Hockert Sales is a second generation family business, supplying healthcare professionals for over 35 years since 1987. Our sales representatives travel throughout the Upper Midwest offering personalized customer service that we think you'll love! You're sure to find what you need in our comprehensive selection of healthcare supplies.

Most orders that are placed by 3 p.m. will be shipped the same day. Many locations in the Upper Midwest will receive orders the next business day at no additional cost.

We appreciate your business and look forward to answering any questions you may have about our products and services.

**CBD CLINIC™**  
 Revolutionary Pain Relief

## Level 5 - Pain Relief Ointment

CBD CLINIC Level 5 ointment delivers two, highest potency pain killers to the most severe of pain areas. It helps restore your range of motion and regain the mobility necessary for top athletic performance. For joint pain, nerve pain, muscle pain, lower back pain, knee pain, shoulder pain, neck pain, etc. Help regain range of motion in the areas necessary for top level sport performance and flexibility. A perfect pre and post workout solution for hours of relief. Helps to speed recovery for fatigued and painful joints and muscles.

**Oil Based | 11% Camphor | 16% Menthol**

**FEI RELIEF PAK MOIST HEAT PACKS**

Relief Pak® moist heat packs and covers are a simple and effective method of applying moist heat. The moist heat packs provide 30 minutes of therapeutic moist heat to soothe discomfort from stiff neck, backache, arthritis, sprains and bruises. The pack can be heated in water on a stove, in a microwave or in a heating unit. When treatment is complete, the pack can be stored for future use.

1310 Standard 10"x12"
1311 Neck Contour 24"

\*Additional sizes available

**CORE MICROBEADS® MOIST HEAT THERAPY PACKS**

- Helps relieve pain
- Provides soothing moist heat therapy
- Soft plush fabric

Soothe aching muscles and ease pain with MicroBeads® Moist Heat Therapy Packs. Most experts recommend moist heat over dry heat to help relieve pain. When comparing these two methods, moist heat penetrates deeper into the affected area and helps increase tissue elasticity. It is also less likely to cause skin dehydration, making it ideal for patients with dry and/or aging skin.

MicroBeads Packs are made with an olive green plush fabric cover that is soft to the touch and gentle on the skin. Anti-migration dots keep beads evenly distributed throughout the pack for more consistent coverage. MicroBeads do not support the growth of bacteria or contain common allergens like herbal or grain based packs. These packs are available in various sizes accommodate most treatment areas.

How It Works: The microbeads absorb moisture from the air and release it when heated. Simply warm pack in the microwave; the pack will maintain therapeutic temperature for 20 minutes. Reusable.

520 5"x12" MicroBeads® Pack
521 5"x20" MicroBeads® Pack
522 11"x14" MicroBeads® Pack

**CHATTANOOGA HYDROCOLLATOR HOTPAC™**

**Chattanooga Foam Covers**

1102 Standard Cover
1120 Neck Contour Cover

\*Additional sizes available

**CHATTANOOGA HYDROCOLLATOR HEATING UNIT**

Chattanooga is the proud inventor of the original Hydrocollator HotPacs and heating unit, an all natural product that was first to market more than 60 years ago, and is still the first choice of physical therapists and other medical professionals when using heat therapy. The HotPac generates deep moist heat which delivers increased advantages over dry heat to relieve chronic pain, acute muscle strains and general musculoskeletal discomfort.

- High-quality stainless steel
- Thermostatically controlled temperature
- Easy maintenance. Simple to fill and drain.
- No plumbing required.
- **One-year warranty**

E-1 Hydrocollator Heating Unit Includes 4 Standard Size HotPacs 16"x13"x8"
E-2 Hydrocollator Heating Unit Includes 3 Standard, 1 Neck Contour & 2 Oversize Hotpacs 15"x13"x20"

**CORE SOFT COMFORT CORPAK™**

- Frost-free, remains soft, pliable and soothing to the touch
- Maintains therapeutic temperature for 20 minutes
- Eliminates the need for wraps or covers
- Reusable, freezable and microwaveable
- Gel is non-toxic, biodegradable & will not crystallize, separate or slump

549	3"x5"	CorPak
550	6"x10"	CorPak (16 packs per case)

**SWEDE-O JOINT WRAP**

The patented versatile design of the Swede-O® Joint Wrap comfortably surrounds painful, inflamed joints with cold therapy. Use the adjustable straps to provide compression and secure the pack to the painful area to help provide long lasting, drug free relief.

The plush fabric is soft to the touch and gentle on the skin and slowly releases cold therapy for subacute injuries while the smooth surface quickly releases cold therapy for acute injuries. The nontoxic, biodegradable fill in this pack stays soft and pliable when frozen.

- Temperature: Cold Only
- Frost Free with Strap
- Temperature Release: Quick/Slow
- Comfortably contours painful, inflamed joints
- Unique design comfortably contours joints
- Strapping system holds pack in place

## ADJUST-A-LIFT HEEL LIFT

The Adjust-A-Lift Heel Lift® is a very high quality, versatile item that is helpful in treating a wide range of symptoms arising from the effects of leg length inequality. Low back pain, hip pain and knee pain are some of the more common conditions associated with leg length deficiencies. Adjust-A-Lift Heel Lift has also proved effective in the treatment of some foot and ankle conditions such as plantar fasciitis, heel spurs and Achilles tendonitis.

- Instantly correct leg length discrepancies
- Three easily removable layers
- The non slip construction provides better balance
- Size based on heel width
- Small 2" Wide, Medium 2.5" Wide, Large 3" Wide

Lift Size	Womens (Shoe Size)	Mens (Shoe Size)
Small	Up to 8	
Medium	8.5 and up	Up to 11
Large		11 and up

Adjust-A-Lift Heel Lift Sizes: S-M-L

## G&W RUBBER HEEL LIFTS

These lifts are made by an injected molded process ensuring accurate sizing. The size is molded into the lift. They are light, resilient and maintain their thickness permanently. Each thickness comes in five different widths. (See Size Chart)

	Ladies Small	Ladies Large	Boys	Mens Small	Mens Large	
3mm	LS3	LL3	RB3	MS3	ML3	1/8"
5mm	LS5	LL5	RB5	MS5	ML5	3/16"
7mm	LS7	LL7	RB7	MS7	ML7	1/4"
9mm	LS9	LL9	RB9	MS9	ML9	5/16"

**BML BASIC MOLD CREPE LIFTS**

Manufactured from a firm, pliable material known as cushion crepe, these imitation leather covered heel lifts are becoming increasingly popular. They will not crack, split or decrease in thickness. Double-sided tape attached to each lift makes them easy to mount. Designed for the treatment of anatomical and physiological short-leg deficiencies.

Choose Thickness	Choose Width
A - 3mm	0 - Ladies Medium 2"
B - 5mm	1 - Ladies Wide 2¼"
C - 7mm	2 - Childs 2 3/8"

BML Basic Mold Crepe Lifts - B
BML Basic Mold Crepe Lifts - C
BML Basic Mold Crepe Lifts - D

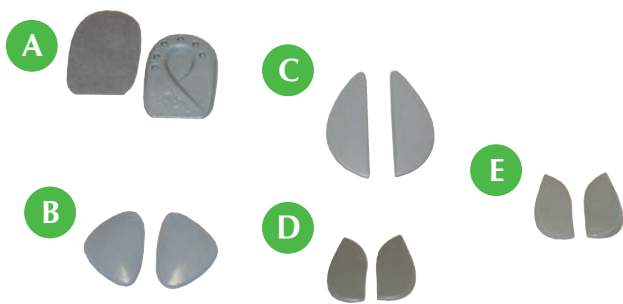

**BML D40 Style Heel Lifts**

BML Heel Lifts are developed for the purpose of compensating for leg length discrepancies when used individually, or elevating the heel when used in tandem. When used in one shoe at a time, the lifts help restore pelvic balance and eliminate rotation of the lumbo-sacral spine caused by unequal leg length. When used in both shoes at the same time, they can provide balanced elevation. BML Heel Lifts provide excellent shock absorption and can be stacked for a custom amount of lift. These lifts are easily cut to size with sharp scissors

Choose Width	Choose Thickness
Ladies Small 2" (LS)	3mm
Ladies Large 2¼" (LL)	5mm
Boys 2 3/8" (B)	7mm
Mens Small 2½" (MS)	9mm
Mens Large 2¾" (ML)	12mm

## CLASSIC SERIES PRO BASIC

One of our most popular lines since 2009, the Pro Basic Electric Massage Table offers smooth, silent lift, superior craftsmanship and excellent value.

Our basic model has a classic design that includes a dual-action face rest and pillow (with face rest holes on both ends of the table for added convenience), 3-inch thick foam system, plus standard single foot pedal for height adjustment. Add breast recesses or prenatal options.

- **Height:** 18"-34"
- **Width:** 28", 30", or 33"
- **Length:** 73"
- 9" on center dual-end accessory ports
- **Lifting Capacity:** 550 lbs. • **Foam:** 3"

## SOLUTION SERIES - CHALLENGER ALUMINUM TABLE

The portable Challenger Aluminum Massage Table is rugged yet light-weight and functional. It comes standard with a 3" thick multi-layered foam system, rounded corners and adjustable height leg system. In addition, this table offers an aluminum frame with finger-joint craftsmanship and auto-hold hinge system. With a weight of only 30 lbs. and load capacity of 600 lbs., the features on this durable table will make it the only table you want to travel with. The Challenger comes as a complete package including a face rest with cushion and carry case.

- **Height:** 24"-33"
- **Weight:** 30 lbs.
- **Width:** 30"
- **Length:** 73"
- **Load Capacity:** 600 lbs. • **Foam:** 3"

## APEX LIFT

Our Apex Lift table includes all the features of our stationary Apex, with the convenience and strength of an electric lift. Its luxurious surface and tilting headpiece are mounted on a sturdy lift base with a quiet, powerful motor that will serve you dependably for years.

- **Height:** 22.5"-31.5"
- **Weight:** 180 lbs
- **Width:** 24"
- **Length:** 72"
- **Lift Capacity:** 400 lbs.
- **Foam:** 3"
- **Warranty:** Lifetime on frame, 3 years on vinyl covering, 3 years on foam (2 years on foot pedal, control box and motor)

## HARMONY DX™

The Harmony DX, an eco-friendly yet economically priced full size table, is crafted from high quality hard Maple from managed forests and finished with earth-friendly, water-based lacquer and glues. Layered with our lightweight yet responsive CFC-Free 2 ½" cushioning system and wrapped in NaturSoft upholstery adds comfort, durability and style. Earthlite's renowned attention to quality and detail plus the promise of a lifetime limited warranty from the industry's premier massage table manufacturer is the assurance of years of worry free professional use.

- **Height:** 23"-33"
- **Weight:** 33-34 lbs
- **Width:** 30"
- **Length:** 73"
- **Working Weight:** 600 lbs. • **Foam:** 2.5"

## Hemplucid Organic Full-Spectrum CBD in Hemp Seed Oil

A perfect pairing for full-spectrum CBD? Hemp seed oil just makes sense.

This all-natural tincture combines the beneficial properties of every part of the hemp plant in its two simple ingredients: cold-pressed organic hemp seed oil and organic full-spectrum CBD.

Our Organic Full-Spectrum CBD in Hemp Seed Oil is perfect for you if you're a fan of the natural, robust, nutty taste of hemp. This tincture is also packed with vitamins, minerals, and essential fatty acids Omega-3, Omega-6, and Omega-9.

If you enjoy natural hemp, this full-spectrum tincture is for you.

2100mg	70mg

Natural Flavor

## Hemplucid Organic Full-Spectrum CBD with MCT Oil

Enough with all the acronyms, amirite? Let's break this tincture down and talk about why you'll love it!

MCT stands for medium-chain triglycerides (which is another fancy word for oil — in this case, fractionated coconut oil), and CBD is short for cannabidiol. And that's all there is to it — just those two ingredients! Our Organic CBD in MCT Oil is definitely one of the healthiest CBD options on the market.

This product is keto-friendly and may help to support a boost in energy and improved weight loss.

And because our MCT oil is odorless, this oil allows you to experience the full, rich scent of the cannabis terpenes.

## Hemplucid Organic Full-Spectrum CBD Water Soluble

Our Organic Full-Spectrum Water Soluble CBD is our #1 fan favorite here at Hemplucid. If you've ever been let down by other CBD products, this is the one for you.

This top-selling tincture is fast-acting and versatile, and our Natural Flavor has that rich cannabis smell and taste you know and love. Mix it with a drink, take it directly under the tongue, or vape it — this Water Soluble can be taken however you like to get the effect you're looking for.

The addition of our nano electrolyte blend (unique to our Water Soluble products) embeds nanoclusters of water into the formulation to maximize absorption rates.

It's completely unique — just like you. Try this fast-acting tincture today!

### Hemplucid THC-Free Water Soluble CBD Isolate + Terpenes

This top-selling tincture is fast-acting and versatile. Mix it with a drink, take it directly under the tongue, or vape it — this Water Soluble can be taken however you like to get the effect you’re looking for.

The addition of our nano electrolyte blend (unique to our Water Soluble products) embeds nanoclusters of water into the formulation to maximize absorption rates.

This product contains no detectable levels of THC, which sets it apart from a full-spectrum tincture. We add terpenes (the scent molecules) back into this isolate tincture so that you can experience as many benefits as possible without any worry of THC.

1oz - 30 servings	Per Serving
1350mg	45mg

### Hemplucid THC-Free Broad Spectrum CBD in MCT Oil

Enough with all the acronyms, amirite? Let’s break this tincture down and talk about why you’ll love it!

MCT stands for medium-chain triglycerides (which is another fancy word for oil — in this case, fractionated coconut oil), and CBD is short for cannabidiol. And that’s all there is to it — just those two ingredients! Our Organic CBD in MCT Oil is definitely one of the healthiest CBD options on the market.

Furthermore, this product contains no detectable levels of THC, which sets it apart from a full-spectrum tincture. If you’re concerned about THC for personal, employment, or other reasons, this is a great way for you to experience the benefits of CBD without worry.

1oz - 30 servings	Per Serving
1350mg	45mg

### Hemplucid Water Soluble - Sleep CBN - Lavender Mint Flavor

Introducing our first ever CBN tincture! Support better sleep with this stellar full-spectrum tincture.

Not only does this Water Soluble tincture support deep sleep and restoration for the body, it also comes in a relaxing and refreshing Lavender Mint flavor.

The addition of our nano electrolyte blend (unique to our Water Soluble products) embeds nanoclusters of water into the formulation to maximize absorption rates. Mix it with a drink, take it directly under the tongue, or vape it — this Water Soluble can be taken however you like to get the effect you’re looking for.

Don’t miss another wink of sleep — order this tasty tincture today!

1oz - 30 servings	Per Serving
1350mg	15mg CBN & 30mg CBD

### Full-Spectrum CBD for Pets - Chicken or Fish Flavor

Want to share the benefits of full-spectrum CBD with your four-legged friends? Pamper your pets with this top-tier tincture.

Our CBD for pets might not be for human consumption, but we put the same care and attention to detail into these products because we know your pets deserve the best. Our natural pet CBD oil is flavored specifically for pets, easy to mix into food or treats, and like all of our products, grown and manufactured in the USA.

We know your pets are beloved members of the family, and this tincture makes a great addition to their nutrition regimen. Not only do pets love it — their humans say it makes trips to the vet, visits to the groomer, and long rides in the car much easier!

1oz - 30 servings	Per Serving
300mg	10mg

## Hemplucid Full-Spectrum CBD Gummy Cubes

Looking for a sweet treat with simple, clean ingredients that also provides the awesome benefits of CBD? These full-spectrum CBD gummy cubes are perfectly portioned at 25mg each and are easy to enjoy.

They are also free from artificial dyes, corn syrup, and artificial sweeteners so you never have to feel guilty about just how much you love them!

Like all our products, the CBD in these gummies is organic and is manufactured here in the United States from US-grown hemp.

1500mg Total	50mg
2250mg Total	75mg

## Hemplucid CBDA Body Cream

Show your skin some love with our CBDA Body Cream.

What has CBDA got that CBD doesn't? That's a great question.

Cannabidiolic acid (CBDA) is the precursor to the more well-known CBD. Essentially, CBDA is the raw acidic form of CBD as it exists in the live cannabis plant, and it's thought to stimulate the body in different ways.

Beyond soothing ingredients like aloe vera, cocoa butter, and calming chamomile, it can provide long-lasting moisture and may offer anti-aging effects. Thicker than a chocolate milkshake and absurdly smooth, this body cream combines the benefits of CBDA with CBD to maximize the entourage effect.

Experience all the soothing properties of this full-spectrum hemp extract by adding it to your beauty, self-care, or workout routine today.

1.85oz Jar	
1000mg Total	500mg CBDA & 500mg CBD

## Hemplucid Stacks - SLEEP

It's no secret that a poor night's sleep can put a damper on your day.

Our Sleep Stack was developed to make your mornings a little brighter. This stack supports healthy sleep patterns without melatonin or sedatives. Restore balance to disrupted circadian rhythms and return to deep, natural sleep.

Here's just a taste of some of the amazing ingredients that these Sleep capsules are packed with.

Reishi mushrooms may help support a good night's sleep and lessen fatigue, helping you wake up bright-eyed.

Blue vervain is calming and may help you fall asleep faster and stay asleep longer.

We worked with a master herbalist to create these Stacks because we want your health to be as accessible as possible. Instead of having to buy a dozen different supplements, our Stacks make it easy to get all of the right ingredients in one easy-to-swallow capsule.

Ingredients: Cannabinol, Griffonia Simplicifolia (5HTP), L-Theanine, Magnesium  
 Proprietary Herbal Blend: Reishi Mushroom, Lemon Blam Extract, Motherwort Extract, Hops, Blue Vervain Extract, Passion Flower Extract, Catnip, Lobelia

3 capsules/serving - 30 servings	Per Serving
450mg Total	15mg CBN

## Hemplucid Stacks - IMMUNE

This powerful combination of CBD, functional mushrooms, and medicinal herbs delivers a one-two punch to your immune system — in the best way.

Here's a little info about just some of the amazing herbs and mushrooms in our Immune Stack.

Red marine algae boosts health on a cellular level by supporting a protective barrier against contagions.

Turkey tail mushrooms support the liver and promote detoxification.

We worked with a master herbalist to create these Stacks because we want your health to be as accessible as possible. Instead of having to buy a dozen different supplements, our Stacks make it easy to get all of the right ingredients in one easy-to-swallow capsule.

Ingredients: Cannabidiol, Lysine, Tetrahydrocannabinol  
 Proprietary Herbal Blend: Red Marine Algae, Andrographis, Cat's Claw, Astragalus, Licorice Root, Kudzu, Lobelia  
 Mushroom Blend: Reishi, Turkey Tail, Cordyceps, Chaga

3 capsules/serving - 30 servings	Per Serving
450mg Total	15mg CBD

## Hemplucid Stacks - STRESS

Stress has been deemed the Health epidemic of the 21st century.

Our natural stress response is controlled by the HPA (hypothalamic pituitary adrenal) axis. The proper function of these organs is necessary to deal with stress in a way that is healthy and sustainable, and our Stress Stacks may help support this system.

Check out a couple of these amazing ingredients.

Lion's mane mushrooms help to reduce inflammation, which is a common stress response.

Nettles help to support the adrenal glands and may reduce anxiety.

We worked with a master herbalist to create these Stacks because we want your health to be as accessible as possible. Instead of having to buy a dozen different supplements, our Stacks make it easy to get all of the right ingredients in one easy-to-swallow capsule.

Proprietary Herbal Blend: Mullein Leaf Powder, Pau d'arco Bark Powder, Oregon Grape Root Powder, Gotu Kola Leaf Powder, Nettle Root Powder, Seaweed Blend, Laminaria Digitata, Chondracanthus Chamissoi, Gigartina Papilliate, Queen Anne's Lace, Lobelia  
 Mushroom Blend: Lion's Mane, Reishi, Chaga, Turkey Tail, Cordyceps

3 capsules/serving - 30 servings	Per Serving
450mg Total	15mg CBD

## AMRITA SYNERGY BLENDS

Amrita's synergistic blends are extraordinarily effective essential oil formulations. The properties of the individual essential oils in a synergy harmoniously support each other and create a particular effect often far more powerful than the individual elements.

607 Deluxe Model Diffuser

## AMRITA AROMATHERAPY™

Amrita stands committed to supply the finest and purest essential oils, grown and extracted with diligence, and committed to purity. **And we never, ever use a single synthetic ingredient.**

- Amrita seeks out essential oils that have been grown by the best cultivators in the optimum climatic and soil conditions. The plants are then properly harvested and prepared, and the oils are extracted using a low-heat methodology that is free of toxic chemicals.
- Amrita selects only 100% true, unadulterated botanical essential oils.
- Amrita chooses essential oils from wild-crafted or organically farmed plants whenever possible.
- All Amrita oils are gas chromatographically tested to ensure purity
- Amrita does not accept oils that have been rectified, peroxidized, decolorized, deterpenized, denatured, reconstituted or mixed with other essential oils, lipids, alcohol or other chemical compounds.

Visit [www.amrita.net](http://www.amrita.net) for more information on the full line of Amrita products.

**ANABOLIC CLINICAL MAGNESIUM**

Magnesium is chronically deficient in the modern diet and promotes a chronic inflammatory state. Magnesium deficiency is associated with diverse clinical manifestations including negative outcomes related to cardiovascular health. Some researchers have recommended that magnesium be added to the water supply because deficiency is associated with a wide variety of negative health issues. Magnesium plays a crucial role in: glucose metabolism, cellular energy production (ATP), calcium transport, nerve signal conduction, and over 300 enzymatic reactions, some of which are involved in the maintenance of joint and bone health.

Each Serving (3 Capsules) Contains:

Magnesium (from amino acid chelate, citrate and malate) ... 400 mg  
Malic Acid..... 222 mg

Clinical Magnesium	90 Caps
--------------------	---------

**ANABOLIC PRO-ENZ™**

Formulated for extended nutritional support of inflammation management. The combination of bromelain (plant based proteolytic enzymes) and other key ingredients make it ideal for long term maintenance. Pro-Enz is recommended for follow up after the acute phase of injury is addressed, as support for patients with physically demanding lifestyles (heavy labor, athletes) as well as those subject to pro-inflammatory lifestyle factors (poor diet, stress, etc.)

Long term use is helpful for those suffering with chronic pain and inflammation.

Each Serving (1 Tablets) Contains:

Turmeric Root Extract (Curcuma longa) with potent curcuminoids) ..... 200 mg  
Ginger Rhizome (Zingiber officinale) with naturally occurring gingerols) ..... 100 mg  
Indian Frankincense Extract (gum) ((Boswellia serrata) high in boswellic acid) ..... 100 mg  
Rosemary Leaf Extract (Rosmarinus officinalis) with natural ursolic acid) ..... 100 mg

**The DeFlame Book**

**Written By: Dr. David Seaman**

Help you and your patients take a proactive approach to reduce inflammation with this clearly written information in Dr. Seaman's excellent book.

**Pain Recovery Pack**

Combination package containing two supplement formulas developed for an Acute Care Protocol.

Package contains Zymain®, indicated during the acute phase of treatment for the reduction of inflammation, and Salizain™ for natural pain relief.

Packaged together for a comprehensive and value-priced treatment protocol that improves patient compliance and optimizes recovery.

**DeFlame Nutrition Pack**

The DeFlame Nutrition Pack is a once-daily no-nonsense nutrition for inflammation reduction. Each pack contains a month's supply of

- Omega-3 Fatty Acids
  - Turmeric & Rosemary
  - Ginger Whole-food Bioflavonoids
- in 30 On-The-Go convenience packs.

**Essential Nutrition Pack**

Each Essential Nutrition Pack contains 30 individual packets which contain a disintegration-tested multi vitamin (1 tablet), concentrated EPA/DHA omega-3 fish oil (2 softgels), vitamin D3 – cholecalciferol (2 softgels) & magnesium from organic chelate sources (2 capsules). The Essential Nutrition Pack is a 1-month supply of supplements which provide a solid nutritional foundation for your patients

**BIOSPEC INFLAM-95**

Inflam-95, standardized to 95% curcuminoids, is a truly unique formula based on research showing that significant levels of these Ayurvedic Herbs can greatly reduce systemic inflammation. Inflam-95 combines five of the highest quality, standardized herbs known to naturally relieve muscle and joint pain.

- Now contains Bioperine; a patented extract obtained from black pepper that can significantly enhance the bioavailability of various nutrients through enhanced absorption. Human studies confirm a 2000% increase in the bioavailability of Curcumin when complexed with Bioperine!
- Ideal formula for chronic myofascial conditions including low back pain and Fibromyalgia.
- Supports healthy muscle and joint function by inhibiting pro-inflammatory eicosanoids while protecting soft tissues.
- May help to manage systemic inflammation in the heart and brain.
- Supplies herbs that are traditionally used to support digestive, liver, kidney and connective tissues.
- Recent studies have found Curcumin to be protective in a wide variety of degenerative disorders.

Each Serving (6 Veggie Caps) Contains:

Ginger Root Extract (standardized to 5% gingerols and shogaols) ...	2000 mg
Curcumin Root Extract (standardized to 95% curcuminoids; curcumin, demethoxycurcumin & bisdemethoxycurcumin) .....	1200 mg
Boswellia Serrata Extract (standardized to 65% boswellic acids) ....	500 mg
Nettle Leaf Extract.....	500 mg
Bioperine Extract (standardized to 95% piperine) .....	6 mg

**BIOSPEC  
PROBIOTIC 5**

Along with eliminating unhealthy microbes from the gut, optimal digestive health requires the re-establishment of beneficial bacteria. Research shows that Probiotics benefit many different disorders such as IBS, IBD, Asthma, Eczema, Allergies and Inflammation. Probiotic therapy usually takes 1 to 3 months to normalize intestinal flora. Probiotic-5 provides 5 billion heat resistant organisms per capsule.

- New acid resistant capsules ensure maximum probiotic delivery.

Each Serving (2 Veggie Caps) Contains:

Lactobacillus Rhamnosis GG .....	4 Billion CFU
Lactobacillus Plantarum 299V .....	2 Billion CFU
Bifidobacterium Longum .....	1.5 Billion CFU
Lactobacillus Salivarius.....	1.5 Billion CFU
Bacillus Coagulans .....	1 Billion CFU

Probiotic 5	60 Caps

**BIOSPEC BIOFLEX II**

Bio-Flex II is a comprehensive blend of the three leading nutrients that support joint and cartilage health; Glucosamine Sulfate, Chondroitin Sulfate and Methyl-Sulfonyl-Methane (MSM). In addition, supporting nutrients and anti-inflammatory herbal extracts make this the ideal formula for healthy joints.

- Glucosamine and Chondroitin Sulfates are key structural components of healthy cartilage.
- MSM provides organic sulfur for the construction of healthy GAGs and collagen.
- Helps to improve collagen synthesis and the lubrication of joint structures.
- May inhibit enzymes that cause degeneration of the cartilage matrix.
- A unique blend of herbal extracts that inhibits the synthesis of pro-inflammatory eicosanoids.

Each Serving (4 Tablets) Contains:

Vitamin C (ascorbate complex) .....	200 mg
Calcium (ascorbate/lactate) .....	70 mg
Manganese (sulfate).....	10 mg
Glucosamine Sulfate (purified 2KCL from shellfish).....	2,000 mg

TOP SELLING NORDIC NATURALS PRODUCTS

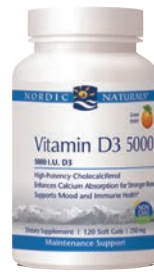

**NORDIC NATURALS PRO OMEGA**

ProOmega® provides exceptionally high levels of the omega-3 fats EPA and DHA. It is ideal for people wanting high-intensity, therapeutic support in a smaller serving. Our most popular concentrate, ProOmega has been shown by original research to support healthy glucose levels, healthy lipid levels in professional athletes, bronchial health, and the body's ability to respond to stress in a healthy way.

Each Serving (2 Softgels) Contains:

EPA (Eicosapentaenoic Acid) ..... 650 mg  
 DHA (Docosahexaenoic Acid) ..... 450 mg  
 Other Omega-3's ..... 180 mg

ProOmega	60 Softgels
ProOmega	120 Softgels
ProOmega	180 Softgels

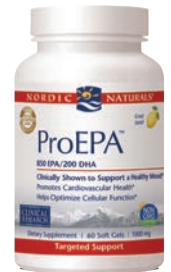

**NORDIC NATURALS VITAMIN D3 5000**

Vitamin D3 5000 is Nordic Naturals' signature high-potency vitamin D product, suitable for clinical applications aimed to correct or avoid vitamin D deficiency, or to fast-track support for overall health and wellness. With 5000 I.U. of natural vitamin D3 (cholecalciferol) in extra virgin olive oil, Vitamin D3 5000 helps replenish vitamin D in tissue stores, supporting patients at increased risk of deficiency.

Each Serving (1 Softgels) Contains:

Vitamin D3 (cholecalciferol) ..... 5000 I.U.

Vitamin D3 5000	120 Softgels
-----------------	--------------

**NORDIC NATURALS PRO EPA**

ProEPA™ is an omega-rich formula derived from the component of fish oil that helps lower cardiovascular risk factors and maintain a general sense of calm.\* Original research on ProEPA has also shown proven benefits for fat metabolism and healthy blood sugar levels.

Each Serving (2 Softgels) Contains:

EPA (Eicosapentaenoic Acid) ..... 850 mg  
 DHA (Docosahexaenoic Acid) ..... 200 mg  
 Other Omega-3's ..... 160 mg

Pro EPA	120 Softgels
Pro EPA	180 Softgels

**NORDIC NATURALS PRO DHA**

ProDHA™ from Nordic Naturals is a high-potency formula perfect for children, teenagers, and pregnant women. DHA is an essential nutrient for brain health, and original research on ProDHA™ has shown that it supports a healthy mood, structural integrity of the central nervous system, and cognitive function.\* It has also demonstrated neurological enhancement, and neuro-synaptic improvement with exercise.

Each Serving (2 Softgels) Contains:

EPA (Eicosapentaenoic Acid) ..... 205 mg  
 DHA (Docosahexaenoic Acid) ..... 480 mg  
 Other Omega-3's ..... 145 mg

Pro DHA	120 Softgels
---------	--------------

**NORDIC NATURALS PRO OMEGA JR.**

For people wanting the same double-strength formula as ProOmega® in a smaller soft gel, ProOmega® Junior offers high-intensity omega-3 support for the heart and brain.

Ideal for children, older adults, and people of all ages, the strawberry-flavored, 500 mg soft gels are easily swallowed or chewed.

Each Serving (2 Softgels) Contains:

EPA (Eicosapentaenoic Acid) ..... 340 mg  
 DHA (Docosahexaenoic Acid) ..... 245 mg  
 Other Omega 3s ..... 95 mg

ProOmega Jr.	90 Softgels
--------------	-------------

**NORDIC NATURALS DHA JR.**

Kids everywhere love Nordic Naturals strawberry-flavored DHA Junior. Made entirely from Arctic cod liver oil, these products are rich in the omega-3 DHA. DHA is essential for the proper development of the brain, eyes, and nervous and immune systems.\* Easily swallowed or chewed by children over three, DHA Junior also contains healthy levels of 100% natural vitamins A and D.

Each Serving (4 Softgels) Contains:

Vitamin A ..... 10 mcg RAE  
 EPA (Eicosapentaenoic Acid) ..... 80 mg  
 DHA (Docosahexaenoic Acid) ..... 120 mg  
 Other Omega-3's ..... 50 mg

DHA Junior	180 Softgels

**NORDIC NATURALS MULTI-VITAMIN BERRIES™**

Nordic Berries contain essential vitamins, minerals, and antioxidants growing kids need, including full-spectrum B vitamins, which is hard to find in a gummy. No wonder they're the #1 Children's Vitamin in the U.S.! These easy-to-chew multivitamins come in two great flavors—sweet-and-sour citrus that captures the taste of Norwegian cloudberry, and cherry berry. Nordic Berries make an ideal companion to any Nordic Naturals omega-3 product.

Each Serving (4 Berries) Contains:  
Vitamin A (as beta-carotene) ..... 2500 I.U.  
Vitamin C (as ascorbic acid) ..... 40 mg  
Calcium (as calcium citrate) ..... 20 mg  
Vitamin D3 (as cholecalciferol) ..... 400 I.U.

# PROTEIN 5 PLUS

A perfect blend of three specialized proteins, one keto fat, and one superfood fiber

Protein 5 Plus has five key ingredients in the perfect combination of protein, fat and fiber. The special blend of Hydrolyzed Whey Protein, Collagen Protein and Egg White Protein are naturally time released for long lasting fullness, and the Collagen peptides are great for rejuvenating skin and healthier joints. MCT Oil, the healthiest fat, helps stimulate the burning of your own body fat for energy and keeps you feeling full. Superfood fiber nourishes your digestive flora while also helping you to feel full longer. Enjoy the most perfect blend of proteins, fat and fiber for your body - Protein 5 Plus.

- Mixes Easy!
- Great Tasting!
- Pure Hydrolyzed Whey Protein supports muscle development and fullness
- Collagen Protein supports skin and joints
- Cold filtered Egg White Protein supports long lasting fullness
- MCT Oil supports healthy energy and fullness
- Prebiotic blend supports healthy digestion

As a dietary supplement, take one or more scoops daily to supply your diet with protein. Mix one level scoop with 12 ounces of water, nut milk, or your favorite beverage (use 8-10 ounces of your favorite beverage for a thicker shake).

Protein 5 Plus (Chocolate or Vanilla) 25 oz.

# Organic *Progesterone Cream*

CHOICE

Naturally pure, fragrance/soy/gluten-free formula made with organic herbs.  
 The Organic Choice Bio-Identical Progesterone Creams meet the strict criteria outlined by Dr. John Lee, MD.

## When to Use Progesterone Cream

Dr. John Lee, MD identified the following symptoms associated with a deficiency of progesterone, which creates an excess of estrogen known as “estrogen dominance.”

- Mood Swings
- Depression
- Irritability
- Inability to Concentrate
- Breast Tenderness
- Anxiety
- Weight Gain
- Irregular Menstrual Cycles
- Decreased Sex Drive
- Insomnia
- Hot Flashes
- Heavy, Prolonged Periods

### Progesterone Cream WITHOUT Phytoestrogens

We suggest starting with the progesterone cream without phytoestrogens which brings excellent results to **adult women of all ages.**

Progesterone cream supports the relief of the symptoms commonly associated with an excess of estrogen (estrogen dominance) during PMS, perimenopause or menopause.

Each pre-measured pump (1/4 tsp) contains: 20mg USP progesterone

Ingredients: Purified Water, Aloe Vera Gel, Avocado Oil, USP Progesterone (derived from wild yam root), Carrot Oil, Cramp Bark, Lemon Grass Oil, Vegetable Glycerin, Rosemary Extract, Chamomile Extract, Milk Thistle Extract, Stearic Acid (vegetable oil), Vitamin A, Vitamin E (Tocopherol), Grape Seed Extract

Organic Choice without Phytoestrogens 3.3oz Pump

### Progesterone Cream WITH Phytoestrogens

If you **are in menopause or beyond**, with multiple hot flashes daily and/or other signs and symptoms of an estrogen deficiency, you may benefit from progesterone cream with phytoestrogens.

The addition of phytoestrogens in this progesterone cream help stimulate the estrogen receptors in the body making it an excellent choice for women that have reached menopause or have had a complete hysterectomy.

Each pre-measured pump (1/4 tsp) contains: 20mg USP progesterone; 60mg phytoestrogens

Ingredients: Purified Water, Aloe Vera Gel, USP Progesterone (derived from wild yam root), Red Clover Leaf Extract, Evening Primrose Oil, Vitamin E (Tocopherol), Siberian Ginseng, Burdock Root Extract, Black Cohosh, Chamomile Extract, Milk Thistle Extract, Shea Butter, Lecithin, Allantoin (Comfrey Root), Vegetable Glycerin, Grape Seed Extract

Organic Choice with Phytoestrogens 3.3oz Pump

## THERAPEUTICA SLEEPING PILLOW

This pillow doesn't look like what you would expect – that's because it was designed by an Ergonomic Designer in consultation with a Doctor of Chiropractic. One of the key goals to sound sleep is 'Spinal Alignment' which can help you to be more comfortable. Because people sleep on their backs, sides, or both, this pillow was created to work for each sleeping position. The ergonomic design offers comfortable support and stability in all sleeping postures. The result is a more sound sleep and less tendency to wake with pain, stiffness and many of the symptoms resulting from lack of support.

## SCOTT ELBOW SLEEVE W/ STRAP

Pull-on sleeve is 10" long and contoured for comfort. Has a 2" wide circumferential strap.

0605 Elbow Sleeve

XS	S	M	L	XL
8-9"	9-10"	10-11"	11-12"	12-14"

Measure largest circumference of the forearm.

## SWEDE-O THERMAL VENT CARPAL TUNNEL BRACE WITH THUMB SPICA

This product has a removable 6" palmar support and a removable 7" contoured aluminum thumb splint to help restrict wrist and thumb motions. *Specify right or left hand.*

6853 Carpal Tunnel Brace

XS/S	M	L/XL
4½"-6¼"	6½"-7½"	7¾"-10"

Measure evenly around the wrist joint

## SCOTT DOUBLE BUCKLE WRIST SUPPORT

3" wide support with Velcro closure and two ¾" loop and lock straps.

0720 Double Buckle Wrist Support

S/M	L/XL	2XL
Up to 6½"	Up to 8½"	Up to 9½"

Measure wrist circumference.

## SCOTT WRIST COMPRESSION

Beige knitted cotton elastic wristlet slips on for easy application. 6" long with thumb hole. Fits left or right hand.

1361 Wrist Compression

S	M	L	XL
5½" - 6½"	6¾" - 7½"	7¾" - 8½"	8¾" - 10"

Measure wrist circumference.

## CORE UNIVERSAL ELBOW SUPPORT

Wraparound support for treatment of tennis elbow. Completely adjustable design features hook-and-loop closure and plush lining. One size fits most.

6508 Black Univ. Elbow Support

Fits 8-15"  
Measure largest circumference of the forearm.

## SWEDE-O® NEOPRENE TENNIS/ GOLF ELBOW SUPPORT

The Swede-O® Neoprene Tennis Elbow Support helps relieve muscle and elbow joint pain associated with golfer's elbow, tendonitis, lateral epicondylitis (tennis elbow), repetitive stress injuries, and supinator muscle strain while maintaining full range of motion. Use this support to apply targeted compression to the upper forearm.

6505 Neoprene Elbow Support

S	M	L	XL
9-10"	10¼"-11"	11¼"-12"	12¼"-13"

Measure elbow circumference.

**RADIAL  
TENNIS ELBOW W/ PAD**

Features a circumferential elastic strap and has an orthopedic felt pressure pad for extra compression and to further inhibit muscle rotation.

0610 Radial Tennis Elbow w/ Pad		
S/M	L/XL	2XL
9-11"	11-14"	14-16"
Measure largest circumference of the forearm.		

**SCOTT  
UNIVERSAL PLUSH  
TENNIS ELBOW WRAP**

Royal blue plush fabric on both sides, accepts hook closure anywhere. Easy to adjust with loop lock ring. 2" wide.

1969 Univ. Plush Tennis Elbow Wrap	
Fits 7-15"	
Measure largest circumference of the forearm.	

**SCOTT NEOPRENE  
TENNIS ELBOW STRAP**

Blue 2" wide neoprene strap with loop-lock closure. Provides local pressure to muscle of the forearm.

9032 Neoprene Tennis Elbow Strap—1/8" thick	
Fits 7-15"	
Measure largest circumference of the forearm.	

**SCOTT VINYL TENNIS ELBOW  
WRAP W/ LOOP LOCK**

Brown padded leatherette vinyl lined with nylon tricot. Loop lock closure.

1960 2" Univ. Vinyl Tennis Elbow	
1963 3" Univ. Vinyl Tennis Elbow	
Fits 7-15"	
Measure largest circumference of the forearm.	

**SCOTT  
NEOPRENE TENNIS ELBOW**

Comfortable 3/4" neoprene tennis elbow helps to relieve stress pain on the extensor muscles for aid in injury prevention and relief from minor elbow muscle strains or sprain.

9094 Neoprene Tennis Elbow 1/8" thick			
S	M	L	XL
10"	11"	12"	13"
Measure forearm circumference.			

**CBD Clinic Available!**  
**CBD Clinic full listing is on pages 6.**

**SCHULTZ KNEE  
STABILIZER**

Four of the straight sections support and act as splints for the ligaments and tendons while the center straight section supports the medial and posterior portion of the knee. The elliptical areas fit the anterior part of the knee on either side of the patella. This gives support over the part of the articulation where the majority of subluxations and damage most frequently occur.

Schultz Knee Stabilizer				
XS	S	M	L	XL
10-12 1/2"	13- 14 1/4"	14 1/4-15 3/4"	16-18 1/4"	18 1/2-21 1/2"
Measure 2 1/2" above the knee + measure around knee cap and divide by 2.				

**SCHULTZ  
OSGOOD-SCHLATTER SUPPORT**

- Produces constant pressure on the tibial tubercle while standing, walking or sitting.
- Produces pressure on the patellar ligament and inhibits movement between the patella and tubercle.
- Reduces the pull of the patellar tendon on the tibial tubercle.

Schultz Osgood-Schlatter				
XS	S	M	L	XL
10-12 1/2"	13- 14 1/4"	14 1/4-15 3/4"	16-18 1/4"	18 1/2-21 1/2"
Measure 2 1/2" above the knee + measure around knee cap and divide by 2.				

# PILLOWS & SUPPORTS

## SWEDE-O PATELLA STRAP

The Swede-O® Patella Strap applies targeted pressure to patellar tendon to help improve patella tracking and ease pain from patellofemoral pain syndrome (runner's knee), Osgood-Schlatter disease, and patellar tendonitis (jumper's knee).

### 6447 Patella Strap

Universal	XL
12-22"	12-29"
Measure knee circumference.	

## SCOTT 11" SLIP-ON KNEE COMPRESSION

Beige knitted elastic provides moderate compression. 11" in length with knitted taper in back.

### 3611 11" Slip-on Knee Compression

S	M	L	XL
12-14"	14½-17"	17½-20"	20½-24"
Measure knee circumference.			

## SCOTT PLAIN SLEEVE WITH CUT-OUT

13" sleeve with anterior oval pad and anatomic patellar cut-out. ¼" thick.

### 0405 Plain Sleeve with Cut-Out

XS	S	M
12-13"	13-14"	14-15"
L	XL	2XL
15-17"	16-18"	18-20"
Measure around center of knee with leg extended.		

## CHO-PAT KNEE STRAP

The Cho-Pat strap functions dynamically as the knee bends and straightens. Pressure on the tendon below the kneecap helps guide the kneecap, improves tracking and assists in spreading pressure uniformly over the surface area. The strap elevates the kneecap slightly, which further relieves harmful pressure. Measure circumference below kneecap. When in doubt, select smaller size.

### Cho-Pat Knee Strap

XS	S	M	L	XL
Under 10"	10-12½"	12½-14½"	14½-16½"	Over 16½"
Measure circumference below kneecap.				

## SCOTT SLIP-ON KNEE SUPPORT

Beige, two-way stretch Spandex elastic knee support. 10½" long. #3705 features a lateral and medial spiral stay.

### 3700 Slip-on Knee-Open Patella\*

3705 Slip-on Knee-Open Patella w/ Stays*				
	S	M	L	XL
Upper	12-14"	14-18"	16-20"	18-22"
Lower	10-14"	12-16"	14-18"	16-20"
Measure 6" above and 6" below the knee.				

\*Special order item.

## SWEDE-O THIGH WRAP

The Swede-O Thigh Wrap provides comfortable support and compression to ease cramping and/or thigh pain from groin, hamstring, and/or quadriceps injuries. This wrap promotes muscle recovery, making it ideal for athletes and runners.

### 6490 Thigh Wrap

Fits 19-28"  
Measure thigh.

## CORE PERFORMANCE WRAP

Maximum support to patella and knee joint while maintaining a full range of motion. Four-way tensioning system provides custom fit and compression. Wraparound design makes it easy to apply and wear, even over clothing.

6440 Performance Wrap - Reg. or XL  
Regular - Up to 22" thigh, 18" calf  
XL - Up to 27" thigh, 21" calf  
Measure knee circumference.

Pack: 11.5"x11.5"  
Short Strap: 3"x11"  
Long Strap: 4"x34"

## SWEDE-O JOINT WRAP

- Temperature: Cold Only
- Frost Free with Strap
- Temperature Release: Quick/Slow
- Comfortably contours painful, inflamed joints
- Unique design comfortably contours joints
- Strapping system holds pack in place

### 525 Joint Wrap

**SCOTT  
NEOPRENE KNEE  
SUPPORT**

Open patella with superior felt buttress pad. Two each medial and lateral spiral stays are flexible and prevent rolling. Opposing 2" loop-lock straps above and below patellar opening. 12 1/2" long. For patellar subluxation, tendonitis, chondromalacia, and patellar dislocations.

9067 Neoprene Knee Support

S	M	L	XL
13-14"	14-15"	15-17"	17-19"
Measure knee circumference.			

**SWEDE-O  
THERMAL VENT  
OPEN KNEE  
WRAP STABILIZER**

Swede-O® Thermal Vent® Open Knee Wrap Stabilizer is designed with two adjustable closure straps to provide greater patient comfort. The open patella allows the kneecap to be free from compression. Has full-length anterior opening, popliteal cut out for comfort, and unrestricted knee flexion. Side spirals for additional support.

6453 Thermal Vent Open Knee Wrap Stabilizer\*

S	M	L	XL
12½-13¾"	13¾-14½"	14½-15¾"	15¾-17"
2XL	3XL	4XL	5XL
17-18¼"	18¼-19½"	19½-21"	21-24"
Measure slightly bent underneath kneecap.			

**SWEDE-O  
WRAPAROUND  
NEOPRENE KNEE**

Swede-O® Wrap-around Neoprene Knee Support provides gentle compression and comfortable support for swollen or tender knees, sprains, strains, postsurgical support, meniscus injuries, and patellar tracking disorder. Plush neoprene construction retains body heat and provides compression to help reduce pain and promote healing.

6407 Wraparound Neoprene Knee

Universal	XL
Up to 25" thigh, 24" calf	Up to 28" thigh, 27" calf

**PATELLAR KNEE  
SUPPORT W/ FELT  
BUTTRESS**

13" sleeve is ¼" thick with patellar cut-out, movable horseshoe buttress, two lateral and two medial spiral steel stays and opposing loop and lock straps above and below the patellar opening.

0420 Patellar Knee w/ Felt Buttress

XS	S	M
12-13"	13-14"	14-15"
L	XL	2XL
15-17"	16-18"	18-20"
Measure around center of knee with leg extended.		

**SCOTT ELASTIC ANKLE WRAP**

3" wide elastic wraps in figure-eight style and closes with hook and loop closure.

1404-WHI White Elastic Ankle Wrap

1404-BEI Beige Elastic Ankle Wrap

S	M	L	XL
6½-7½"	7½-8½"	8½-10"	10-12"

Measure ankle circumference.

**SCOTT  
DOUBLE-STRAP  
ANKLE SUPPORT**

Slip-on ankle with open heel, made of beige four-way stretch Spandex. Double strap style offers compression to both medial and lateral sides of ankle. 3" wide segmented elastic tension straps wrap in figure-eight style and fasten with hook and loop closure. Wear over a sock. Fits left or right foot.

0325 Double-Strap Ankle Support

S	M	L	XL
7½-8"	8-9½"	9½-11"	11-12½"
Measure ankle circumference.			

**SCOTT  
SLIP-ON ANKLE  
COMPRESSION**

Beige, knitted elastic provides intermediate compression with open toe and heel. Knitted taper for contoured fit.

1400 Slip-on Ankle Compression

S	M	L	XL
7-8"	8¼-9½"	9¼-10"	10¼-11¼"
Measure ankle circumference.			

**SWEDE-O  
POWERWRAP ANKLE BRACE**

The Swede-O® PowerWrap® Ankle Brace helps prevent sprains and ankle injuries by stabilizing the ankle joint. The patented positive tensioning system and no-tie laces makes it faster and easier to apply compared to traditional, lace up style braces or ankle taping.

6350 PowerWrap Ankle Brace, Black; Reg-XL

## DOC DECOMPRESSION SYSTEM

The unique design of the DOC Decompression table utilizes a state-of-the-art digital command center for specific vertebral targeting, separate lumbar and cervical traction programming and continuous readout and graphing of treatment protocols. In addition, the digital command center also controls table elevation and rear lateral flexion, all at the push of a button.

E9011

### STANDARD FEATURES

- Lifting Capacity: 350 lbs.
- Electric elevation range: 21-29"
- Lateral flexion positioning and axial rotation
- Cervical capture headpiece
- Traction belting system enhances restraint for optimal decompression
- User-defined treatment hold and relax times
- Real-time digital treatment tracking
- Speed control
- Pre-programmed lumbar and cervical decompression protocols
- Digital Command Center includes:
  - Specific vertebral targeting
  - Separate lumbar and cervical traction/decompression programming
  - Continuous readout and graphing of treatment parameters
  - Interactive color display
- Reference library - including patient setup and training materials
- Table Dimensions: 77"L x 30"W x 21"H
- Tower Dimensions: 27.5"W x 25"D x 72"H

**APOLLO DESKTOP COLD LASER**

Cold laser therapy is a modality that has continued to grow in use over the past decade. Low-level laser technology safely penetrates 2 to 3 inches into the skin to effectively stimulate regeneration of damaged cells and tissues, which brings about more rapid healing and reduces pain. Patients typically receive a series of treatments for conditions, including back and neck pain; sprains and strains; muscular pain; bursitis, tennis elbow, tendonitis and plantar fasciitis; headaches and facial pain; joint problems; inflammation; and post-surgical pain relief.

**Standard Features:**

- Choice of Laser Probes: 500, 3,000, 4,000 or 5,000 mW
- Unit has ability to run 2 probes
- Probe cable (1)
- Safety goggles (2)
- Carry case
- 18V DC adapter
- Stand
- Manual
- Laser tutorial DVD
- Light & Laser Therapy: Clinical Procedures (Book)
- Patient education brochures
- 2-Year system warranty

## TRITON DTS TRACTION SYSTEM

The Triton DTS® Traction device helps provide traction and mobilization of skeletal structures and skeletal muscles. The Triton® traction device may be used to help relieve peripheral radiation/sciatica and pain associated with:

Protruding discs | Bulging discs | Herniated discs | Degenerative disc disease | Posterior facet syndrome | Acute facet problems  
 Radicular pain | Prolapsed discs | Spinal root impingement | Hypomobility | Degenerative joint disease  
 Facet syndrome | Compressions fracture | Joint pain | Discogenic pain

### FEATURES:

- 6-section treatment table provides maximum patient comfort in prone and supine positions to aid manual and traction therapy
- Pelvic tilt section can be adjusted from 0° to 15° to aid flexion of lumbar spine and to help address pelvic asymmetry
- Head piece can be repositioned from -15° to +40° to allow easy access to thoracic and cervical spine
- Tuck-away grab bars for hanging traction without thoracic restraint
- Leg section is adjustable from 0° to 45°
- Gas springs assist in friction-free movement of head, pelvic, chest and leg sections which are easily accessible from either side of the table
- Foot/hand controller allows easy adjustment of table height and includes a lockable safety mechanism
- Complete range of accessories to suit every patient need

### ADVANCED SYSTEM PACKAGE INCLUDES:

- Triton DTS Traction Unit (Includes: patient interrupts switch, patient data card (1x) and cd user manual)
- Clinical Cervical Traction System
- QuikWrap Belting System
- Knee Bolster Set

### TRITON TRACTION UNIT FEATURES:

- Static, intermittent, and cycling traction
- Independent timers allow easy customization of traction pulls in progressive, regressive, and traction phases
- Variable speed motor (30%, 50% and 100%)
- Pretension step eases the patient into traction to help prevent muscle guarding and pretest patient's tolerance to traction force
- Clinical Protocols™ provided for both cervical and lumbar conditions
- Full color graphic library complete with visual tutorial of belting techniques, anatomical images and common pathologies
- Digital high resolution color touch screen that pivots 270°
- 80 User defined protocol slots

## INTELECT® RPW 2 NEXT GENERATION SHOCKWAVE THERAPY

The Intellect® RPW 2 is a compressed air-operated ballistic shock wave generator. The shock waves in the device are generated with a precision ballistic mechanism in the handpiece. A projectile is accelerated by compressed air. The motion and weight of the projectile produce kinetic energy. When the projectile impacts against an immovable surface, the shock transmitter, this kinetic energy is converted into sound energy. This acoustic pulse is transmitted into the tissue to be treated directly with the help of a gel. These waves are physically classified as radial pressure waves. The applied pressure pulse propagates radially within the tissue and has a therapeutic effect on areas of the tissue near the surface

**CONTACT US FOR A FREE DEMONSTRATION  
IN YOUR OFFICE/CLINIC**

#### KEY FEATURES:

- Optimal ergonomic design
- Easy move therapy cart
- Suggested protocols library
- Large graphic color touch screen
- Extended pressure range
- Large choice of transmitters
- Intellect® RPW 2 can reach depths of over 2 inches into connective tissue
- Intellect® RPW 2's versatility is a true difference maker as your next revenue generating clinical asset

#### INDICATIONS:

- Reduce muscle pain and aches
- Temporarily increase blood flow
- Activate connective tissue

#### TRANSMITTERS INCLUDED IN STANDARD PACKAGE:

- FALCON® handpiece - allows lower Bar pressure for an increased range of indications and applicators
- Transmitter Ro40 - 15mm Energy beam transmitter with concave coupling surface, best for pain zones near the skin surface
- Transmitter D20-S - Standard Oscillator, 20mm transmitter or muscle and connective tissue

**Additional Transmitters Available. Contact us for details.**

## DYNATRON 25 SERIES

Reliable and simple to use. All channels allow fully-independent treatment setups as well as ComboPlus technology offering ultrasound in combination with interferential, premodulated, biphasic, high voltage pulsed stimulation, and Russian stimulation. Features patented target and target sweep. 2 year warranty.

Solaris Plus cart can also be used for this unit.

Dynatron 925T: 5 Channel Combo Stim Ultrasound
Dynatron 825T: 3 Channel Combo Stim Ultrasound
Dynatron 625T: 5 Channel Stim

## TRI-WAVE LIGHT PAD & PROBE

Deliver any combination of 3-wavelengths of light (red, infrared, and blue) using the Tri-Wave Light Probe or 2 robust 5 in x 7 in Tri-Wave Light Pads. Dual Light Pads allow for greater coverage of a joint, treatment of 2 separate areas simultaneously, and the ability to treat large areas of the body when placed side-by-side.

DLP3 Tri-Wave Light Pad
DCP3 Tri-Wave Light Probe

## INTELECT® TRANSPORT SERIES

Combo / Electrotherapy / Ultrasound

### Electrotherapy & Combo Units Feature:

- Four waveforms: Interferential, Premodulated, Russian, and High Volt

### Ultrasound & Combo Units Feature:

- 1 and 3.3 MHz ultrasound frequencies
- Pulsed and continuous therapy operation
- Ten user-defined memory positions for user protocols
- Sound head applicators are interchangeable
- Head warming feature on all sound head applicators

### All Units Feature:

- Designed for tabletop, wall mount, therapy cart or mobile use
- 110V or battery powered option

2738 Two Channel Intelect TranSport Combo

2783 Two Channel Intelect TranSport Electrotherapy

2782 Intelect TranSport Ultrasound

## INTELECT® LEGEND XT SERIES

Modular Design • Patient Data Cards • Pain Profiles • User Defined Protocols

The Intelect Legend XT™ is one of the most advanced therapy systems available. It is sophisticated, versatile, and user-friendly. The Intelect Legend XT offers a comprehensive range of therapies in a single, state-of-the-art unit.

Six clinical waveforms: Interferential, Premodulated, High Volt, Russian, Symmetrical Biphasic and Microcurrent. Optional therapy cart available.

## MS322 & MS324 LOW VOLT AC MUSCLE STIMULATOR

The MS322 Low Volt AC Muscle Stimulator provides proven reliability in a compact, low volt AC muscle stimulator. Providing pulsation, tetanize, and surge output.

### MS322 Low Volt AC Muscle Stimulator Features:

- Single channel, 2 pad stimulator • Adjustable pulsation and surge rates • Surge mode ramped
- Tetanize mode • Intensity reset circuit • 30 minute timer

### MS324 Low Volt AC Muscle Stimulator Features:

- Dual channel • 4 pad stimulator • Adjustable pulsation, surge, reciprocal rates
- Surge & reciprocal modes ramped • Tetanize mode • Intensity reset circuit • 30 minute timer

Two year warranty - generator - parts & labor on the MS322 & MS324

**NEW**

## METTLER SONICATOR® PLUS 921 & 941 - STIM WITH ULTRASOUND

The Sonicator® Plus 921 & 941 are a 2 or 4 channel combination stimulators with ultrasound. They feature vivid color touch screens for quick and easy treatment setups.

- Six waveforms available (Interferential, Premodulated, EMS, Russian, TENS and High Voltage)
- Intensity control knob
- Anatomical treatment protocols
- 50 user defined protocols
- 8" TFT color touch screen
- Multi-Frequency treatment applicator (1 MHz and 3 MHz) for ultrasound
- Optional treatment cart

## CURRENT SOLUTIONS COMBOCARE E-STIM AND ULTRASOUND COMBO

The ComboCare® is the latest addition to Roscoe professional line of therapy systems. This all-new microprocessor controlled unit combines clinical ultrasound therapy with five treatment waveforms: IF 4-Pole, IF 2-Pole, Russian, EMS and TENS. Large easy-to-read LCD panel allows the clinician to quickly set up treatment parameters. A dual frequency 5 cm<sup>2</sup> sound head comes standard with the unit.

- Two channels of electrical stimulation output
- Large easy-to-read graphical LCD display with exact dial performance and programmable timer
- Waveforms include TENS, EMS, 2-Pole Interferential, 4-Pole Interferential and Russian
- Dual clinical ultrasound features a 5 cm sound head which offers 1 MHz and 3 MHz frequencies
- Ultrasound has 10% - 100% duty cycle selections
- 10 presets per waveform totaling 50 in all
- 20 ultrasound presets
- User defined memory positions for user protocols
- Designed for tabletop, therapy cart or mobile use
- Includes eight sets of electrodes, eight sets of rubber electrodes with sponges, eight straps, four sets of lead wires and a user manual
- Two year warranty

## CURRENT SOLUTIONS Quattro™ 2.5

The microprocessor controlled Quattro™ 2.5 is a professional four-channel electrotherapy device that provides IF 4-Pole, IF 2-Pole, Russian, EMS and TENS waveforms with two separate timers. It's portable design lets you take it to your patient or keep it at the clinic. Easy to use up and running within minutes.

- Two separate timers to treat two areas/patients at once or one larger area.
- Preset protocols as well as customized user defined protocols
- Four channels of electrical stimulation output
- Large easy-to-use graphical LCD display
- Waveforms include TENS, EMS, 2-pole Interferential, 4-pole Interferential and Russian
- 10-presets per waveform totaling 50-presets in all (plus professional mode)
- 2 year warranty

**DUAL RETRACTABLE LEADWIRES**

#27-212-02 Leadwires

**TENS WIRE REPLACEMENT SET**

TENS Wire Replacement Set

**ADAPTERS**

- A. Banana to Pin (Red or Black)
- B. Pin to Banana (Red or Black)

**FLEXTRODES**

Provides noted improvement of conductivity over other electrode systems. The use of conductive spray avoids the problem of "dry out", providing a better coupling action and improved conductivity.

- 2" Round Flextrode-Each (Pin)
- 3" Round Flextrode-Each (Pin or Banana)
- 4" Round Flextrode-Each (Banana)

**RUBBER CARBON ELECTRODES**

- Made of carbon-infused medical-grade silicone rubber.
- For use with TENS and EMS units.
- Compatible with 0.08" pin connector.
- Requires addition of water or conductive spray or gel to optimize conductivity.
- Replacement recommended after six months.

- 2.5" Round Gray
- 3.3" Round Light Blue

**CONDUCTIVE SPRAY**

- For electrical stimulation
- Non-allergenic, odorless

8 oz. Spray Bottle

# THERAPY

## UNI-PATCH SINGLE USE ELECTRODES

### Item# 633

- Single use electrode • Paper finger tab design offers easy one-step application & removal
- Constructed of soft spun lace for ultimate comfort
- Self-adhering & economical electrodes may be worn continuously for 2-5 days

### Item# 7022

- Single use electrode • Self-adhering, low profile & economical, making them popular for clinical applications • Tab connector allows for quick set-up and easy disconnect • Used with alligator clips

633 2.25x2.5" Square Tan Single Use Electrodes, 32/package
7022 2x2.25" Square Disposable Tab, 48/package
Alligator Clips 2mm (Pin-Pair, 1 Black & 1 Red)

## ZIMMER-TRODE SINGLE USE ELECTRODES

- Single use electrodes
- Self-adhesive
- Patented glycerol coating for maximum patient comfort
- Single use design-increase safety and consistency of patient treatment

5171 2.25" Round Electrodes, 200 pads per box
---

## ADVANTRODE® ELITE SILVER ELECTRODES

- Durable Tricot backing works with hot or cold packs
- Silver coated carbon film (reduced impedance)
- Extra long 6" pure copper lead wires with dispersive heads
- Superior conductivity - out-performed comparable electrodes when dispersion tested
- Long lasting - 10 to 15 applications
- Comfortable electrode with hypo-allergenic gel
- Less current needed - excellent dispersion of current with reduced impedance
- High quality - local ISO 9002 manufacturer

Pin Electrode
WT22 2x2" Pin Electrodes 4/Pkg
WT13 1½x3¾" Pin Electrodes 4/Pkg

Snap Electrode
BST11 2x2" Snap Electrodes 4/Pkg
BST13 1½x3¾" Snap Electrodes 4/Pkg

## ADVANTRODE® ESSENTIAL ELECTRODES

- Specially designed, double layered .35 ml gel hydrogel dramatically increases life of the electrode, resulting in maximum number of uses.
- Low impedance means less power required & improved patient comfort
- American made using highest quality components
- High quality white cloth topcoat material withstands multiple applications, and enhances skin contact to uneven surfaces providing optimal adhesion and increased patient comfort
- High performance wires for the lowest impedance in the industry; no need to "crank up" the power

WWS22ET Square - 2x2"
-----------------------

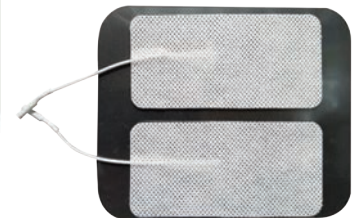

**TRANSFER TECHNOLOGY WHITE CLOTH ELECTRODES**

- White Cloth, Conductive Adhesive Hydrogel
- Pre-Wired TENS Electrode
- Latex free
- Fast application and easy handling and removal
- Strong tacky adhesive
- Low impedance and high conductivity
- Self-adhering and reusable

**BEST VALUE**

 TT2040 2"x4" 4/pkg

**AXELGAARD ULTRASTIM ELECTRODES**

UltraStim® Wire patented current controlling neurostimulation electrodes distribute current evenly and comfortably for the patient. This electrode features Axelgaard's proprietary silver grid pattern, which is calculated precisely to control electrical current evenly over the surface of the electrode. Also, the border around the silver grid pattern allows for an intentional current roll off to eliminate edge biting or stinging. UltraStim® Wire electrodes utilize Axelgaard's patented multi-layer MultiStick® hydrogel, which eliminates performance problems frequently associated with electrodes featuring single-layer hydrogels. In addition, UltraStim® Wire's polycoated white cloth backing provides a protective moisture barrier.

USX2020 2"x2" 4/pkg

**AXELGAARD VALUTRODE X CLOTH ELECTRODES**

Axelgaard's advanced manufacturing techniques shine in this smartly designed conductive film electrode with a white cloth top. ValuTrove® X is the clinician's choice for durability, reusability, and value. ValuTrove® X electrodes feature an oversized border to facilitate proper and easy removal, which further extends the life of the electrode. Better patient comfort during therapy is achieved with better skin adhesion through Axelgaard's patented multi-layer MultiStick® hydrogel.

## ULTIMA 5 TENS UNIT

- Five mode TENS unit
  1. Constant
  2. Burst I
  3. Burst II
  4. Pulse width modulation
  5. Pulse rate and Pulse width Modulation
- Two wave forms, Symmetrical and Bi-phasic
- Large LCD screen
- Intensity lock/unlock
- Automatic shut off
- Timer
- Low battery indicator
- Comes with soft side carrying case, four electrodes, wires, batteries, and instruction manual
- Great to resale to patients
- Quality choice at a value price
- 5 year warranty (does not include batteries and wires)

Ultima 5 Digital TENS Unit

## ULTIMA 3T TENS UNIT

- Dual channel with adjustable timer
- Three modes
  1. Burst
  2. Conventional
  3. Modulation
- Adjustable rates-constant current
- Belt clip and locking battery closure
- Protective cover over dials
- Built-in 30/60/90 minute timer
- Comes with durable hard carrying case, four electrodes, wires, battery, and instruction manual
- Great to rent or loan to patients
- 5 year warranty (does not include batteries and wires)

Ultima 3T TENS Unit

## ULTIMA 20 TENS UNIT

- Dual channel with adjustable timer
- 20 modes of operations, 8 manual and 12 preset modes
 

1. Neck Pain	7. Post-Surgery Knee Pain
2. Torticollis	8. Ankle Sprains
3. Low Back Pain	9. Gonalgia (Knee Pain)
4. Sciatica	10. Cox Algia (Hip Pain)
5. Epicondylitis	11. Menses Pain
6. Wrist Pain	12. Neuralgia
- Carrying Case
- Protective cover over dials
- Built-in 15/30/45/60/90 continuous minute timer
- Comes with carrying case, four electrodes, wires, battery, manual & electrode placement guide

Ultima 20 TENS Unit

## ULTIMA COMBO TENS/EMS UNIT

- The combo TENS/EMS combines the benefits of both TENS therapy and EMS therapy through the use of digital controls
- Multiple preset & manual TENS & EMS programs make this a very customizable therapy unit
- Maximum 130 mA output
- Dual channel with treatment timer
- Comes with soft side carrying case, four electrodes, wires, batteries, and instruction manual.
- 1 year warranty (warranty does not include batteries and wires)

Ultima Combo TENS/EMS Unit

## EMS 5.0 MUSCLE STIMULATOR

- 105 mA strong
- Power Source: 9-volt battery
- Channel: Dual, isolated between channels
- Pulse width: 250 microseconds
- Pulse rate: 5, 30, 100 Hz
- Pulse ramp: 1, 3, 5 seconds
- Pulse amplitude: adjustable, 0-80 mA
- Contraction control: 1-30 seconds
- Relaxation control: 1-45 seconds
- Wave form: Asymmetrical Bi-Phase square pulse
- System includes device, lead wires, four electrodes, 9-volt battery, hard plastic carrying case & manual
- One year warranty

EMS 5.0 Muscle Stimulator

## ULTIMA NEO (TENS, EMS, IFC, MICRO) MULTI-MODE STIMULATOR

- The Ultima Neo is an Advanced multi-mode electrotherapy stimulator that combines enhanced TENS, EMS, Interferential, and Microcurrent.
- It is a dual channel device and includes the function of our most advanced TENS and EMS modes with body part diagrams, as well as an advanced Interferential device with sine wave technology, and a very state-of-the-art Microcurrent mode.
- Continuous treatment timer: 10/20/30/45/60/90 minute
- Comes with carrying case, four electrodes, wires, battery, and instruction manual

Ultima NEO Multi-Mode Stimulator

## INTELECT IFC

- Designed for chronic, post traumatic, and post surgical pain
- Dual channel
- Adjustable Pulse Amplitude, Interference Frequency and Difference Frequency Parameters
- Four stimulation modes (frequency shifts): Continuous, 1/1, 8/8 and 10/10 Ramped.
- Includes 120V AC line cord adapter
- Comes with durable hard carrying case, four electrodes, wires, and instruction manual
- 1 year warranty (warranty does not include batteries and wires)

77719 Intellect IFC

## TENS WIRE REPLACEMENT SET

Electrotherapy Devices Lead Wires can last anywhere from 1-6 months depending on your device settings. At the end of the lead wire, there is a male component of a pin-wire connection (long thin cylinder. .4 inches long) that is compatible with any pin electrode. Periodic replacement of these wires is part of the upkeep of any electrotherapy device.

TENS Wire Replacement Set

**ACTIVATOR  
METHODS®**

### ACTIVATOR I

- Budget Friendly
- Provides accurate & consistent thrust to help heal injuries
- Gentle enough for pediatric & geriatric patients
- 2 year warranty

Activator I

### ACTIVATOR II

- Gentle controlled force for patients spine & extremities
- High speed lo force makes the activator II the perfect choice for all areas of the spine & extremities
- 2 year warranty

Activator II

Activator II EZ-Grip

### ACTIVATOR IV

- Predetermined force settings can be easily selected during treatment and patient care
- Predetermined force settings allow easy treatment of sensitive areas
- New ergonomically designed handles. Does not require palm & finger pads
- 2 year warranty

Activator IV

Activator IV EZ-Grip

### ACTIVATOR V

- FDA registered & approved cordless electronic adjustment instrument
- Produces an electronic thrust of pressure at the touch of a button
- Four thrust settings
- Lithium Ion battery
- 2 year warranty

Activator V

### ACTIVATOR INSTRUMENT HOLSTER

Keep your Activator I, II, or IV by your side. The convenient polyester holster comes with a loop for attaching to a belt. The attractive design is suitable for both men and women.

Polyester Holster

### ACTIVATOR REPLACEMENT TIPS

- Sturdy plastic tips, specifically designed for use on ACTIVATORS TPT, I, II, and IV, only
- Each Activator Tip can be used between 500-600 times (depending on pressure) before replacing
- 5 tips per package

Activator Replacement Tips

### ACTIVATOR REPLACEMENT FINGER PAD

This reusable Activator Pad is available for use for ACTIVATORS I and II, only. It is encouraged that you replace them once they start to become loose from the instrument.

Finger Pads (1 pad)

### ACTIVATOR REPLACEMENT PALM PAD

This reusable Activator Pad is available for use for ACTIVATORS I and II, only. It is encouraged that you replace them once they start to become loose from the instrument.

Palm Pad (1 pad)

### ACTIVATOR REPLACEMENT PAD PACKAGE (INCLUDES 1 FINGER PAD & 1 PALM PAD)

Pad Package (1 finger pad & 1 palm pad)

# RECONDITIONED TABLES COMPARE THE QUALITY

## What we do.....

- Your table will be **delivered, set up**, and all features will be **explained by Hockert Sales** trained staff.
- **We fully warranty and service** all tables we refurbish.
- We can buy, trade-in, refurbish, or consign your old table(s).
- We carry a **large inventory** of many popular tables.
- Visit **HockertSales.com** or call **800.451.5739** to find the exact table you are looking for.

***Our Reconditioned Tables go through the most in depth processes in the industry.***

### Including:

- Professional painting & preparation
- Complete wiring & electronic inspection
- Test all hydraulic/lift systems
- Upholstery - Color/Material of your choice

***We are confident your NEW equipment will be a great addition to your practice.***

# ErgoStyle™ ES2000

ES2000

**VERSATILE.  
SMOOTH.  
ERGONOMIC.**

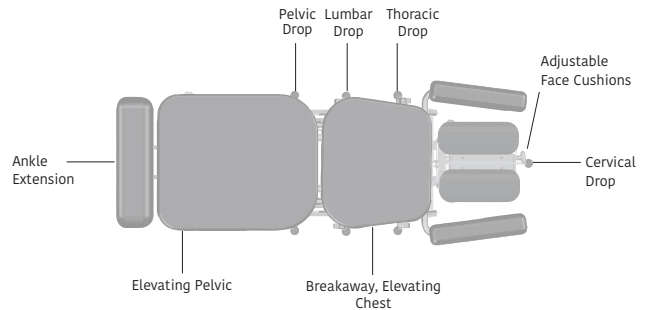

Headpiece: Tilt, Elevation, Forward Drop, Toggle Drop, Adjustable Face Cushion Options

Auto-Cocking Drop Option (Includes Thoracic, Lumbar & Pelvic Drops)

Full Length Patented Accelerator III Drops

**The ErgoStyle™ ES2000 Gen II** takes the table you know one step further. With smooth electric elevation and easy upgrades, you can customize your table to your practice setting. Our patented ErgoStyle drop elevates across the entire cushion, rather than a single pin, allowing for improved accuracy and a smoother adjustment with less force-for less stress on you and your patient. It's also fully modular, allowing for easy modifications and upgrades in the field, both now or later as your techniques and practice grow.

Visit our website for complete table details.  
[www.PHSChiropractic.com](http://www.PHSChiropractic.com)

## 402 ELEVATION

The 402 Elevation is hydraulically lifted to any height from 19" to 39" in 10 seconds with superior stability, and will lift patients weighing up to 600 lbs. Optional Superior automatic Cocking drops and Electronic Height Adjustment are available.

Lloyds drop design allows the amount of force applied to be equal, weather that force is applied on the right, left or center of the cushion, making them superior to other drops on the market. The automatic cocking drops are built into the table with controls on each side and can be set manually in the event of electric failure. No air compressor is required. A specially designed spring release on chest section is optional. Optional manual and automatic drops are available.

### Standard Features:

- Elevation 19"-39"
- Hydraulically controlled elevation
- Adjustable width tilting headpiece
- One piece adjustable chest
- Adjustable pelvic
- Adjustable ankle rest (horizontal)

### Optional Features:

- Manual or auto cocking drops
- Elevating, straight drop headpiece
- Spring breakaway chest
- Manual & automatic drop ankle
- Vertical ankle rest
- Electronic height adjustment (EHA)
- Total dimension flexion headpiece
- Total drop system (forward motion drop head with built-in paper attachment, chest drop (manual) lumbar/pelvic drop (manual)
- Bellows (new option)
- Snap-on covers

## EB9060 ERGOBASIC WITH MANUAL PUMP ELEVATION

### Standard Features:

- Load capacity: 400 lbs.
- Overall dimensions: 69.5"L x 27.25"W x 18-24"H
- Height range: 18-24"
- Manual hydraulic pump elevation
- Tilting headpiece with adjustable sewn face cushions
- Firm foam
- Paper roll holder and cutter
- Durable powder coatfinish
- Accelerator™III Pelvic Drop
- ADA compliant

### Optional Features:

- 3 Headpiece options
- Thoracic manual drop

## UPPER CERVICAL ELEVATION

### Standard Features:

- Elevation 9" to 27"
- Specifically designed headpiece with easily adjustable tilt and elevation

### Optional Features:

- Electronic height adjustment
- Hideaway adjustable ankle rest (horizontal)

Hill Laboratories  
COMPANY

## HA90C

### Standard Features:

- Elevation 22"-35" or 20"-33"
- 11" face cut-out & paper roll
- 24" width
- 2.5" foam (soft, medium or firm)
- Choice of beige, black or grey base colors
- Choice of 20 vinyl colors

### Optional Features:

- Tilting headpiece
- Dual drop headpiece
- Elevating headpiece
- Flexion headpiece
- Thoracic, lumbar and pelvic drops
- Thoracic release
- Thoracic spring breakaway
- Elevating pelvic (raised)
- Drop-away foot
- Slide out ankle
- Adjustable arm rests
- Rocker foot pedal substitute
- Toggle height switch
- 27" or 30" width
- Finesse Tricot material

Hill Laboratories  
COMPANY

## HA90C - AIR-DROP

### Standard Features:

- Elevation 21.5"-31"
- Air powered cervical, thoracic, lumbar & pelvic drops
- Rocker foot pedal controlled
- Air powered thoracic spring breakaway section
- Dual power foot strips
- Drop away foot section
- 24" width
- 2.5" foam (soft, medium or firm)
- Choice of beige, black or grey base colors
- Choice of 20 vinyl colors

### Optional Features:

- Slide out elevating ankle
- Elevating headpiece
- Flexion headpiece
- 27" width
- Finesse Tricot material

## OMNI TOTAL DROP ELEVATION

### Standard Features:

- Elevation 20"-33"
- Manual cocking pelvic, lumbar, thoracic and cervical drops
- Elevating chest
- Elevating pelvic
- Elevating/Extending foot section
- Translating cervical
- Extra firm 10 lb. rebond foam

### Optional Features:

- Pelvic, lumbar and thoracic air drops
- Elevated chest drop
- Elevation 18"-30"
- Heritage upholstery

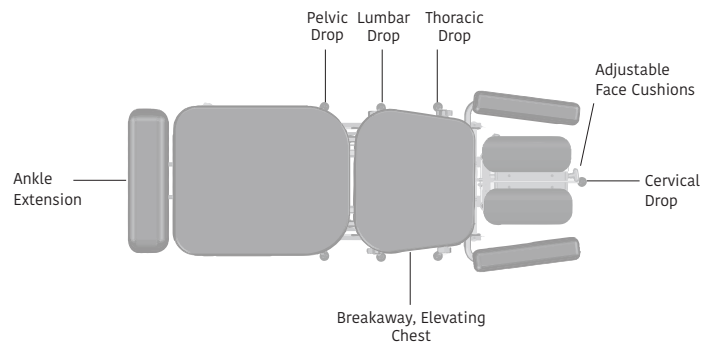

# Ergostyle™ FX

ES5820 Autoflexion with Long Axis

**DESIGNED FOR THE DOCTOR.**

Smoother adjustments with less force - for less stress on you & your patients.

**The ErgoStyle™ FX** offers full, ultra-smooth counterbalanced flexion and distraction effortlessly meeting the core needs of your practice. Manual flexion/distraction is built right in, with infinitely variable electric spring tension so you can move the caudal section in any direction with just the touch of a finger. For added flexibility, the table also quietly elevates from its lowest height of 20" to its full height of 32". It's also fully modular, allowing for easy modifications and upgrades in the field, both now or later as your techniques and practice grow.

**Digital Interface Control**

**Headpiece: Tilt, Elevation, Forward Drop, Toggle Drop, Adjustable Face Cushion Options**

**Breakaway, Elevating Chest Option: Single or Dual Side Control**

# FLEXION DISTRACTION

## AFT FLEXION - MANUAL DROPS OR AIR-DROPS

The Hill AFT Manual Drop Table is your dependable, day-in, day-out ally for successful patient treatment. The AFT is surprisingly affordable for a table with standard features like variable speed automatic flexion, electric elevation, a tilting headpiece with sliding axial motion and a locking thoracic release. The Hill AFT is perfect for doctors looking for a full-featured automatic flexion table without the need for manually-controlled flexion.

Air-Drop AFT

Manual Drop AFT

### AFT FLEXION - MANUAL DROPS OR AIR-DROPS

#### Standard Features:

- Elevation 21.5"-29"
- Variable speed motorized flexion
- Removable tiller bar
- Tilting Headpiece, 30° negative and positive
- Rear lateral flexion and can be locked at any angle up to 21°
- Slide out ankle with ankle harnesses
- Adjustable patient gripper bar
- Patient shut-off switch
- Dual rocker foot pedals
- 24" cushion width
- 2.5" foam (soft, medium or firm)
- Choice of beige, black or grey base colors
- Choice of 20 vinyl colors

#### Optional Features:

- Manual thoracic, lumbar and pelvic drops
- Dual drop headpiece
- Elevating headpiece
- Flexion headpiece
- 30 min. timer
- Toggle height switch

#### Air-Drop Standard Features:

- Air-Activated cervical, thoracic, lumbar & pelvic drops
- Air cushioned thoracic release & breakaway
- Two power foot strips
- 27" width
- Finesse Tricot material

## AIR-FLEX II FLEXION

#### Standard Features:

- Elevation 21.5"-29"
- Tilting Headpiece and Thoracic Release
- Air-Controlled Flexion & Distraction w/ pressure pedal
- 7" HD Touchscreen
- Standard Air-Flex
- Target Touch™ delivers nearly instant flexion balancing and easy patient set-up.
- Sleep Mode automatically resets and replenishes all air functions between each patient.
- Removable tiller bar at foot-end
- Lateral Flexion with locking mechanisms
- Slide-out Ankle Support with Ankle Harnesses
- Electric Height Controlled by Foot Pedal
- Width 24"
- Medium Density Foam (Soft or Firm Foam on Request)
- Table top length - 5'8" (extends to 6'5")
- Choice of 20 Colors for the Top Cushions
- Choice of beige, black or grey base colors

#### Deluxe Package Includes:

- Air-activated dual cervical drops
- Air activated thoracic, lumbar and pelvic air-drops
- Air-Activated thoracic breakaway
- Dual power foot strips

#### Additional Optional Features:

- Auto flexion
- Elevating headpiece
- Flexion headpiece
- Auto decompression/traction feature lumbar, cervical or both
- 27" width
- Finesse Tricot material

7" HD Touchscreen  
One-Touch Control  
Powerful New Features

## 402 FLEXION ELEVATION

### Standard Features:

- Elevation 19.5" to 39"
- Hydraulically controlled elevation
- Tilting headpiece with add-on paper attachment
- One piece adjustable chest
- Manual flexion distraction
- Adjustable ankle rest (horizontal)
- Powered axial extension & retraction of pelvic section
- Lateral bending
- Ankle straps

### Optional Features:

- Auto and manual cocking drops
- Manual & Auto drop ankle
- Electronic height adjustment (EHA)
- Auto pelvic flexion-distraction
- Auto axial distraction (decompression)
- Pelvic rotation
- Total dimension flexion headpiece
- Grab bar
- Rotating chest lumbar with breakaway
- Retractable flexion assist handle (T-Bar)
- Angled T-Bar
- Bellows (new option)
- Snap-on covers

## MCMANIS FLEXION ELEVATION

### Standard Features:

- Elevation 22" to 38"
- Hydraulically controlled elevation
- Deluxe/Adjustable headpiece
- One piece adjustable chest
- Chest & pelvic separation
- Extension/retraction of length
- Semi-automatic & manual flexion distraction
- Adjustable ankle rest (vertical & horizontal)
- Powered axial distraction
- Lateral bending
- Ankle straps

### Optional Features:

- Automatic programmable flexion
- Auto and manual cocking drops
- Electronic height select
- Pelvic rotation
- Total dimension flexion headpiece
- Patient grab bar
- Rotating chest lumbar with breakaway
- Retractable flexion T-Bar
- Angled T-Bar
- Snap-on covers

## 950 SERIES MOTORIZED FLEXION DISTRACTION (Variable or Fixed Height)

### Standard Features:

- Elevation 18.5"-24 or 21"-29"
- Motorized continuous passive motion (CPM) flexion/distraction
- Electrical variable speed (EVS)
- Front lateral flexion with variable lock
- Separate patient "shut-off" switch
- Multi-function elevating headpiece
- Break-Away abdominal section
- "One Touch" Ergonomic controls for: cervical, ankle sections, & lateral flexion
- Plug-in electrical foot switches: one each flexion on/off and uplift
- 22" table width
- Commercial grade Naugahyde upholstery

### Optional Features:

- Leather cushions
- Thoracic drop
- Lumbar drop
- Pelvic drop
- Scoliosis kit

220

## 210 & 220 - HYLO TABLE

Designed to fit your patients and your treatment needs. Anatomically correct cushions adjust to support patient comfortably for relaxation and better results. You will feel the difference, and your patients will request the Zenith Hylo for their next treatment.

### Standard Features:

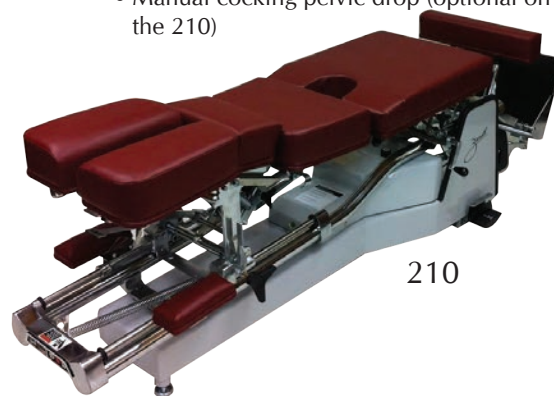

- Table height 22"
- Tilt headpiece with adjustable face cushions
- Soft hinged dorsal
- Breakaway chest with adjustable tension
- Manual extension/retraction
- Sliding pelvic with elevation
- Adjustable ankle rest
- Dual foot switches
- Front mounted hylo switches

### Additional 220 Features:

- Headpiece elevation
- Fwd. motion cervical drop
- Manual cocking pelvic drop

### Optional Features:

- 24", 26", & 28" table heights available
- Power front section
- Tuck-away foot section with auto relax
- Gonstead modifications
- Base colors
- Leg extensions
- Heritage, or leather upholstery
- Manual cocking pelvic drop (optional on the 210)

210

## 320 HYLO TABLE

### Standard Features:

- Table height 22"
- Tilt headpiece with adjustable face cushions
- Fwd. motion cervical drop
- Foot cocking thoracic & lumbar drop
- Manual cocking pelvic drop
- Sliding pelvic with elevation
- Manual extension/retraction
- Tuck-away foot section w/ auto relax ankle
- Dual foot switches
- Front mounted hylo switches

### Optional Features:

- 24", 26", & 28" table heights available
- Power front section
- Gonstead modifications
- Base colors
- Heritage, or leather upholstery

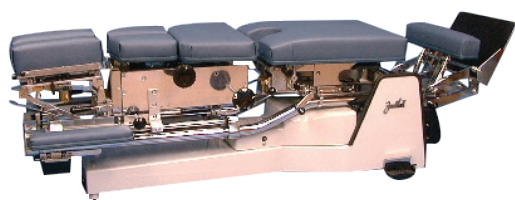

## 440 THOMPSON - HYLO TABLE

### Standard Features:

- Table height 22"
- Elevating & tilting headpiece
- Air operated cervical, thoracic and lumbar drop
- Air operated extension/retraction
- Air operated pelvic drop
- Sliding & elevating pelvic section
- Vertically adj. ankle
- Tuck away foot board with auto relax
- Dual foot switches
- Front mounted hylo switches
- Drop selector

### Optional Features:

- 24", 26", & 28" table heights available
- Power front section
- Gonstead modifications
- Base colors
- Heritage, or leather upholstery

## GALAXY HYLO TABLE

### Standard Features:

- Table height 18" or 22"
- Tilt headpiece with adjustable face cushions
- Breakaway chest with adjustable tension
- Power extension retraction
- Elevating pelvic
- Vertical adjustable ankle
- Adjustable speed
- Tilt safety switch

### Optional Features:

- Fwd motion and/or straight cervical drop
- Manual thoracic, lumbar and pelvic drops
- 2-piece chest cushion
- Auto drops
- 3 or 8 way selector valve for auto drops
- Snap-on cushion covers
- Other heights available

## MCMANIS HYLO TABLE

### Standard Features:

- Table height 18" or 22"
- Hydraulically controlled hylo (tilt)
- Tilt headpiece with adjustable face cushions
- One piece chest with lumbar extension cushion
- Breakaway chest with adjustable tension
- Power extension/retraction
- Flexion (manual/semi auto)
- Lateral bending
- Power axial extension/retraction
- Vertical and horizontal adjustable ankle with straps
- Drop away foot plate
- Adjustable speed (tilt)
- Tilt safety switch

### Optional Features:

- Fwd. motion and/or straight cervical drop
- Total dimension flexion headpiece
- Manual thoracic, lumbar and pelvic drops
- 2 piece chest cushion
- Auto drops
- 3 or 8 way selector valve for auto drops
- Auto flexion
- T-Bar
- Snap on cushion covers
- Other heights available

## HY1001 (1 SECTION) OR HY1002 (2 SECTION) ELEVATING THERAPY TILT TABLE

### Standard Features:

- Load Capacity: 435 lbs.
- 27"W x 82"L x 22.5-39.5"H
- (2) Safety straps
- Extra large foldaway foot plate with non-skid tape
- Hand control for tilt
- Single foot control for lift
- Tilt angle indicator: 0 to 90°
- 27"W Cushions with 2 different top configuration options
- 2" High density foam cushion
- Rounded corners
- Nose hole with plug
- (4) Individual locking casters
- Manual lift back: 0 to 70°
- Accommodates patient lift system

## GALAXY 900HS - HYLO/ELEVATION TABLE

### Standard Features:

- Variable height selector box (19"-36")
- Hydraulically controlled elevation
- Tilting, elevating headpiece w/ adjustable face cushions
- 1 piece chest w/ breakaway and adjustable tension
- Power extension/retraction
- Vertical adjustable ankle
- Adjustable speed for hylo
- Tilt safety switch

### Optional Features:

- Fwd. motion and/or straight cervical drops
- Thoracic & lumbar drops
- Pelvic drops
- 2 piece chest cushion
- Automatic drops
- 3 or 8 way drop selector valve for auto drops
- Snap on cushion covers

## GALAXY ULTIMATE - HYLO/ELEVATION/FLEXION TABLE

### Standard Features:

- Variable height selector box (22"-38")
- Hydraulically controlled elevation, tilt and flexion
- Tilting, elevating headpiece with adjustable face cushions
- 1 piece chest w/ breakaway, adjustable tension, and lumbar extension cushion
- Power extension/retraction
- Power axial extension/retraction
- Flexion (Manual, semi auto and auto)
- Lateral bending
- Vertical and horizontal adjustable ankle w/ ankle straps
- Adjustable speed for hylo
- Tilt safety switch
- Auto flexion control box

### Optional Features:

- Fwd. motion and/or straight cervical drops
- Total dimension flexion headpiece
- Thoracic & lumbar drops
- Pelvic drop
- 2 piece chest cushion
- Auto drops
- 3 or 8 way selector valve for auto drops
- T-bar
- Snap on cushion covers

## ERGOSTYLE ELEVATING HYLO TABLE

### Standard Features:

- Lifting capacity: 400 lbs.
- Overall dimensions: 70"L x 28"W x 20-30"H
- Electric elevation from 20-30"
- 0-63° tilting
- Single foot pedal for elevation & HYLO
- Tilting headpiece with adjustable sewn face cushions
- 22.5" wide seamless cushions with multi-density foam
- Locking 6" extending ankle rest
- Stationary chest
- Fixed pelvic section
- Foldaway foot plate
- Paper roll holder and cutter
- Durable powder coat finish
- ADA Compliant

### Optional Features:

- 7 headpiece options
- Lateral flexion - Available on all headpiece options
- Breakaway elevating chest with dual side control

## SMART STEP SUPREME MATS

The Supreme Anti-Fatigue Mat makes standing more comfortable by reducing back, neck, leg and foot fatigue associated with long-term standing. Made from 100% polyurethane, this mat provides comfortable, consistent support without compromising durability. It features a contoured design with 20° ADA compliant beveled edges that prevent tripping and is guaranteed to remain flat (edges will never roll). With a slip-resistant top surface and a non-skid bottom, the Supreme mat is reliable and safe. The Supreme Dual Anti-Fatigue mat offers additional grip support for especially slippery floors in smaller areas.

### Standard Features:

- Unmatched Comfort and Support
- Gradual Edges Will Never Curl
- 99.99% Anti-Microbial
- Non-Slip Top and Bottom Surfaces
- Will Not Separate, Bubble, or Delaminate
- ¾" SmartTech™ Polyurethane Technology
- Perfected and Tested for Over 10 Years
- 10-Year Manufacturer's Warranty
- Proudly Made in the USA

*Additional colors and sizes available.*

ERGOSTYLE™  
**ELEVATING HYLO**

*Did you know?*

Our patented ErgoStyle drops are among the very best in the industry. The ErgoStyle drop is the only drop in the field that is not a pin drop mechanism allowing elevation across the entire cushion for improved accuracy and a smoother adjustment with less force. The result is less stress on both doctor and patient.
