Ltd.

12 MG / 60 SGELS / P2253

Supplement Facts		
Serving Size 1 Veggie Softgel		
	Amount Per Serving	% Daily Value
Astaxanthin (from <i>Haematococcus pluvialis</i> Extract) (AstaReal®)	12 mg	†

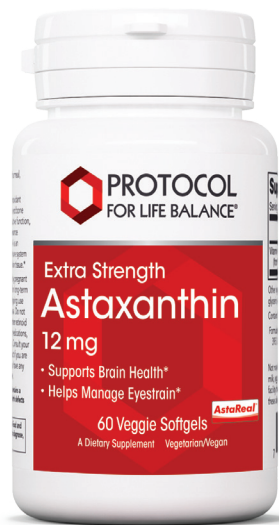

† Daily Value not established.

Other ingredients: Vegetarian Softgel Capsule [modified corn starch (non-GMO), glycerin, water, carrageenan, sorbitol], Organic Extra Virgin Olive Oil, d-alpha Tocopherol (from sunflower seed oil) and Mixed Tocopherols (from rapeseed/sunflower seed oil).

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or sesame ingredients.

This extra strength product has more Astaxanthin (12 mg per softgel) than our regular strength product (10 mg per softgel).

AstaReal® is a registered trademark of Fuji Chemical Industries Co., Ltd.

EGCG / GREEN TEA EXTRACT

Healthy Aging*

CODE: P4704
90 VEG CAPSULES

SUPPORTS CELLULAR HEALTH*
200 MG EGCG / 80% CATECHINS

Green tea has been extensively studied and researchers have found its active constituents to be a family of polyphenols called catechins.* One catechin in particular, epigallocatechin-3-gallate (EGCG) has demonstrated extraordinary free radical quenching power in laboratory studies.* One capsule of Protocol For Life Balance® EGCG possesses the phytonutrient content equal to about 2-3 cups of green tea.

Supplement Facts	
Serving Size 1 Veg Capsule	
Amount Per Serving	
Green Tea Extract (<i>Camellia sinensis</i>) (Leaf) (Standardized Extract) [min. 80% Total Catechins and 50% EGCG (Epigallocatechin Gallate) (200 mg)] (up to 4 mg of naturally occurring caffeine)	400 mg**
Decaffeinated Green Tea (<i>Camellia sinensis</i>) (Leaf)	50 mg**

** Daily Value not established.

Other ingredients: Hypromellose (cellulose capsule), Microcrystalline Cellulose, Stearic Acid (vegetable source) and Silicon Dioxide.

Not manufactured with yeast, wheat, gluten, soy, milk, egg, fish, shellfish or tree nut ingredients.

GLUTATHIONE 500 MG

Healthy Aging*/Detoxification*

CODE: P0104
60 VEG CAPSULES

REDUCED ACTIVE FORM
FREE RADICAL PROTECTION*
WITH MILK THISTLE EXTRACT & ALPHA-LIPOIC ACID

Glutathione is a small peptide molecule composed of three amino acids: glutamic acid, cysteine, and glycine. It is synthesized by every cell of the body for the proper detoxification of metabolic waste products and is essential for healthy immune system function.* Glutathione also plays a critical role in the body's defense system against oxidative stress by acting directly to neutralize free radicals, as well as by maintaining the activity of vitamins C and E.* This product has glutathione in its reduced, active form for optimum bioavailability and includes milk thistle extract and alpha-lipoic acid as complementary ingredients.*

Supplement Facts	
Serving Size 1 Veg Capsule	
Amount Per Serving	
Glutathione (Reduced Form)	500 mg**
Milk Thistle Extract (<i>Silybum marianum</i>) (Fruit/Seeds) (Standardized to 80 mg Silymarin Flavonoids - equivalent 80%)	100 mg**
Alpha Lipoic Acid	50 mg**

** Daily Value not established.

Other ingredients: Hypromellose (cellulose capsule), Microcrystalline Cellulose, Magnesium Stearate (vegetable source) and Silicon Dioxide.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients.

Our glutathione is a high quality material manufactured to rigorous standards. The term "reduced" refers to the non-oxidized stable form of glutathione.

GRAPE SEED OPC

Healthy Aging*/Cardiovascular Support*

CODE: P3274
90 VEG CAPSULES

90% POLYPHENOLS INCLUDING OPCs (OLIGOMERIC PROANTHOCYANIDINS)
CARDIOVASCULAR HEALTH*
POWERFUL FREE RADICAL SCAVENGER*

Grape Seed OPC is a highly concentrated natural extract with a minimum of 90% polyphenols, including OPCs (oligomeric proanthocyanidins), the powerful free radical scavenger compounds found in grape seeds.* Grape seed extract and OPCs have been the subject of numerous scientific studies demonstrating their efficacy in the support of cardiovascular health.* In addition, preliminary studies have shown that grape seed extract may protect healthy brain and nerve tissues.*

Supplement Facts	
Serving Size 1 Veg Capsule	
Amount Per Serving	
Grape Seed Extract (<i>Vitis vinifera</i>) (min. 90% Total Polyphenols)	250 mg**
Amla Extract (Fruit) (<i>Phyllanthus emblica</i>)	60 mg**
Rutin Powder (from <i>Sophora japonica</i> Flower Bud)	50 mg**

** Daily Value not established.

Other ingredients: Hypromellose (cellulose capsule), Stearic Acid (vegetable source) and Silicon Dioxide.

Not manufactured with yeast, wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients.

EXTRA STRENGTH PQQ

Healthy Aging*

CODE: P3073

50 VEG CAPSULES

40 MG PQQ WITH 200 MG ALPHA-LIPOIC ACID
MITOCHONDRIAL SUPPORT*

Pyroloquinoline quinone (PQQ) is a B vitamin-like compound that not only helps to protect mitochondria from free radicals, it also promotes the production of new mitochondria within cells.* Mitochondria are the parts of the cell that produce energy. While all cells have them, the heart and brain are especially dense with mitochondria due to their high energy demands. PQQ may thus help to maintain robust cellular energy production, support heart health, and promote normal cognitive function.* Extra Strength PQQ includes alpha-lipoic acid to complement its free radical scavenging abilities.*

Supplement Facts

Serving Size 1 Veg Capsule

Amount Per Serving

PQQ (Pyroloquinoline Quinone) (as PQQ disodium salt)	40 mg**
Alpha-Lipoic Acid	200 mg**

** Daily Value not established.

Other ingredients: Rice Flour, Hypromellose (cellulose capsule), Stearic Acid (vegetable source) and Silicon Dioxide.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients.

This extra strength product has twice the PQQ (40 mg per capsule) as in our regular strength product (20 mg per capsule).

PQQ COMPLEX

Healthy Aging*

CODE: P3168

30 VEG CAPSULES

MITOCHONDRIAL HEALTH*
WITH CoQ₁₀ & ACETYL-L-CARNITINE

PQQ Complex is formulated for the support of optimal mitochondrial health and energy production.* PQQ (pyroloquinoline quinone) is a vitamin-like nutrient that activates cell signaling pathways directly related to cellular energy production.* PQQ also promotes the formation of new mitochondria within cells and helps to protect mitochondria from free radicals generated during normal cellular respiration.* PQQ Complex includes CoQ₁₀ and acetyl-L-carnitine, two nutrients that also play critical roles in mitochondrial energy production.*

Supplement Facts

Serving Size 1 Veg Capsule

	Amount Per Serving	% Daily Value
Vitamin B-12 (as Methylcobalamin)	1,000 mcg	41,667%
PQQ (Pyroloquinoline Quinone) (as PQQ disodium salt)	20 mg	†
Acetyl-L-Carnitine (from Acetyl-L-Carnitine HCl)	200 mg	†
Coenzyme Q ₁₀ (CoQ ₁₀)	30 mg	†

† Daily Value not established.

Other ingredients: Hypromellose (cellulose capsule), Microcrystalline Cellulose, Stearic Acid (vegetable source) and Silicon Dioxide.

Not manufactured with wheat, gluten, soy, corn, milk, egg, fish, shellfish or tree nut ingredients.

RESVERATROL

Healthy Aging*/Cardiovascular Support*

CODE: P3353

60 VEG CAPSULES

200 MG TRANS-RESVERATROL
FREE RADICAL SCAVENGER*
CARDIOVASCULAR SUPPORT*
VEGETARIAN-VEGAN

Resveratrol is a polyphenol that is naturally found in the skin of red grapes, certain berries, and other plants. Recent research has shown that resveratrol can support healthy cardiovascular function through its ability to suppress reactive oxygen species, as well as through its ability to promote a healthy response to biological stress.* In addition, some studies indicate that resveratrol may help to maintain a healthy cardiovascular function.*

Supplement Facts

Serving Size 1 Veg Capsule

Amount Per Serving

Polygonum cuspidatum Extract (Root/Rhizome) (Japanese Knotweed) (trans-Resveratrol - 200 mg)	400 mg**
Red Wine Extract (Alcohol-Free) (<i>Vitis vinifera</i>) (Fruit) (Standardized for Polyphenols)	10 mg**

** Daily Value not established.

Other ingredients: Hypromellose (cellulose capsule), Microcrystalline Cellulose, Maltodextrin (non-GMO), Magnesium Stearate (vegetable source) and Silicon Dioxide.

Contains sulfites.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients.

A-BIOTIC™

Immune Support*

CODE: P1811
60 SOFTGELS

WITH GARLIC EXTRACT

WITH OLIVE LEAF EXTRACT, ELDERBERRY & OREGANO OIL

A-Biotic™ is a botanical formula with garlic designed to support healthy immune system function.* Garlic has been used for centuries by traditional herbalists. The A-Biotic™ formula also includes elderberry concentrate, standardized olive leaf extract, ImmunEnhancer™ (a proprietary larch extract), oregano, and rosemary oils.

Supplement Facts

Serving Size 1 Softgel

	Amount Per Serving	% Daily Value
Calories	5	
Elderberry (<i>Sambucus nigra</i>) (Fruit/Berry) (50:1 Concentrate) (Equivalent to 2,500 mg)	50 mg	†
Olive Leaf Extract (<i>Olea europaea</i>) (min. 18% Oleuropein)	40 mg	†
Garlic Extract (<i>Allium sativum</i>) (Bulb)	40 mg	†
Oregano Oil (<i>Origanum vulgare</i>) (min. 55% Carvacrol)	40 mg	†
ImmunEnhancer™ [Arabinogalactan from Larch Tree (<i>Larix laricina</i>)]	10 mg	†
Rosemary Oil (<i>Rosmarinus officinalis</i>)	5 mg	†

† Daily Value not established.

Other ingredients: Softgel Capsule [bovine gelatin (BSE-free), glycerin, enteric coating, water, carob], Rice Bran Oil, Beeswax and Soy Lecithin.

Not manufactured with wheat, gluten, milk, egg, fish or shellfish ingredients.

ImmunEnhancer™ is a trademark of Lonza.

A-BIOTIC IMMUNE+

Immune Support*

CODE: P1818
60 SOFTGELS

SEASONAL IMMUNE SUPPORT*

WITH VITAMINS C & D, ZINC, GARLIC & OLIVE LEAF EXTRACTS

- New, extended version of our best-selling A-Biotic™. Both products give excellent seasonal support for immune function.*
- Has double the amount of carvacrol, the active ingredient in oregano oil. This is highly potent and only from the species *Origanum vulgare*, the preferred form of oregano oil. Ours is steam distilled from wild-crafted oregano from Eastern Europe. We specify a minimum 60% carvacrol in our oregano oil and recent lots have had as high as 75% carvacrol content.
- Contains 100 mg vitamin C per softgel and 1,000 IU (25 mcg) vitamin D
- Contains 6 mg zinc as highly absorbable glycinate form. We are completely transparent in our labeling of minerals; we fully disclose the total zinc glycinate (37.5 mg) as well as elemental zinc potency (6 mg per softgel). Our zinc glycinate is also specifically manufactured by the world's leading quality mineral source, Albion Laboratories.
- Has 50 mg of garlic extract per softgel, or 25% more than in our regular A-Biotic™. The garlic active allicin is the origin of the name A-Biotic™.
- Has 50 mg of standardized olive leaf extract with a minimum of 18% oleuropein. This is also 25% more than in our regular A-Biotic™.
- It also has the same great North American larch tree extract, ImmunEnhancer™, a proprietary ingredient made only by the global giant Lonza. Also known as ResistAid®, this ingredient is an arabinogalactan with immune supporting properties.*

Other ingredients: Softgel Capsule [bovine gelatin (BSE-free) glycerin, vegetarian enteric coating (ethyl cellulose, sodium alginate, ammonium hydroxide, MCT (medium-chain triglycerides), oleic acid, stearic acid), water, organic caramel color], Organic Extra Virgin Olive Oil, Beeswax and Sunflower Lecithin.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or sesame ingredients.

CORDYCEPS 750 MG

Immune Support*

CODE: P3005
90 VEG CAPSULES

HEALTHY IMMUNE SUPPORT*

FREE RADICAL SCAVENGER*

Cordyceps sinensis is a fungus that has been used by traditional Chinese herbalists for its energizing and adaptogenic properties for centuries.* Cordyceps has numerous bioactive compounds, including polysaccharides and nucleosides, which have been studied for their broad range of biological activities.* Modern scientific studies have shown that cordyceps constituents possess free radical scavenging properties and suggest that they may also support a healthy immune system and promote normal vascular function.*

Supplement Facts

Serving Size 2 Veg Capsules
Servings Per Container 45

Amount Per Serving	
Organic Cordyceps (<i>Cordyceps sinensis</i>) (Mycelium)	1.5 g (1,500 mg)**

** Daily Value not established.

Other ingredients: Hypromellose (cellulose capsule), Microcrystalline Cellulose and Stearic Acid (vegetable source).

Not manufactured with yeast, wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients.

MYCEL IMMUNE PLUS™

Immune Support*

CODE: P3055
90 VEG CAPSULES

HEALTHY IMMUNE SYSTEM RESPONSE*
MUSHROOM BLEND WITH ASTRAGALUS EXTRACT

Mycel Immune Plus™ is a combination of our specialized mushroom blend and astragalus extract that has been specifically formulated to support a healthy immune system.* Our potent blend of eight “super” mushrooms has been optimized for bioactive polysaccharides that are characteristic of mushrooms, known as beta-glucans.* Mushroom beta-glucans have been studied for their remarkable ability to support a balanced immune system response.* Astragalus has been included to complement the immune-supporting properties of our unique blend of mushrooms.*

Supplement Facts

Serving Size 1 Veg Capsule

Amount Per Serving

Organic Mycelial Biomass and Mushroom Blend	200 mg**
[Blend of King Trumpet (<i>Pleurotus eryngii</i>), Turkey Tail (<i>Trametes versicolor</i>), <i>Cordyceps militaris</i> , Reishi (<i>Ganoderma lucidum</i>), <i>Agaricus blazei</i> , Lion's Mane (<i>Hericium erinaceus</i>), Maitake (<i>Grifola frondosa</i>) and <i>Antrodia camphorata</i>] (Cultured on organic oat substrate) (Has naturally occurring Polysaccharides)	
Astragalus Root Extract	200 mg**
(<i>Astragalus membranaceus</i>) (min. 70% Polysaccharides)	

** Daily Value not established.

Other ingredients: Hypromellose (cellulose capsule), Microcrystalline Cellulose, Cassava Maltodextrin, Ascorbyl Palmitate and Silicon Dioxide.

Not manufactured with yeast, wheat, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients.

SAMBUCUS BLACK ELDERBERRY LIQUID

Potent, Free Radical Scavenging Anthocyanins*

CODE: P4852
NET VOL. 8 FL. OZ.

10:1 CONCENTRATE
500 MG PER TEASPOON

Black elderberry (*Sambucus nigra*) fruit has a long history of use as a tonic in traditional European herbal systems.* Black elderberries are known to possess a variety of natural compounds that help to maintain health and well-being, such as potent, free radical-scavenging anthocyanins, and other beneficial nutrients.*

Protocol For Life Balance® Sambucus Black Elderberry Liquid Concentrate is a non-GMO supplement formulated with a 10:1 elderberry concentrate that delivers 500 mg per teaspoon serving.

Supplement Facts

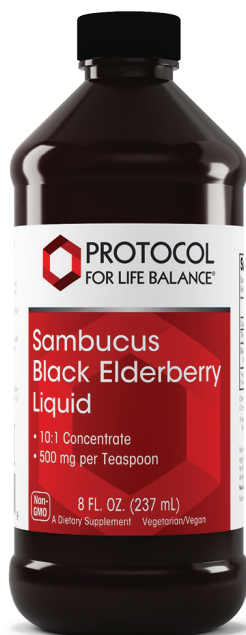

Serving Size 1 Teaspoon (5 mL)
Servings Per Container about 47

	Amount Per Serving	% Daily Value
Calories	15	
Total Carbohydrate	4 g	1%*
Black Elderberry (<i>Sambucus nigra</i>) (Fruit) (10:1 Concentrate)	500 mg	†

* Percent Daily Values are based on a 2,000 calorie diet.
† Daily Value not established.

Other ingredients: Vegetable Glycerin, De-ionized Water, Citric Acid and Potassium Sorbate (as preservative).

Not manufactured with yeast, wheat, gluten, soy, milk, egg, fish or shellfish ingredients.

SERRAPEPTASE

60,000 Units of Activity

CODE: P2973
60 VEG CAPSULES

HEALTHY IMMUNE FUNCTION*
PROMOTES RESPIRATORY HEALTH*

Serrapeptase (serratiopeptidase) is a protein-digesting enzyme isolated from the friendly bacterium *Serratia marcescens*.* Studies indicate that serrapeptase is absorbed intact from the digestive tract and that it acts systemically to support healthy immune system functions and promote the body's normal healing processes.* Some evidence suggests that serrapeptase may support respiratory health by helping to maintain normal mucus secretions.*

Supplement Facts

Serving Size 1 Veg Capsule

Amount Per Serving

Serrapeptase	33 mg**
(60,000 Serratiopeptidase Units)	

** Daily Value not established.

Other ingredients: Rice Bran, Microcrystalline Cellulose and Hypromellose (cellulose capsule).

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or tree nut ingredients.

ACHE ACTION™

Joint, Bone, Muscle Health*

CODE: P3122

120 VEG CAPSULES

FOR OCCASIONAL MINOR ACHEs & PAINS OF OVEREXERTION*

ADVANCED FORMULA WITH APRÈSFLEX®

Ache Action™ is a blend of complementary herbs that may help to support a healthy response to normal physiological stress.* Maintenance of a normal balance of key immune mediators has been shown to play a key role in healthy cardiovascular function, as well as in joint health.* By helping to support a balanced response to these signals, the herbal components of Ache Action™ may assist in the maintenance of healthy joints and may help to relieve occasional minor pain resulting from overexertion or stress.*

Supplement Facts

Serving Size 2 Veg Capsules Servings Per Container 60

Amount Per Serving	
Willow Bark Extract (<i>Salix spp.</i>) (min. 14% Salicin)	400 mg**
Ginger Root Extract (<i>Zingiber officinale</i>) (min. 5% Gingerols)	250 mg**
AprèsFlex® - <i>Boswellia serrata</i> Extract (Indian Frankincense) (Gum Resin) [Standardized to 10 mg 3-O-Acetyl-11-Keto-β-Boswellic Acid (AKBA)]	53 mg**

** Daily Value not established.

Other ingredients: Microcrystalline Cellulose, Hypromellose (cellulose capsule), Stearic Acid (vegetable source) and Silicon Dioxide.

Not manufactured with yeast, wheat, gluten, soy, milk, egg, fish, shellfish or tree nut ingredients.

BONE SUPPORT FORMULA

Joint, Bone, Muscle Health*

CODE: P1228
180 CAPSULES

MCHA FOR BONE & TEETH STRUCTURE*
WITH ADDITIONAL MINERALS FOR
COMPREHENSIVE SUPPORT*

Microcrystalline hydroxyapatite (MCHA) is a natural compound that makes up the crystalline matrix of bone and teeth, and is the substance that gives them their rigidity.* MCHA is a source of highly absorbable calcium and phosphorus, which are the major mineral components of bone.* It also contains magnesium and trace minerals, as well as vitamins C, D and K₂ to aid in the synthesis and maintenance of bone tissue.*

Supplement Facts

Serving Size 4 Capsules Servings Per Container 45

	Amount Per Serving	% Daily Value
Calories	5	
Protein (from MCHA and Amino Acid Chelates)	1 g	
Vitamin C (from Magnesium Ascorbate)	133 mg	148%
Vitamin D ₃ (as Cholecalciferol)	16.68 mcg (667 IU)	83%
Thiamin (Vitamin B1) (from Thiamin HCl)	3 mg	250%
Calcium (from MCHA)	620 mg	48%
Phosphorus (from MCHA)	287 mg	23%
Magnesium (from Magnesium Oxide and Ascorbate)	400 mg	95%
Zinc (from Zinc Amino Acid Chelate)	7 mg	64%
Copper (from Copper Amino Acid Chelate)	0.7 mg	78%
Manganese (from Manganese Amino Acid Chelate)	2 mg	87%
Horsetail Herb (<i>Equisetum arvense</i>) (Aerial Parts)	67 mg	†
Boron (from Boron Amino Acid Chelate)	467 mcg	†
Vitamin K ₂ (as Menaquinone-4) (MK-4)	67 mcg	†

† Daily Value not established.

Other ingredients: Bovine Gelatin (BSE-free) (capsule), Magnesium Stearate (vegetable source), Silicon Dioxide, Glucosamine Potassium Sulfate Complex, Stearic Acid (vegetable source) and Microcrystalline Cellulose.

Contains shellfish (crab, shrimp, lobster, crayfish).

MCHA = Microcrystalline Hydroxyapatite

Not manufactured with wheat, gluten, soy, milk, egg or fish ingredients.

BOSWELLIA EXTRACT 500 MG

Joint, Bone, Muscle Health*

CODE: P4936
90 SOFTGELS

BALANCED IMMUNE RESPONSE*
65% STANDARDIZED EXTRACT IN MCT OIL BASE

Extracts from the gum resin of *Boswellia serrata* have been valued by Ayurvedic herbalists for centuries. Modern scientists have since discovered that boswellia and some of its constituents, including boswellic acids, can affect signaling cascades that mediate critical immune system functions.* Through these pathways, boswellia may support balanced immune system responses to typical everyday challenges, thus helping to naturally maintain normal, healthy tissues.*

Supplement Facts

Serving Size 1 Softgel

	Amount Per Serving	% Daily Value
Calories	5	
Total Fat	0.5 g	< 1%*
Boswellia Extract (<i>Boswellia serrata</i>) (Gum Resin) (min. 65% Organic Acids including Boswellic Acid)	500 mg	†

* Percent Daily Values are based on a 2,000 calorie diet.
† Daily Value not established.

Other ingredients: MCT Oil (medium-chain triglycerides), Softgel Capsule (bovine gelatin, glycerin, water, carob), Sunflower Lecithin and Beeswax.

MCT Oil from coconut/palm kernel oil.

Not manufactured with yeast, wheat, gluten, soy, milk, egg, fish or shellfish ingredients.

BROMELAIN

Joint, Bone, Muscle Health*

CODE: P2943
90 VEG CAPSULES

PROTEIN-DIGESTING ENZYME*
2400 GDU/G
500 MG

Bromelain is a proteolytic (protein digesting) enzyme derived from the pineapple plant.* It is functional throughout a wide pH range and does not lose its activity as it goes through the acidic environment of the stomach.* Scientific studies indicate that bromelain is highly bioavailable and may help to alleviate normal transient pain and discomfort associated with occasional overexertion.* This product has 500 mg of natural bromelain per capsule and is suitable for vegetarians.

Supplement Facts

Serving Size 1 Veg Capsule

Amount Per Serving

Bromelain (2400 GDU/g)† (from Pineapple) 500 mg*

* Daily Value not established.

Other ingredients: Cellulose (capsule), Rice Flour, Magnesium Stearate (vegetable source) and Silica.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or tree nut ingredients.

† Gelatin Digesting Units – a measure of proteolytic (protein digesting) activity.

CurcuFRESH™

Standardized Turmeric Root Juice

CODE: P4937
60 VEG CAPSULES

FROM FRESH TURMERIC JUICE
UP TO 40X BETTER BIOAVAILABILITY VS. STANDARD CURCUMIN EXTRACTS
VEGETARIAN-VEGAN

Curcumin from dried turmeric root is widely used but is well known for its poor solubility and bioavailability. CurcuFRESH™ is a curcumin preparation from fresh turmeric rhizome that is never dried or extracted using solvents. The resulting curcumin remains in its native complexed form and, when ingested, leads to dramatically higher circulating levels of the beneficial, unmetabolized, free curcuminoids – up to 40 times higher than what is expected from standard curcumin extracts.

Supplement Facts

Serving Size 1 Veg Capsule

Amount Per Serving

Standardized Turmeric Juice Powder 500 mg*
(Derived from Fresh Turmeric Rhizome Juice)
(*Curcuma longa*) (CurcuFRESH™)
(20 mg Total Curcuminoids)

* Daily Value not established.

Other ingredients: Hypromellose (cellulose capsule), Rice Flour, Stearic Acid (vegetable source), Silicon Dioxide and Magnesium Stearate (vegetable source).

Not manufactured with yeast, wheat, gluten, soy, corn, milk, egg, fish, shellfish or tree nut ingredients.

CurcuFRESH™ is a trademark of Akay USA LLC.

CURCUMIN 665 MG

Turmeric Root Extract

CODE: P4638
60 VEG CAPSULES

STANDARDIZED TURMERIC ROOT EXTRACT
95% CURCUMINOIDS

Curcumin is the principle bioactive constituent present in the roots of turmeric (*Curcuma longa*), a plant belonging to the ginger family. Turmeric has a long history of use in traditional Ayurvedic herbalism, and it has been extensively researched by modern scientists. This product is standardized to 95% curcuminoids, including curcumin, demethoxycurcumin, and bisdemethoxycurcumin.

Supplement Facts

Serving Size 1 Veg Capsule

Amount Per Serving

Turmeric Root Extract (*Curcuma longa*) 665 mg*
[Standardized to min. 95% Curcuminoids (630 mg)
(including Curcumin, Demethoxycurcumin and
Bisdemethoxycurcumin)]

* Daily Value not established.

Other ingredients: Hypromellose (cellulose capsule), Calcium Laurate and Silicon Dioxide.

Not manufactured with yeast, wheat, gluten, soy, milk, egg, fish, shellfish or tree nut ingredients.

CURCUMIN PC

Joint, Health*

CODE: P4642
60 VEG CAPSULES

BIO-ENHANCED TURMERIC ROOT EXTRACT
SUPPORT FOR HEALTHY JOINTS*
INCREASED BIOAVAILABILITY
POWERFUL FREE RADICAL SCAVENGER*

Curcumin, the active component in turmeric, has been demonstrated to support joint mobility and flexibility.* It is known to be a potent free radical scavenger and supports balanced immune system function responses to normal metabolic stress.* However, due to its limited bioavailability, curcumin typically requires high dosage. Curcumin PC is a unique form of curcumin complexed with phosphatidyl choline that clinically demonstrates curcuminoid absorption that is 29 times higher than a standard curcumin mixture.

Supplement Facts

Serving Size 1 Veg Capsule

Amount Per Serving

Curcumin Phytosome	500 mg**
(Turmeric Rhizome Extract (<i>Curcuma longa</i>)/Phosphatidyl Choline Complex) (Meriva® Turmeric Phytosome) (Standardized to min. 18% Curcuminoids - 90 mg)	

** Daily Value not established.

Other ingredients: Rice Flour, Hypromellose (cellulose capsule), Microcrystalline Cellulose, Magnesium Stearate (vegetable source) and Silicon Dioxide.

Not manufactured with yeast, wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients.

IRON

Essential Mineral

CODE: P1444
90 VEG CAPSULES

FERROCHEL™ IRON FOR SUPERIOR BIOAVAILABILITY*
HIGH POTENCY
36 MG

Iron is a necessary component of hemoglobin, a protein that transports oxygen to the body's tissues, and of myoglobin, which stores oxygen for use in muscle tissues.* Because it is required for electron transport in mitochondria, normal iron status is critical for energy production and body temperature regulation.* Immune system function and neurological health are also affected by iron status.* This product features Ferrochel™, a form of iron that has clinically demonstrated superior bioavailability and is unlikely to cause GI distress or constipation.*

Supplement Facts

Serving Size 1 Veg Capsule

	Amount Per Serving	% Daily Value
Iron (elemental) (from 180 mg Ferrous Bisglycinate) (Ferrochel™)	36 mg	200%

Other ingredients: Rice Flour, Cellulose (capsule), Stearic Acid (vegetable source) and Silica.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or tree nut ingredients.

Ferrochel™ is a registered trademark of Albion Laboratories, Inc.

MAGNESIUM CITRATE

Essential Mineral

CODE: P1290
100 TABLETS

CARDIOVASCULAR SUPPORT*
CRITICAL FOR ENZYME FUNCTION*
NERVOUS SYSTEM SUPPORT*

Magnesium is a mineral that is essential for a wide range of fundamental cellular functions; it is a cofactor in at least 300 different enzymatic reactions.* Magnesium is well known for its role in healthy cardiovascular function through its involvement in the body's maintenance of normal blood pressure and heart rhythm.* Magnesium also contributes significantly to bone formation and mineralization.* It plays a critical role in the regulation of muscle contraction and nerve activity through its influence on cell membrane permeability, as well as by helping to maintain the charge balance of bodily fluids.* In addition, magnesium is essential for the production of cellular energy from the metabolism of carbohydrate and fat.*

Supplement Facts

Serving Size 2 Tablets
Servings Per Container 50

	Amount Per Serving	% Daily Value
Magnesium (from 2,667 mg Magnesium Citrate)	400 mg	95%

Other ingredients: Hydroxypropyl Cellulose, Microcrystalline Cellulose, Vegetarian Coating, Stearic Acid (vegetable source), Croscarmellose Sodium and Magnesium Stearate (vegetable source).

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or sesame ingredients.

This magnesium citrate is a fully reacted mineral supplement.

MAGNESIUM CITRATE PLUS GLYCINATE & MALATE FORMS

CODE: P1298
180 SOFTGELS

Supplement Facts

Serving Size 3 Softgels
Servings Per Container 60

	Amount Per Serving	% Daily Value

Total Fat	2 g	3%**
Magnesium (from Magnesium Citrate, Magnesium Glycinate and Magnesium Malate)	400 mg	95%

**Percent Daily Values are based on a 2,000 calorie diet.

Other ingredients: Rice Bran Oil, Softgel Capsule [bovine gelatin (BSE-free), glycerin, water], Beeswax and Sunflower Lecithin

Not manufactured with wheat, gluten, soy, milk, egg, fish or shellfish ingredients.

SELENIUM 200 MCG

Essential Mineral

CODE: P1485
90 VEG CAPSULES

L-SELENOMETHIONINE
VEGETARIAN FORMULA
HIGH BIOAVAILABILITY

Selenium is an essential trace mineral that is necessary for the production of the enzyme glutathione peroxidase, a potent free radical scavenger.* Selenium is important for endocrine health and is especially critical for proper thyroid and prostate function.* It is also known to support the maintenance of normal immune system function and colon health.* This product is in its naturally-occurring form and is appropriate for vegetarians.

Supplement Facts

Serving Size 1 Veg Capsule

	Amount Per Serving	% Daily Value
Selenium (elemental) (from 40 mg L-Selenomethionine)	200 mcg	364%

Other ingredients: Rice Flour, Hypromellose (cellulose capsule) and Stearic Acid (vegetable source).

Not manufactured with yeast, wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients.

ZINC GLYCINATE

Essential Mineral

CODE: P1554
120 SOFTGELS

SUPPORTS HEALTHY IMMUNE FUNCTION*
REPRODUCTIVE HEALTH*
SUPERIOR BIOAVAILABILITY
30 MG ALBION® TRAACS® ZINC

Zinc is an essential mineral that is involved in many aspects of cellular metabolism.* Zinc is a key cofactor in hundreds of enzymatic reactions and plays a critical role in protein synthesis, the maintenance of cellular structures, and cell signaling.* Because of these varied functions, zinc is necessary for the maintenance of skeletal, neurological, reproductive, and immune system health.* Although dietary bioavailability of zinc is relatively poor, zinc glycinate has been shown to achieve superior absorption and bioavailability.

Supplement Facts

Serving Size 1 Softgel

	Amount Per Serving	% Daily Value
Zinc (from 150 mg Zinc Bisglycinate) (TRAACS®)	30 mg	273%
Pumpkin Seed Oil (Cold-Pressed)	250 mg	†

† Daily Value not established.

Other ingredients: Softgel Capsule (bovine gelatin, glycerin, water, carob), Beeswax and Soy Lecithin.

Not manufactured with wheat, gluten, milk, egg, fish or shellfish ingredients.

U.S. Patent 7,838,042 and patents pending, and the trademark TRAACS® are used under license from Albion Laboratories, Inc.

5-HTP 100 / 200 MG

Mood*/Sleep*

CODE: P0105 / 90 VEG CAPSULES / 100 MG
CODE: P0108 / 60 VEG CAPSULES / 200 MG

NATURAL SOURCE
SUPPORTS POSITIVE MOOD*
PROMOTES HEALTHY SLEEP PATTERNS*
VEGETARIAN-VEGAN

5-HTP is the intermediate precursor in the natural synthesis of serotonin, a neurotransmitter that helps to regulate mood, appetite, and sleep/wake cycles.* 5-HTP readily crosses the blood-brain barrier, and clinical studies suggest that 5-HTP can support healthy serotonin levels.* Serotonin is associated with positive mood and provides a substrate for the production of melatonin.* 5-HTP is extracted from the bean of the African plant *Griffonia simplicifolia*, a natural vegetable source.

5-HTP 100 MG / 90 VEG CAPSULES / P0105

Supplement Facts

Serving Size 1 Veg Capsule

	Amount Per Serving
5-HTP (5-hydroxytryptophan) (from <i>Griffonia simplicifolia</i> Extract) (Seed)	100 mg*

* Daily Value not established.

Other ingredients: Rice Flour and Hypromellose (cellulose capsule).

Not manufactured with wheat, gluten, soy, corn, milk, egg, fish, shellfish or tree nut ingredients.

5-HTP 200 MG / 60 VEG CAPSULES / P0108

Supplement Facts

Serving Size 1 Veg Capsule

	Amount Per Serving	% Daily Value
Niacin (as Niacinamide) (Vitamin B-3)	20 mg	125%
Vitamin B-6 (from Pyridoxine HCl)	2 mg	118%
5-HTP (5-hydroxytryptophan) (from <i>Griffonia simplicifolia</i> Extract) (Seed)	200 mg	†
Glycine (Free-Form)	100 mg	†
Taurine (Free-Form)	100 mg	†
Inositol	100 mg	†

† Daily Value not established.

Other ingredients: Hypromellose (cellulose capsule), Ascorbyl Palmitate and Silicon Dioxide.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or tree nut ingredients.

CLINICAL STRESS RELIEF WITH LACTIUM® & ASHWAGANDHA

Mood & Neurological Health*

CODE: P2375
60 VEG CAPSULES

MOOD & SLEEP SUPPORT*
SUPPORT FOR EVERYDAY STRESS*

Clinical Stress Relief features Lactium®, a clinically tested milk protein derivative. Lactium® has been shown to support healthy cortisol levels and thus, can help to relieve the symptoms of stress from everyday life.* In addition, it can help to bring on sleep more quickly, maintain uninterrupted sleep, and promote better overall sleep quality.* Ashwagandha has been included as an "adaptogen", which helps the body adapt to typical daily stress.*

Supplement Facts

Serving Size 1 Veg Capsule

Amount Per Serving	
Casein Hydrolysate (Bioactive Milk Peptides) (Lactium®)	150 mg**
Ashwagandha Extract (<i>Withania somnifera</i>) (Root and Leaf) (min. 2.5% Total Withanolides)	300 mg**

** Daily Value not established.

Other ingredients: Hypromellose (cellulose capsule), Stearic Acid (vegetable source) and Silicon Dioxide. Contains milk.

Not manufactured with yeast, wheat, gluten, soy, egg, fish, shellfish, tree nut or sesame ingredients.

Lactium® is a registered trademark of Ingredia.

MELATONIN 3 / 10 / 20 MG

Sleep*/GI support*

CODE: P3258 / 120 LOZENGES / 3 MG
CODE: P3557 / 100 VEG CAPSULES / 10 MG
CODE: P3558 / 90 VEG CAPSULES / 20 MG

HEALTHY SLEEP CYCLE*
VEGETARIAN-VEGAN

Melatonin is a potent free radical scavenger naturally produced in the pineal gland and the GI tract.* It is involved in many of the regulatory processes of the body, including regulation of glandular secretory functions related to the maintenance of normal sleep/wake cycles, maintenance of GI health, and aspects of immune system function.* Supplemental melatonin has been shown to support healthy sleep patterns especially when travelling across time zones or for shift workers.*

3 MG + B-6 / 120 LOZENGES / P3258

Supplement Facts

Serving Size 1 Lozenge

	Amount Per Serving	% Daily Value
Vitamin B ₆ (from Pyridoxine HCl)	3 mg	176%
Melatonin	3 mg	†

† Daily Value not established.

Other Ingredients: Fructose, Microcrystalline Cellulose, Stearic Acid (vegetable source), Mannitol, Natural Peppermint Flavor, Sorbitol and Magnesium Stearate (vegetable source).

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients.

10 MG EXTRA STRENGTH / 100 VEG CAPSULES
/ P3557

Supplement Facts

Serving Size 1 Veg Capsule

Amount Per Serving	
Melatonin	10 mg**

**Daily Value not established.

Other Ingredients: Microcrystalline Cellulose, Hypromellose (cellulose capsule) and Stearic Acid (vegetable source)

Not manufactured with wheat, gluten, soy, corn, milk, egg, fish, shellfish, tree nut or sesame ingredients.

This Extra Strength Melatonin 10 mg has over three times the Melatonin as in our 3 mg product.

20 MG MAXIMUM STRENGTH / 90 VEG CAPSULES
/ P3558

Supplement Facts

Serving Size 1 Veg Capsule

Amount Per Serving	
Melatonin	20 mg**

** Daily Value not established.

Other ingredients: Magnesium Citrate, Microcrystalline Cellulose, Hypromellose (cellulose capsule) and Stearic Acid (vegetable source).

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients.

This Maximum Strength Melatonin 20 mg has twice the Melatonin as in our Extra Strength 10 mg product.

MYO-INOSITOL POWDER

Mood & Neurological Health*

CODE: P0529
NET WT. 1 LB. (454 G)

HEALTHY MOOD,
EMOTIONAL WELLNESS*

HEALTHY OVARIAN FUNCTION*

Inositol is a necessary component of all cellular membranes.* It is a member of the B-vitamin family that contributes to muscular and nerve function, and participates in the metabolism of fats in the liver.* Myo-inositol is the most abundant form of this nutrient, with its highest concentrations being found in the brain and central nervous system. Myo-inositol in particular is a versatile nutrient for the promotion of emotional and mental wellness, healthy eating patterns, and restful sleep through the critical role it plays in neurotransmitter messaging systems.* In addition, it is a critical nutritional element for the maintenance of ovarian health and blood sugar maintenance, especially in women.*

Supplement Facts

Serving Size 2 Level Teaspoons (approx. 6 g)
Servings Per Container about 76

Amount Per Serving	
Inositol Powder (Myo-Inositol)	6 g (6,000 mg)**

**Daily Value not established.

Other ingredients: None.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients.

This product is sold by weight not volume.

SAMe 200 / 400 MG

Mood & Neurological Health*/Joint Support*

CODE: P0127 / 60 VEG CAPSULES / 200 MG
CODE: P0141 / 60 TABLETS / 400 MG

NERVOUS SYSTEM SUPPORT*
SUPPORTS JOINT HEALTH*
STABILIZED FORM
NO ENTERIC COATING NEEDED

SAMe (S-adenosylmethionine), a compound native to the body, is a critical component of many biochemical reactions, including those that affect brain biochemistry and joint health.* Numerous studies have indicated that SAMe can help to alleviate transient normal aches and pains resulting from overexertion or stress.* In addition, because SAMe is also necessary for the synthesis of neurotransmitters, it plays an important role in the maintenance of a positive mood.*

200 MG / 60 VEG CAPSULES / P0127

Supplement Facts

Serving Size 1 Veg Capsule

Amount Per Serving	
SAMe (S-Adenosyl-L-Methionine) (from S-Adenosyl-L-Methionine Disulfate Tosylate)	200 mg**

** Daily Value not established.

Other ingredients: Hypromellose (cellulose capsule), Microcrystalline Cellulose, Silicon Dioxide and Stearic Acid (vegetable source).

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients.

400 MG / 60 TABLETS / P0141

Supplement Facts

Serving Size 1 Tablet

Amount Per Serving	
SAMe (S-Adenosyl-L-Methionine) (from S-Adenosyl-L-Methionine Disulfate Tosylate)	400 mg**

**Daily Value not established.

Other ingredients: Microcrystalline Cellulose, Stearic Acid (vegetable source), Pharmaceutical Glaze, Magnesium Stearate (vegetable source), Silicon Dioxide, Glycerin, Sodium Alginate and L-Arginine.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or sesame ingredients.

SCELETIUM EXTRACT NEW! AS ZEMBRIN®

Mood & Neurological Health*

CODE: P2396
60 VEG CAPSULES

CALM AND ALERTNESS*
WITH GABA

Zembrin® is an extract of *Scaletium tortuosum*, an herb traditionally used in South Africa for centuries to support emotional and mental well-being.* Modern clinical studies have demonstrated that Zembrin® can promote a feeling of calm while enhancing mental alertness.* In effect, it can help maintain emotional stability while enhancing certain cognitive functions, such as memory and mental flexibility.* Zembrin® may also help you get to sleep faster by promoting mental relaxation, but not drowsiness.*

Supplement Facts

Serving Size 1 Veg Capsule

Amount Per Serving

Zembrin® [<i>Scaletium tortuosum</i> (Aerial Parts) Extract]	25 mg**
GABA (Gamma-Aminobutyric Acid)	300 mg**

** Daily Value not established.

Other ingredients: Hypromellose (cellulose capsule), Maltodextrin (non-GMO), Stearic Acid (vegetable source), Ascorbyl Palmitate and Silicon Dioxide.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients.

PRE-NATAL MULTIVITAMIN WITH DHA

Multiple Vitamin, Mineral & Women's Health*

CODE: P3809
90 SOFTGELS

250 MG DHA PER SERVING TO SUPPORT HEALTHY EYE & BRAIN DEVELOPMENT*
PLUS BORAGE OIL (GLA)

Protocol For Life Balance® Prenatal Softgels with DHA offer a balanced blend of vitamins, minerals, and DHA specifically formulated for women during pregnancy and/or lactation. DHA is an essential fatty acid known to be critical during pregnancy and post-natal for the optimal development of your infant's eyes and brain.* Current research indicates an optimal average daily intake of at least 200 mg of DHA.

BRAIN REGAIN™

Neurological Health*

CODE: P3303
90 VEG CAPSULES

SUPPORTS HEALTHY COGNITIVE & NEUROLOGICAL FUNCTION*

WITH GINKGO BILOBA, ROSEOX® & PHOSPHATIDYL SERINE
VEGETARIAN-VEGAN

Although Eastern herbalists have relied on *Ginkgo biloba* for centuries, its biological activities have only more recently been identified. *Ginkgo biloba* is now recognized as a potent free radical scavenger that can support healthy vascular function.* Brain Regain™ also uses a complementary combination of RoseOx®, a standardized extract of rosemary, phosphatidyl serine, and other nutrients for the support of healthy neurological function.*

Supplement Facts

Serving Size 1 Veg Capsule

	Amount Per Serving	% Daily Value
Choline (from Choline Bitartrate)	50 mg	9%
Ginkgo Extract (<i>Ginkgo biloba</i>) (Leaf) (min. 24% Ginkgoflavonglycosides and 6% Ginkgolides)	60 mg	†
RoseOx® (Standardized Rosemary Leaf Extract) (<i>Rosmarinus officinalis</i>) (min. 6% Carnosic Acid)	25 mg	†
Phosphatidyl Serine	15 mg	†
Huperzine Complex (<i>Huperzia serrata</i>) (Moss)	25 mcg	†
L-Glutamine (Free-Form)	125 mg	†
Gotu Kola (<i>Centella asiatica</i>) (4:1 Extract) (Leaf)	125 mg	†

† Daily Value not established.

Other ingredients: Hypromellose (cellulose capsule), Rice Flour, Magnesium Stearate (vegetable source) and Silicon Dioxide.

Contains soy (phosphatidyl serine from soy lecithin) (non-GMO).

Not manufactured with wheat, gluten, milk, egg, fish, shellfish, tree nut or sesame ingredients.

RoseOx® is a registered trademark of Hauser Inc.

COGUMIN SLCP™

Neurological Health*

CODE: P2395
50 VEG CAPSULES

400 MG LONGVIDA® OPTIMIZED CURCUMIN COGNITIVE SUPPORT*

PENETRATES THE BLOOD-BRAIN BARRIER*
CIRCULATING FREE CURCUMIN

Curcumin has long been studied for its neurological support properties; however, it is also known to exhibit generally poor bioavailability, especially with respect to the brain.* Cogumin SLCP™ features Longvida® Optimized Curcumin, which utilizes Solid Lipid Curcumin Particle (SLCP™) Technology. SLCP™ allows for the absorption and circulation of free, unmetabolized curcumin, which is generally unavailable from generic or soluble forms of curcumin. SLCP™ allows free curcumin to penetrate the blood-brain barrier, where it helps to protect brain tissue from free radical attack and supports normal cognitive function.*

Supplement Facts

Serving Size 1 Veg Capsule

Amount Per Serving	
Longvida® Optimized Curcumin Extract (from <i>Curcuma longa</i> (Turmeric) Root) (Rhizome) (min. 20% Curcuminoids)	400 mg**

** Daily Value not established.

Other ingredients: Hypromellose (cellulose capsule), Magnesium Stearate (vegetable source), Silicon Dioxide, Rice Flour and Stearic Acid (vegetable source).

Contains soy.

Not manufactured with yeast, wheat, gluten, milk, egg, fish, shellfish, tree nut or sesame ingredients.

LONGVIDA® extract is patented under US 9192644 & EP 1993365 (other patents pending) and LONGVIDA® is a registered trademark of Verdure Sciences Inc. SLCP™ is a trademark of Verdure Sciences Inc.

GINKGO BILOBA

60/120 MG

Neurological Health*/Vascular Health*

CODE: P4683 / 100 VEG CAPSULES / 120 MG
CODE: P4686 / 60 VEG CAPSULES / 60 MG

24% / 6% STANDARDIZED EXTRACT

Ginkgo biloba is grown and extracted under the highest quality standards and is standardized to min. 24% ginkgoflavonglycosides and min. 6% terpene lactones, including ginkgolide B, ginkgolides A, C and bilobalide. A long history of traditional use and modern scientific research have indicated that ginkgo can help to promote optimal circulation and support brain health.*

120 MG + ELEUTHERO / 100 VEG CAPS / P4683

Supplement Facts

Serving Size 1 Veg Capsule

Amount Per Serving	
Ginkgo Extract (<i>Ginkgo biloba</i>) (Leaf) (50:1 Standardized Extract, min. 24% Ginkgoflavonglycosides and 6% Terpene Lactones)	120 mg**

MAGTEIN®

Neurological Health*

CODE: P2390

90 VEG CAPSULES

MAGTEIN® MAGNESIUM L-THREONATE DELIVERS MAGNESIUM TO THE NERVOUS SYSTEM* PROMOTES HEALTHY COGNITIVE FUNCTION* VEGETARIAN-VEGAN

Magnesium (Mg) is known to play a major role in cellular metabolism and is critical for normal nervous system function.* Recent research has demonstrated that Mg also helps to regulate neuronal synapse density and that availability of Mg in the brain is necessary for the stability and adaptability of these neuronal connections.* Magtein® (Magnesium L-Threonate) is a patented form of Mg that crosses the blood-brain barrier and is readily utilized in the brain.* Preclinical studies indicate that Magtein® may support healthy cognitive function, learning, and memory, and may promote a relaxed mood.*

Supplement Facts		
Serving Size 3 Veg Capsules		
Servings Per Container 30		
	Amount Per Serving	% Daily Value
Magnesium (elemental)	144 mg	34%
(from 2,000 mg Magtein® Magnesium L-Threonate)		
Magtein® (Magnesium L-Threonate)	2 g (2,000 mg)	†

† Daily Value not established.

Other ingredients: Hypromellose (cellulose capsule), Rice Flour, Stearic Acid (vegetable source) and Silicon Dioxide.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients.

MUCUNA EXTRACT

Neurological Health*

CODE: P3092

90 VEG CAPSULES

400 MG – MUCUNA EXTRACT NERVOUS SYSTEM SUPPORT* 15% NATURALLY OCCURRING L-DOPA

Mucuna is a legume widely used in traditional Ayurvedic herbalism. Mucuna is known to naturally possess the direct dopamine precursor, L-Dopa.* Dopamine is a neurotransmitter that helps to maintain normal brain and nervous system function and promotes a positive mood.* Unlike dopamine, L-Dopa can penetrate the blood-brain barrier and can be used by the brain to produce dopamine.* This product is standardized to a minimum of 15% L-Dopa.

Supplement Facts		
Serving Size 2 Veg Capsules		
Servings Per Container 45		
	Amount Per Serving	
Mucuna Extract (<i>Mucuna spp.</i>) (Seed) (min. 15% L-Dopa, naturally occurring)	800 mg**	
L-Dopa	120 mg**	

**Daily Value not established.

Other ingredients: Hypromellose (cellulose capsule), Microcrystalline Cellulose and Stearic Acid (vegetable source).

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients.

CLINICAL STRENGTH PHOSPHATIDYL SERINE

300 MG

Neurological Health*

CODE: P2392

50 SOFTGELS

COGNITIVE & NEUROLOGICAL SUPPORT* FACILITATES INTERCELLULAR COMMUNICATION*

Phosphatidyl serine (PS) is a naturally occurring phospholipid that is found in especially high concentrations in the cellular membranes of brain and nerve tissues.* PS supports neuronal membrane fluidity and facilitates intercellular communication for healthy neurocognitive function.* PS thus supports the normal utilization of neurotransmitters in the brain.* Research shows that PS supplementation can promote cognitive function and mental acuity.*

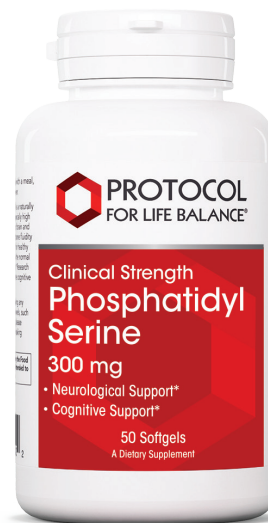

Supplement Facts

8 STRAINS & 4 BILLION CFU PER CAPSULE
SUPPORTS HEALTHY IMMUNE SYSTEM*
HEALTHY DIGESTION*
WITH FOS
DAIRY & GLUTEN FREE

Probiotic bacterial species are known to exist and thrive in the human digestive tract. These microorganisms assist in proper digestion, support detoxification, and are a necessary component of healthy immune system function.* Ortho Dophilus™ is a combination of scientifically tested strains of beneficial bacteria with FOS included to encourage their healthy growth.*

Supplement Facts

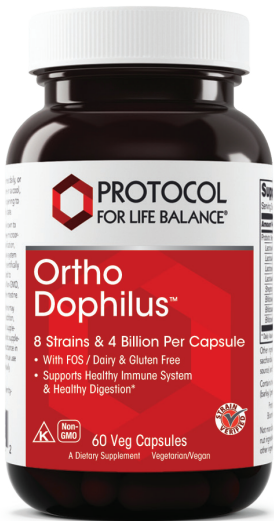

Serving Size 1 Veg Capsule	
Amount Per Serving	
Probiotic Blend of 8 Strains (4 Billion CFU):	370 mg**
<i>Lactobacillus acidophilus</i> (La-14), <i>Lactobacillus rhamnosus</i> (Lr-32), <i>Bifidobacterium lactis</i> (Bf-04), <i>Lactobacillus salivarius</i> (Ls-33), <i>Lactobacillus casei</i> (Lc-11), <i>Bifidobacterium longum</i> (Bl-05), <i>Streptococcus thermophilus</i> (St-21), <i>Bifidobacterium bifidum</i> (Bb-02)	
** Daily Value not established.	

Other ingredients: Hypromellose (cellulose capsule), FOS (Fructooligosaccharides), Ascorbic Acid and Magnesium Stearate (vegetable source).

Contains trace amounts of soy.

Not manufactured with wheat, gluten, milk, egg, fish, shellfish, tree nut or sesame ingredients.

The probiotic strains in this product have been identity-verified using DNA-fingerprinting technology.

Amount Per Serving

Blend of Probiotic Bacteria: 20 Billion CFU*
Bifidobacterium lactis (HN019),
Lactobacillus acidophilus (La-14),
Lactobacillus rhamnosus (HN001)

* Daily Value not established.

Other ingredients: Microcrystalline Cellulose, Hypromellose (cellulose capsule), Magnesium Stearate (vegetable source) and Silicon Dioxide.

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or tree nut ingredients.

The probiotic strains in this product have been identity verified using DNA-fingerprinting technology.

SACCHAROMYCES BOULARDII

Digestive Support*

CODE: P2933
60 VEG CAPSULES

FOR OCCASIONAL DIARRHEA*
SUPPORTS A HEALTHY BALANCE OF INTESTINAL FLORA*

SUPPORTS A HEALTHY INTESTINAL BARRIER*

The intestinal epithelium forms a continuous physical and functional barrier that protects the internal environment of the body from fluctuating external input. Various substances including dietary elements, gastrointestinal secretory products, and xenobiotics are known to disrupt this epithelial barrier, leading to the shedding of epithelial cells and the development of digestive upset and discomfort. *Saccharomyces boulardii* is a probiotic yeast that helps to support intestinal health by encouraging a balanced response by the intestinal epithelium, as well as through its effects on overall gut ecology.* *Saccharomyces boulardii* has been clinically shown to support gastrointestinal health during a disruption in the normal balance of gut flora.*

Supplement Facts

Serving Size 2 Veg Capsules
Servings Per Container 30

Amount Per Serving

Saccharomyces boulardii 1,000 mg**
(10 Billion CFU)
(*Saccharomyces cerevisiae* var. *boulardii* 1-3799)

** Daily Value not established.

Other ingredients: Hypromellose (cellulose capsule), Organic Inulin (FOS) (Fructooligosaccharides) and Guar Gum.

Not manufactured with wheat, gluten, soy, corn, milk, egg, fish, shellfish, tree nut or sesame ingredients.

The probiotic strain in this product has been identity-verified using DNA-fingerprinting technology.

ALLER-ALL™

Seasonal Sensitivity*

CODE: P3282
60 TABLETS

IMMUNE SYSTEM SUPPORT*
BALANCED IMMUNE RESPONSE*
VEGETARIAN-VEGAN

Aller-All™ is a well-balanced blend of vitamins, minerals, and botanicals. These nutrients are known for their ability to support the body's balanced response to environmental and seasonal antagonists.*

Aller-All™ combines quercetin, bromelain, and vitamin C to work together to support healthy respiratory structures and functions.* This combination is also known to support the body's normal response to typical seasonal challenges.*

Other ingredients, such as B vitamins, zinc, magnesium, and licorice root have been included to further support both the respiratory and immune systems.*

Supplement Facts

Serving Size 3 Tablets Servings Per Container 20

	Amount Per Serving	% Daily Value
Vitamin C (from Magnesium Ascorbate)	500 mg	556%
Vitamin B-6 (from Pyridoxine HCl)	20 mg	1176%

† Daily Value not established.

Other ingredients: Stearic Acid (vegetable source), Croscarmellose Sodium, Microcrystalline Cellulose, Hypromellose (cellulose), Vegetarian Coating, Silicon Dioxide and Magnesium Stearate (vegetable source).

Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish or tree nut ingredients.

L-OptiZinc® is a registered trademark of InterHealth Corp.

QUERCETIN PHOSPHOLIPID **NEW!**

Seasonal Sensitivity*

CODE: P3087
90 VEG CAPSULES

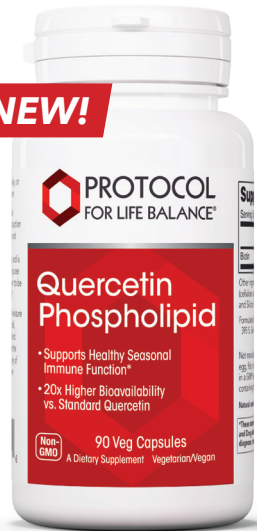

SUPPORTS HEALTHY SEASONAL IMMUNE
FUNCTION*
20X HIGHER BIOAVAILABILITY VS. STANDARD
QUERCETIN*

Quercetin is a naturally occurring free radical scavenger that supports a balanced immune system response in the face of seasonal immune challenges.* Clinical studies have demonstrated that it can also help to promote normal respiratory function and maintain comfortable breathing.* Quercetin may also help to enhance exercise performance and recovery and alleviate pain due to overexertion.* This quercetin phytosome is encased in a phospholipid sphere to make it up to 20 times more bioavailable than standard quercetin.*

Supplement Facts	
Serving Size 1 Veg Capsule	
Amount Per Serving	
Quercetin Phytosome	250 mg**
[from <i>Sophora japonica</i> Extract (Flower) and Sunflower Lecithin] (80 mg Quercetin)	
** Daily Value not established.	

Other ingredients: Microcrystalline Cellulose, Hypromellose (cellulose capsule), Potato Maltodextrin, Silicon Dioxide and Stearic Acid (vegetable source).

Not manufactured with yeast, wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients.

D-MANNOSE

Women's Health*

CODE: P2811 / 90 VEG CAPSULES
CODE: P2810 / POWDER NET WT. 3 OZ. (85 G)

CLEANSSES THE BLADDER*
SUPPORTS A HEALTHY URINARY TRACT*

D-mannose is a simple sugar that is taken up in the GI tract and rapidly excreted in the urine without affecting blood sugar regulation.*

D-mannose helps to support a normal environment within the bladder by maintaining a healthy mucosal lining and promoting proper elimination.* Clinical studies indicate that D-mannose can help to maintain normal urinary tract health when used regularly.*

500 MG / 90 VEG CAPSULES / P2811

PROGESTERONE CREAM

Women's Health*

CODE: P3338 / NET WT. 3 OZ. (85 G) UNSCENTED
CODE: P3346 / NET WT. 3 OZ. (85 G) LAVENDER

FROM WILD YAM
20 MG OF PROGESTERONE PER PUMP WITH
COMPLEMENTARY HERBS
NO ANIMAL TESTING / NO ARTIFICIAL COLORS
ARTIFICIAL FRAGRANCE FREE / PARABEN FREE /
GLUTEN FREE

Progesterone (pregn-4-ene-3, 20-dione) is a hormone normally produced predominantly in the ovaries. Progesterone is synthesized from pregnenolone, a derivative of cholesterol. Progesterone Cream contains progesterone from disogenin, extracted from wild yam, which is identical to human progesterone.

20 MG / UNSCENTED / 3 OZ. / P3338

Ingredients: Water (Aqua), Glycerol Stearate SE, Glycerin, Stearic Acid (vegetable source), Cetearyl Alcohol, Caprylic/Capric Triglyceride, Cetearyl Alcohol & Cetearyl Glucoside, Helianthus Annuus (Sunflower) Seed Oil, Simmondsia Chinensis (Jojoba) Seed Oil, Progesterone (USP Grade), Phenoxyethanol & Ethylhexylglycerin, Xanthan Gum, Rosmarinus Officinalis (Rosemary) Leaf Extract, Potassium Sorbate, Panthenol, Retinyl Palmitate (Vitamin A), Daucus Carota Sativa (Carrot) Seed Oil, Tocopherol (Vitamin E) (soy-free), Aloe Barbadensis Leaf Juice Powder*, Panax Ginseng Root Extract, Serenoa Serrulata (Saw Palmetto) Fruit Extract, Chamomilla Recutita (Matricaria) Flower Extract, Citric Acid, Cymbopogon Flexuosus (Lemongrass) Oil.

*Organic ingredient

20 MG / LAVENDER / 3 OZ. / P3346

Ingredients: Water (Aqua), Glycerol Stearate SE, Glycerin, Stearic Acid (vegetable source), Cetearyl Alcohol, Caprylic/Capric Triglyceride, Helianthus Annuus (Sunflower) Seed Oil, Simmondsia Chinensis (Jojoba) Seed Oil, Cetearyl Alcohol & Cetearyl Glucoside, Progesterone (USP Grade), Phenoxyethanol & Ethylhexylglycerin, Aroma Blend [Lavandula Angustifolia (Lavender) Oil*, Natural Vanilla Fragrance, Anthemis Nobilis (Chamomile) Flower Oil, Citrus Aurantium Bergamia (Bergamot) Fruit Oil], Rosmarinus Officinalis (Rosemary) Leaf Extract, Xanthan Gum, Potassium Sorbate, Panthenol, Retinyl Palmitate (Vitamin A), Tocopherol (Vitamin E) (soy-free), Aloe Barbadensis Leaf Juice Powder*, Serenoa Serrulata (Saw Palmetto) Fruit Extract, Chamomilla Recutita (Matricaria) Flower Extract, Citric Acid.

*Organic ingredient

For external use only.

Caution: Discontinue use if irritation or red skin develops, and consult your healthcare practitioner. Do not use if pregnant or lactating.

California Proposition 65 WARNING: These products contain progesterone, a chemical known to the State of California to cause cancer. Consult with your healthcare practitioner before using this product.

Naturokinetics®: why does it matter?

What is Naturokinetics®?

NATUROKINETICS® is a compilation of scientific data that details how nutrients and natural substances are absorbed (A), distributed (D), metabolized (M) by and eliminated (E) from the body. You can find more information about L-A-D-M-E on the Naturokinetics® page of our website.

Pharmacokinetics meets natural products

NATUROKINETICS® is based on the same scientific principles as pharmacokinetics, but customized for natural products that are non-drug, non-synthetic, and most of which are already part of a normal, healthy metabolism in the human body.

Why are we compiling Naturokinetics® data?

We spend the time gathering Naturokinetics® data for our products for two main reasons: first, it is important to understand how an ingredient is processed by the body to optimize our formulations and second, typically, it is not information readily available to the public. Therefore, by collecting and disseminating it to our customers, we believe that we are offering a unique service providing added value to our products.

Where to find Naturokinetics® data?

The L-A-D-M-E algorithm is incorporated in our products' technical sheets, which can be found on our website or by calling our Protocol For Life Balance® representatives.

Do we have examples of products formulated using Naturokinetics® data?

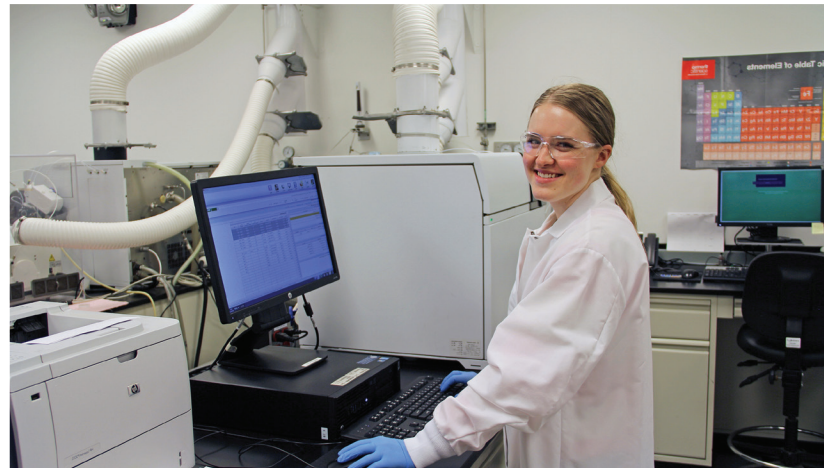

It is well known that some natural compounds are not very well absorbed. Curcumin and berberine are good examples of compounds that are not very well absorbed in their native forms.

In order to compensate for the inherent challenge of curcumin's bioavailability, our finished products use several proprietary forms of curcumin such as Meriva® (complexed with phosphatidylcholine), Longvida® (using SLCP technology™), and CurcuFRESH™ (native complexed form of curcumin) that have demonstrated, in clinical settings, that they have increased bioavailability when compared to standard curcumin extracts.

For berberine, we use medium chain triglyceride capric acid (C10) to promote optimal absorption.

These are just a couple examples showing that incorporating the information provided by L-A-D-M-E helps us create better products that will in turn help you create the most efficacious and nutritionally sound supplementation recommendations for your patients.

SCIENCE & AFFORDABILITY

THOUGHTFUL PRICING

Controlling healthcare costs is an important component of the care you provide to your patients. At Protocol For Life Balance® we understand this, and we price our products to be affordable for your patients without sacrificing quality. We leverage our long-standing relationships with ingredient suppliers to obtain outstanding pricing, and we purchase in bulk to maximize savings. Additionally, our state-of-the-art in-house laboratories afford us substantial savings on testing costs, which we pass on to you in the form of highly competitive pricing that you can, in turn, pass on to your patients. Furthermore, to ensure that you can keep selling our supplements without being undercut by competitors we have a strict minimum advertising pricing (MAP) policy in place.

QUALITY & EVIDENCE-BASED FORMULATIONS

Science is the cornerstone of our formulations, quality control and assurance programs. We're continually monitoring the latest scientific advances in nutrition and natural ingredients, and we incorporate this research into our product formulations, assuring that you always receive products that are current, efficacious, and research-based.

Our quality assurance programs are some of the most robust in the industry with more than 19,000 analyses and tests performed each month. Our Methods Development team is credited with the development of the industry standard for the identification of

glucosamine and chondroitin, as well as the rapid detection of specific adulterants in natural ingredients.

Our unwavering dedication to quality, and our insistence on science-based formulations, ensure that Protocol For Life Balance® products work for their intended purpose. Our products incorporate clinically verified dosages, and, whenever possible, we utilize trademarked ingredients that have been thoroughly researched by the trademark holder. The true gauge of our product efficacy, however, is the fact that leading universities and research facilities around the world request our products for use in clinical trials. They trust our products to be manufactured and quality tested with the strictest rigor, allowing them to pursue their scientific research in all confidence.

STATE-OF-THE-ART LABORATORIES

Top left: HPLC (high performance liquid chromatography) is used to determine potency and purity of products like vitamin C or CoQ₁₀.

Bottom left: GC-MS (gas chromatography mass spectrometry) is used to profile and identify NOW essential oils.

Top right: GC-MS/MS (gas chromatography tandem mass spectrometry) is a high sensitivity instrument used for pesticide residue analysis.

Bottom right: ICP-MS (inductively coupled plasma mass spectrometry) is used to test for heavy metal contamination as well as mineral analysis.

Protocol For Life Balance® is a well-researched, efficacious, and value-priced line of dietary supplements available through licensed healthcare practitioners. Protocol For Life Balance® provides a broad range of superior solutions that address a variety of patient needs and at a level of quality that healthcare practitioners can feel confident recommending.

We guarantee the quality of our products and provide a money-back guarantee if any patient is less than 100% satisfied.
